Constitution

Revised 1983, 1985

ARTICLE I. NAME

This body shall be known as the Yates Baptist Association of North Carolina.

ARTICLE II. PURPOSE

The purpose of this Association shall be to provide a convenient and orderly means for the extension of the ministry of the cooperating Baptist churches in Durham County and portions of Chatham and Orange counties which support the programs of the Baptist State Convention and the Southern Baptist Convention.

ARTICLE III. ARTICLES OF FAITH

The confession of faith of this Association shall be the "Baptist Faith and Message" with its five-point statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life as adopted by the Southern Baptist Convention in 1963 at Kansas City.

(Five-Point Statement from "The Baptist Faith and Message")

(1) That they constitute a concensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of the salvation revealed in the New Testament, viz, repentance towards God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality of infallibility. As in the past, so in the future Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

ARTICLE IV. MEMBERSHIP

Section 1. This Association in session shall be composed of duly elected messengers from cooperating Baptist churches in Durham County and portions of Chatham and Orange counties and the regular elected officers of the Association and members of the Associational Board which are in agreement with the purpose as stated in Article II. Section 5. The Association shall have the power, upon giving notice of nine months and by two-thirds majority vote of messengers present and voting, to withdraw fellowship from any church that shall willfully depart from orthodox principles of the Christian religion as taught in the Bible and as believed by Baptists or that fails to represent itself either by messenger or letter at the annual session of the Association without sufficient reason, or that fails to support causes fostered by the denomination at large and of this Association in particular, or that ceases to be missionary in practice.

Section 6. Any church may decline to send messengers to the Association at its pleasure. Yates Baptist Association

ANNUAL MEETING - OCTOBER 27-28, 1986
FIRST SESSION

The 38th Annual Session of the Yates Baptist Association began Monday evening, October 27, 1986, at Mount Hermon Baptist Church, with an organ prelude by Mrs. Patti Lingafelt. The theme of this year's session was "Churches Caring for Their Neighbors."

Moderator Crate Jones called the meeting to order at 7:00 p.m. and thanked Mount Hermon for hosting this meeting.

Rev. Tobie Stone, chairman of the Annual Meeting Committee, moved that messengers here seated plus any additional messengers that might come on the following day constitute this 38th Annual Session of the Yates Baptist Association and that the program be accepted as is with any changes that might need to be made. Seconded by Dr. James Murphy and voted carried.

The moderator introduced Rev. Eugene Warwick of the Home Mission Board who spoke briefly on their work and thanked the congregation for their support.

The hymn, "Crown Him With Many Crowns," was sung by the congregation, led by Rev. E. Hugh O'Shields and accompanied by Mrs. Patti Lingafelt.

Rev. Jerry Harper, Sr., pastor of Mount Hermon, extended greetings to those attending the meeting and led in prayer.

Director of Missions Marvin B. Settle, Jr. requested that new pastors and staff members proceed to the microphone and introduce themselves and make any remarks they would like. These were:

John Frederick, Minister of Youth, Yates
Marc Francis, Minister of Youth/Children, Bethesda
Deryl Holliday, Minister of Outreach/Education, Bethesda
Truett Williams, Minister of Youth/Church Activities, Homestead Heights
Chris Gaynor, Minister of Music, Homestead Heights
Allan Barlow, Pastor, Leesville Road
Kathie Wilkinson, Minister of Music, Carrboro
Ken Price, Pastor, Bahama

Rev. Settle introduced the speaker for the evening, Dr. Wendell Belew, Assistant Vice President for Missions Strategy of the Home Mission Board, and also a talented painter.

The association's children's choir presented a concert, "Go Tell It, the Message is Love," with guest conductor, Dr. Michael Hawn.

Following the concert Dr. Belew brought an inspirational and timely message on the history of how churches have reached out for their members and neighbors. His text was taken from Psalm 22 - "They shall come . . . ."

The congregation then sang, "People to People."

Dr. Jesse Croom, chairman of the Constitution Committee, presented a recommended change to the constitution and also one to the bylaws, as shown on page 24 of the Book of Reports. He only read these changes at this time and advised that they would be voted on during the Tuesday morning meeting. These changes are as follows:

(1) CONSTITUTION - ARTICLE X

Section 3. The Associational Board shall have an Executive Committee composed of the Moderator, Vice Moderator, Clerk, Treasurer, Parliamentarian, Chairman of the Trustees, Directors of Brotherhood, Sunday School, Church Training, Woman's Missionary Union, Music, and the Associational Church Media Organization, the Chairmen of Camp, Community Ministries, Evangelism, Finance, and Missions committees, two pastors elected at large, and the Director of Missions . . . .

RECOMMENDED CHANGE:

The Associational Board shall have an Executive Committee composed of the Moderator, Vice Moderator, Clerk, Treasurer, Parliamentarian, Chairman of the Trustees, Directors of Brotherhood, Sunday School, Church Training, Woman's Missionary Union, Music and the Associational Church Media Organization, the Chairmen of Camp, Community Ministries, Evangelism, Finance, Missions, and *Personnel* committees, two pastors elected at large, and the Director of Missions . . . .

The reason for this change is a request from the Associational Board to make this change in the constitution because the Personnel Committee is to make recommendations to the Executive Committee; however, it does not seat its chairman on the Executive Committee.

(2) BYLAWS - STRIKE ARTICLE II - TRUSTEES OF YATES VILLAGE, INC.

By action of the Association Board and at a called meeting of the association, the work and relationship with Yates Village, Inc. has been terminated; therefore, this section is no longer needed in our constitution. Subsequently, the following articles then would be numbered Article 2 - "Rules of Order," Article 3 - "Advisory to the Board," Article 4 - "Amendments."

Rev. Settle presented the Director of Missions Report as shown on page 53. He repeated our 12 priorities for 1987:

1. Settling into our new Resource Center
2. Calling of a Director of Church and Community Ministries
3. Starting two new churches
4. Expanding office secretary's job to full-time
5. Conducting a Youth Evangelism Rally
6. Conducting a Multi-Family Housing Conference
7. Conducting Church Long-Range Planning
8. Conducting association-wide evangelism conference
9. Ministry during Olmpic Sports Festival
10. Conducting a World Missions Conference
11. Conducting a ministerial care retreat
12. Conducting a multitude of training opportunities.

He summed up his report by saying that churches in Yates Association are joined together to care for people, our neighbors. We must not be so busy doing church "busy-ness" that we fail to do required ministry.

Dr. Charles Harris, chairman of the Missions Committee, advised that his committee had monitored both the Bahama Baptist and New Jerusalem Baptist Cathedral churches during their watchcare status and had found them deserving of full membership in Yates Baptist Association and they unanimously recommend that they be accepted. Rev. E. Hugh O'Shields moved to accept this recommendation. Seconded by Dr. James I. Murphy, and voted carried.

Dr. Harris then asked Rev. Ken Price, pastor of the Bahama Baptist Church, to stand, as well as Rev. John Caldwell, pastor of New Jerusalem Baptist Cathedral Church and members of their congregations, as he welcomed them into Yates Association.

The moderator requested that all registration cards be passed to the center aisle and collected.

Rev. Joe Bostic adjourned the meeting with prayer at 8:50 p.m.

Another "cookie bake" will be coming up soon for the women at Woman's Prison, Raleigh. Since this was their centennial year, celebrations were held throughout the association. A book of histories was compiled and is now available at the association office. Next Monday, November 3, the women will observe "Day of Prayer" with a meeting that morning at Guess Road and that night at Mount Gilead. Mrs. Mitchell introduced Mrs. Sandy Harrison, the incoming WMU director.

Mrs. Mitchell moved that this report be accepted; seconded by Rev. Robert Weatherly and voted carried.

The following recommendations have been approved by the Yates Executive Committee and Association Board in previous action:

1. Our association will sponsor a Long-Range Planning Conference May 11-15, 1987, with Dr. Truman Brown as leader.
2. Our association will coordinate a World Missions Conference September 20-27, 1987. Our churches will participate either Sunday through Wednesday or Wednesday through Sunday. The major funding will be provided by our churches based on the size of resident membership.
3. Our churches are encouraged to conduct an Associational Emphasis Week in May 1987. (preferably May 18-24)
4. Our association will assist in ministering during the 1987 Olympic Festival scheduled for July 25-August 8. Actual ministries will be based on needs, available funding, and volunteer staff.

5. Our association will sponsor a Multi-Family Housing Conference to assist us in understanding methods that will enable us to better minister to the number of persons living in apartments, condominiums, etc. This regional conference will be funded by the Baptist State Convention.

Dr. Harris moved the acceptance of the report and also all five recommendations; seconded by Dr. Malbert Smith, Jr., and vote carried.

Inasmuch as Mr. Chris Hamlet was recuperating from surgery, he was not present to present and elaborate on the Camp Committee's report, shown on page 45. Motion to adopt this report as printed was made by Mr. O. C. Mitchell; seconded by Rev. Robert Weatherly; vote carried.

Dr. Malbert Smith, Jr., chairman of the Building Committee for the Resource Center, called all members of this committee to the front and each one shared some phase of the building project. Dr. Smith also introduced Mr. George Ray, superintendent for this project, and praised him very highly for the outstanding job he has done. Dr. Smith also urged the churches to increase their giving to this facility.

At this time we took a break from business and ejoyed the Cresset Christian Academy Concert Choir, directed by Mr. Robert W. Cook and accompanied by Ms. Sarah Harvey. The concert included "Sing for Joy," "Kumbaya," "Here's One," and "Praise My Soul, the King of Heaven." The choir's performance was excellent and received a standing ovation.

Rev. Weatherly moved the adoption of the proposed budget; seconded by Dr. James Murphy and vote carried.

Mr. Talmadge Lassiter, Chief of Police, Durham, brought a special message on the drug problem. He highly recommended a book that has been published - *What Works - School without Drugs* - and gave the telephone number by which it could be ordered free of charge. The drug problem is very big, and stronger laws are needed to combat it. It is already in elementary grades. Lassister will be glad to speak on the subject to congregations upon invitation.

Rev. Settle then led in prayer for the work that Mr. Lassiter is doing and his dedication to eradicating drugs.

Rev. Settle introduced our workers at three student centers: Rev. Robert Phillips, UNC; Mrs. Velma Ferrell, Duke; and Rev. Paige Chargois, NCCU.

He also introduced Mrs. Saundra Stallings, the new secretary in the association office.

His message was both inspirational and informative about the State Convention and our Baptist colleges. He had nothing but praise for the Baptist colleges and the common goals they are striving for. We should persuade children to go to the Baptist schools.

Vice Moderator Mitchell asked Saundra Stallings and Faye Bassett to join him on the podium so everyone could see who they were, and then Faye pronounced the benediction and blessing.

The Hope Valley Baptist Church choir, directed by Mr. Bruce Benton, rendered two selections: "We Have Come to Life Up His Name" and "Seek the Lord."

Dr. Murphy's sermon, "Manager of the Universe," was very inspiring and challenging.

The congregation then sang, "Hark, The Voice of Jesus Calling."

Miss Lois King, the association clerk, reported that according to count we had a total registration of 641 this year compared to 576 last year.

At this time some interesting slides were projected showing the progress on the Resource Center from the groundbreaking ceremony to the present. These slides were shown to the music of "Lord, We Are Building For Your Kingdom;" the words written by Rev. Fred Williams, the music by Mr. W. Gaither, and sung by the Olive Branch choir. Last year Rev. Williams announced his personal gift to this project and challenged other individuals and churches to give. Some have given, but less than 20 percent of the churches have responded. He challenged us again to give through churches or as individuals.

Rev. Settle announced that the next associational board meeting would be in February and he requested permission to set a date for the dedication of the new building prior to this meeting.

Report of the Associational Board

The Association Board is responsible to "act for the Association in the interim between session" and to "make a full and complete report of its works at each annual meeting." In fulfilling its responsibility, the Board held six meetings during the interim (one special called) and took action as follows. (Complete minutes are available in the associational office.)

FEBRUARY 11, 1986, a Board meeting was held at Angier Avenue Baptist Church. Dr. Charles Harris, chairman of the Missions Committee, reported that Mary Sagar, Christian Social Ministries Intern, has been doing a study in preparation for a job description for an additional staff member in the near future.

The Board approved inviting Dr. Truman Brown, consultant from the Sunday School Board, for a one-day conference in April or May; and that he return in September for a week to conduct individual consultations with churches involved in long-range planning. This item is in the 1986 budget.

Approval by the Board was given to schedule a World Missions Conference for September 20-27, 1987, and that the following leaders serve as coordinators: World Missions Conference Director - Rev. Marvin B. Settle, Jr.; World Missions Hospitality Leader - Mrs. Mary Zedick; Transportation Leader - J. Edwin Couch; Promotion Leader - Mrs. Dot Hicks; and Mission Study Leader - Mrs. Sandy Harrison.

The Board approved the new library be dedicated to the memory of Rev. Hubert Mumford and in honor of Mrs. Clara Crabtree and be called the Mumford-Crabtree Library.

Bruce Little reported for the Insurance Committee that nine churches were represented in a meeting with John Coupland of the Home Insurance Agency. It dosen't appear that the rates they can quote are any less than can be secured elsewhere, but if enough churches want to participate in a blanket type of policy they will try to get the rates reduced. Mr. Little said he and the committee are willing to pursue this matter further if they can be of any help, but if not, they will disband.

Mrs. Mary Zedick reported for the Evangelism Committee. As a means of advertising "Good News America, God Loves You," it was suggested that churches place red, white and blue bows on mailboxes and in places of business. The committee also announced that the crusade would be advertised in newspapers.

The following were approved to fill vacancies: Annual Meeting - Rev. John Laverty (88) and Mrs. Helen Mumford (87); Community Ministries - Mrs. Augusta Hockaday (WMU Mission Action Chairman) and Larry Clarke (Brotherhood Mission Action

Chairman) ex officio members; Finance Committee - Rev. Don Christian (88); Ministerial Care - Dr. James Murphy, chm. (88), Dr. Rollin Burhans (87), Mrs. Rosa Hampton (88), Mrs. Harriett Jones (86), Rev. Aubrey Quakenbush (87); Personnel - Curtis Crutchfield (87) and A. C. (87), Mrs. Dorothy Hicks (88), Floyd Rhodes (88), Fred Rhodes (87), and Mrs. Ann Riggs (86); and Radio & TV - Mrs. Teresa Modlin (88) and Mrs. Peggy Yates (87).

A Deacon Workshop was announced for March 4, 1986, at Grace Baptist Church, and the theme of the workshop to be "Shared Ministry."

Chris Hamlet reported for the Camp Committee: major water line from well to lodge gave way and had to be replaced at a cost of $1,500; and in order to get more light inside the lodge, the committee may have to put in two ceiling fans with lights which will also help cool the lodge as well as provide additional light.

Mrs. Faye Bassett recognized the 33 churches that had perfect church letters for 1985 and reported that the computer was a great help in getting out this information.

It was approved by the Association Board that the moderator appoint a special committee of from three to seven members to study the Life Enrichment Center and its relationship to the Yates Baptist Association.

MARCH 11, 1986, a called meeting of the Board was held at Hope Valley Baptist Church.

Rev. Malbert Smith, chairman of the Resource Center Building Committee, presented the following recommendations which were adopted by the Association Board.

1. The Building Committee recommended that the association construct the Resource Center on Garrett Road at a cost of $200,000, and that the association serve as the general contractor with Mr. George Ray (Olive Branch) serving as the job superintendent.

Letter of Commitment from Wachovia Bank quoted an interest rate of one-half percent over prime. The association can also save money by acting as its own general contractor.

Ground-breaking ceremonies were announced for Sunday, April 6, 1986, at 3:00 p.m., at the building site.

It was approved after examining several alternatives that: (1) the association promote the ministry of our association during the Associational Emphasis Week, May 19-25, 1986; (2) the association not promote an offering for the association during this time, but churches and individuals who desire may contribute to association ministries; (3) the association promote and encourage churches to receive an offering for the Baptist State institutions (Children's Homes, Retirement Homes, and Hospital) during May, 1986, and receive an offering in September 1986 for our other Baptist agencies as requested by our Baptist State Convention; and (4) the Baptist State Convention return 10 percent of the September State Missions Offering received from churches in Yates Association to our association for its use. (This is the agreement that the State Convention has made with all of our North Carolina associations.)

If the church prefers, they can provide motel accommodations at a motel to be selected by the association; and that each church provide transportation for one missionary for the various churches throughout their conference time.

Dr. Harris reminded the Board of the Long-Range Planning Conference schedule: Leader - Dr. Truman Brown, Sunday School Board, Nashville; October 2, 1986 - one day training conference; and May 11-14 (Mon.-Thurs.) - individual church consultations.

The Nominations Committee presented the following officers for the upcoming year: Moderator - Rev. Crate Jones (87); (Vice moderator not presented at this time); Clerk - Miss Lois King (88); Treasurer - Billy Judd (90); and Parliamentarian - Bruce Little (87).

The local architects quoted $10-$18,000 for this, but an architect in Tryon, N.C., was recommended that would draw our plans for a fee of $7,000. The drawings arrived back in office on May 14. The mortgage loan was approved May 15. The building permit was applied for on May 15, and building should be completed in 180 days.

Report of the Sunday School

This past year was a year of transition for our Associational Sunday School work. We changed directors in midstream, and we began to implement some new ways of helping our Sunday Schools attain balanced, sustained growth in the years ahead.

Despite the difficulties of breaking in the new director, we were able, by God's grace, to provide training in several different areas:

In February we assisted our churches in getting ready for the Good News America campaign by teaching the Equipping Center module, "Training Sunday School Workers in Evangelism."

In March our Vacation Bible School director, Mrs. Darlene Harrill, led a team to a session taught by our State VBS workers to prepare for our Associational VBS clinic which we held in April.

In May and August some of our team members received training at Ridgecrest, NC; and on September 5-6 Rev. Ron Harrison led a Sunday School Growth Spiral Conference for our Yates Association churches. The Growth Spiral is an extremely effective way of gaining and maintaining balanced growth in the Sunday School. The churches that put it into practice almost invariably experience measurable improvement in attendance and quality of teaching. We will be stressing this approach to Sunday School growth in the years to come. If you have questions about it, contact Ron Harrison (682-2591) or Fred Williams (596-0331/596-8907) for more information.

On September 30, the last day of our church year, we presented training for Sunday School workers, with a special focus on new teachers, to help supplement their preparation for the new year.

Your Associational Sunday School Improvement Support Team (ASSIST) covets your prayers as we seek the best ways to reach the people of our area and teach them the good news about Jesus Christ.

Report of Church Training

The highlight of the year for Church Training was the Children's Bible Drill competition held at Temple Baptist Church, Sunday, April 27, 1986. Participants from Durham First And Bethesda competed under the direction of Mrs. Peggy Craig. Four of these, Brent Allison, Christy Coates, Kellie O'Shields and Ashley Weston, all from Bethesda Baptist Church, competed in State Bible Drill Competition in Asheboro.

Report of the Brotherhood

New units of Baptist Men and RA's continue to develop in our association. Likewise, some units have failed. However, men and boys continue to seek ways to expand their service through their churches. Many men have been involved in prison ministry, visitation programs, rest home ministry, Agape Corners ministry, Fort Caswell renovation, overseas dental ministries, Togo and many others. Praise the Lord.

RA events such as the Crusader Car Competition and Mission Fair, the Track Meet and Camp Caraway Summer Camp continue to be big events in the lives of RA boys.

One of our goals has been to increase enrollment by 10 percent per year and involve more men and boys in mission ministry. In 1985 we only grew six percent. The 1986 results are not known yet, but 10 percent is expected. Certainly we have increased mission participation.

Report of Woman's Missionary Union

"Multiply the Vision" has been our emphasis for 1985-86. Our vision for missions has certainly been enlarged as we have been made so much more aware of the many ways God speaks to us today to call us to take a greater part in winning people to Jesus Christ. We have seen that we must get more people and churches involved in praying, giving to missions, doing in mission action in our community for those who are crying out to us for help and love, and above all we must be more dedicated to do more personal witnessing.

In November Alice Bates did a superb job teaching our WMU leaders at the Church Growth Conference held at First Baptist Church.

Our Baptist Women responded so graciously again this year by baking cookies for the women living at Woman's Prison in Raleigh. Many of our WMU members faithfully visit, entertain and carry refreshments to the residents of Murdoch Center as they share God's love with them.

We all had a ball at our birthday parties in our individual churches in January and February as we celebrated our centennial. Our Centennial Chairman, Dot Hicks, spent many hours of hard work compiling a book of the WMU histories that she received from the Centennial Chairmen in 35 of our churches. A copy of the finished book is now available at the association office for each of the 35 churches that submitted a history.

As we observed our 100 days of prayer as a part of our centennial celebration, we were made aware anew of the wonderful heritage of our WMU, but let us now look forward to greater growth both spiritually and numerically as we continue to "Multiply the Vision." Let our prayer be that the Lord will pick out the impurities in us until the world can see only Christ in us as we leave footprints for future generations to follow.

Our 37th Annual Session was held on April 15 at Mount Hermon Baptist Church with 325 registering in attendance. Our theme: "Past, Present --- And Now Tomorrow" was a wonderful conclusion to our Centennial Celebration. Many of our ladies dressed for the occasion in outfits from the past and it was such a wonderful picture to see the beautiful styles. Our features speaker was Miss Carol L. Humphries, missionary recently retired from service in Nigeria. She shared with us "Changes I Have Seen on the Mission Field." She urged us to care for the children through the church WMU organization. Following a delicious meal served by Group I, Dot Hicks directed a very enlightening and enjoyable fashion parade of "Past to Present."

On November 4 we met together at Plainview Baptist Church for the Baptist Women's World Day of Prayer. This was a special time of prayer as Baptist Women around the world prayed together for missions.

On May 18 our GA's and Acteens held a rally with singing and a fashion show at Grey Stone Baptist Church. Mary Ann Buckner, missionary to Indonesia, was the guest speaker.

By the time of this meeting, we will have had our leadership conference at Ridgecrest and our Praise Celebration at First Baptist. Our WMU officers have made contact with every church in our association during the year and offered our help to get new work started and present work increased. We hope to see fruit from these contacts during the coming year. Our association WMU achieved Distinguished recognition.

As this 1985-86 year closes, I will be completing my two-year term as your WMU Director. These two years have been a blessing for me in so many ways. To our Director of Missions, our Executive Committee, the WMU Council and each of you goes my heartfelt thanks for your loving support, encouragment, cooperation, kind words and prayers. Although I do not feel at this time that I can continue as WMU Director because of the time it demands, I do plan to continue to work in the WMU as I serve as your Baptist Women Director. Please pray for me as I lead your Baptist Women.

Geraldine H. Mitchell, Director

Report of the Music Committee

The work of the Music Committee of Yates Baptist Association continues to show strength and hard work. The past year's work experienced considerable success and enthusiasm.

I. The Growth Seminar for Leadership was a good time to hear from a Church Music leader whose ministry has grown from 175 to over 1,500 persons. John Glover from First Baptist Church, Atlanta, Georgia, shared the principles of growth instrumental in the seven-year growth of the ministry at First Baptist Church, Atlanta. We express appreciation to First Baptist Church, Durham, for hosting this event.

II. The Adult Choir Festival involved 100 adult choir members from some 10 churches of our association. We were happy to have as our guest director, David Thomas of First Baptist, Asheboro, N.C. The adult choir members enjoyed the rehearsal with Mr. Thomas, a brief worship experience and then a fellowship time. We express appreciation to Yates Baptist for hosting this event.

III. The Children's Choir Camp was a tremendous success involving many different persons. There were some 120 children involved in the camp with 37 workers representing some 30 churches. Dr. Michael Hawn, Professor of Music at Southeastern Baptist Theological Seminary, worked with the children as guest clinician. This event became the springboard for the musical presentation during the first session of the annual meeting. This event will stand out in the minds of the children for years to come. We express our appreciation to Grace Baptist Church who hosted the camp, Mr. Burke Raper who coordinated the camp and worked with the Music Committee in the planning and execution of a smooth running experience for our children.

IV. The Yatesmen continue to supply music for special events in the association. Ted Reed continues to direct this group of ministers as they sing and fellowship together.

The work of the Music Committee continues to be the strongest in the State of N.C., thanks to the help of a fine group of persons who accept tasks and completes them. I am personally grateful for the opportunity to have served as Music Director of the association working with some of the finest people in the whole world. I am deeply indebted to Marvin Settle who has undergirded all the work of the Music Committee with his support. The surface of areas of music work for the association has just barely been scratched. Pray for Ran Whitley as he takes over the responsibility as Music Director. Thank you for allowing me the opportunity to serve.

Report of TACMO

The Associational Church Media Library Organization met four times during the year. The first meeting was held on November 2, 1985, at Ridgecrest Baptist Church. Mrs. Janie Clements led the program on the technical processing of books. Twelve people representing six churches were in attendance.

On February 1, 1986, the meeting was held at Duke University. Mrs. Thelma George arranged a tour of the Divinity School Library as well as sections of Perkins Library. Miss Martha Cleary conducted the tour. Fourteen people from six churches were present.

The May 3, 1986, meeting was held at Park View Baptist Church. Mrs. Thelma George led the group in making protective containers for materials. She provided a display of items on protecting library materials. Five churches were represented by 11 people.

The last meeting of the year was held on August 2, 1986, at Braggtown Baptist Church. Eleven people from four churches were present. Book reviews were given by those in attendance. Officers for 1986-87 were elected.

TACMO's goals are to promote the use of resources to equip Christians for witness and missions, to encourage all the churches in the association to provide a media library, and to continue the development of the Yates Association Library.

Report of Laubach

During the past year a Durham County Literacy Council was organized. Since no requests were received from the association to hold literacy tutor trainer workshops, your Associational Literacy Director, Mary Whaley, has been doing the training for the Durham County Literacy Council. Four workshops were held during the year training a total of 89 persons to work with nonreaders in our area. Very few of this number were members of our associational churches. A number of persons outwardly claimed to be agnostics and were very adamant about not wanting to use the literacy material pertaining to the Bible.

Statistics have shown that the majority of nonreaders who are asked why they want to learn to read will answer, "I want to learn to read so I can read the Bible." We as Southern Baptists have such a unique opportunity to spread God's Word by helping these people know the joy of reading His Word.

We feel sincerely that this program should be continued in our association but in order to do so we must have your cooperation.

Respectively submitted,
Mary E. Whaley

Report of the Camp Committee

Our problems with respect to water and sewer requirements at the camp remain unresolved. Regretably no likely solutions to these problems are now in view. The Camp Committee is well aware of the need for proceeding with long-range plans for meeting the camping and retreat needs of the association. With the boom psychology now prevailing in the Triangle area, however, the committee believes that prudence dictates that it proceed with care and it is acting accordingly.

On the other hand, everything possible will be done to maintain the camp and to use the resources we already have in such a way as to serve the association as fully and effectively as possible. Plans now in process of implementation include repairs and improvements in and around the Lodge and the Matthew Yates cabin and in and around the shelter. Plans are also being made to replace the sign at the camp entrance.

At the end of June, Duncan Schirmer resigned as Camp Caretaker and was immediately replaced by Dale Baker. Dale is a student at Southeastern Seminary and expects to be with us for several years. He has already demonstrated his interest in the camp and has been busy catching up on deferred maintenance. Dale is also interested in assisting with programs for groups using the camp and is in the process of getting help from the State Convention in developing such programs. Dale and his wife, Lynn, invite you to visit and use the camp and will be glad to help you in any way possible.

Please use the camp and feel free to give us your comments and suggestions for improvement.

Report of the Community Ministries Committee

Community ministries covers a broad spectrum of ministering to the "whole person" for Jesus Christ. Your committee is aware that our churches are ministering in the name of the association to human need in a redemptive manner. One such church in particular is Edgemont, an inner-city church whose doors have been opened to the Agape Corner School for use of their facilities. These school children find themselves in a difficult time in growing up at home and school because of abuse and neglect and therefore the school is designed to guide them through such difficult circumstances. Our commendation goes to Edgemont for providing this vital community ministry. Additional involvement in this ministry is Fulton Hartzog and two members of Angier Avenue. Fulton leads in a Bible study and two of the Angier Avenue ladies tutor the children.

The prison ministry of Yates Baptist Association continues its effective course under the direction of Rev. Boyce Kimball. Mr. Kimball meets with approximately 25-35. Mr. Kimball's ministry involves preaching, teaching, counseling, distribution of tracts and other expressions of ministry to the inmates as chaplain.

In a meeting in August the committee heard from Mr. Chris Hamlet from Meals on Wheels in Durham. It was discussed how the committee may involve wider participation by the Baptists in Yates Association. The committee wishes to encourage messengers to the association to offer their assistance with the Meals on Wheels program.

The committee is happy to report that the association provided half of the cost of Bibles that were presented to the recent graduating class of the Durham Police Academy. Rev. Philip Wiggins, a member of the Durham Police Department, serves on a volunteer basis as Chaplain for the Police Department. He is a graduate of Southwestern Baptist Theological Seminary and is a Durham native. We are fortunate to have someone of his expertise and commitment.

The Community Ministries of this association face some gigantic challenges in expanding our ministry in the midst of an area that offers dynamic opportunities of ministry through expanded staff leadership, vision and service. Your suggestions for meeting these challenges are welcomed.

Everette J. Smith, Chairman

Report of the Deacon Committee

The Deacons' Committee of the Yates Baptist Association sponsored a Deacon Ministry Workshop on March 4, 1986, at Grace Baptist Church.

Rev. Joe Clontz led a conference on the role of the church in ministering to commuting students. Rev. Aubrey Quakenbush led a conference on the deacon as a hospital minister. Rev. Larry Taylor led a conference to aid the deacons in sharing their faith in Jesus Christ. Dr. Larry Harper, pastor of Homestead Heights Baptist Church, brought an inspiring message entitled "Shared Ministry."

Twenty-one churches were represented for this Deacon Ministry Workshop. Our committee is looking forward to planning the workshop for 1987.

Respectfully submitted,
Ron Harrison, Chairman

Report of the Evangelism Committee

The major event of 1986 for the Evangelism Committee was the simultaneous revival effort known as "Good News America, God Loves You." A total of 80 percent of 36,000 churches across the convention participated. Revivals were conducted in all 50 states. In Yates Association the results were as follows:

Number of churches participating	39
Number enrolled in Sunday School	75
Professions of faith	74
Rededications	1,229
Transfers of letter	37

The emphasis for 1987 will be "Target Group Evangelism." Programs directed toward the emphasis will be:

(1) The Evangelism Committee and WMU are co-sponsoring an evangelistic training workshop for persons from their teens through adults. The date for this workshop is January 27. Dr. Dale Cross (HMB) will lead the workshop for men and teenage boys and bring a keynote message on target group evangelism.

(2) The Evangelism Committee is co-sponsoring with the Youth Advisory Committee and Music Committee the presentation of "Celebrate Life" as an evangelistic attempt to reach other youth and their parents. "Celebrate Life" will be presented on March 13 and 14.

(3) On May 11 and 12, the Evangelism Committee and Missions Committee are co-sponsoring a Multi-Family Housing Conference. This program is designed to train church leadership in reaching multi-family complexes in our area.

Target Group Evangelism is an effort to reach people of a certain group. Our targets are youth, persons with Ph.D.'s, families, singles, college students, and internationals. These conferences will help us reach these groups.

Pray for God to burden us for these target groups that we might be able to reach them.

Ernest H. Ferrell, Chairman

Report of the Ministerial Care Committee

The Ministerial Care Committee has been busy seeking to determine the most pressing needs and desires of the ministers in our association. A questionnaire was mailed to each minister trying to determine which areas of ministry assistance would be most beneficial. The response to the questionnaire was excellent and proved to be very beneficial in guiding our thoughts.

At our meetings much discussion centered around ways in which the association could be most helpful in assisting ministers with continuing education, crisis situations, and opportunities for rejuvenation of the minister facing burnout.

Recommendations have been made to the Finance Committee regarding assistance for ministers in crisis, to the Ministers' Conference concerning educational programming, to the Director of Missions with respect to administrative programs and urban evangelism training for ministers, and a suggestion has been made that an annual retreat be planned for the associational ministers and their spouses.

Our work has just begun, however the enthusiasm and support is strong and the future looks bright.

I want to thank each member of the committee for the dedicated interest in this area of ministry.

Respectfully submitted,
James I. Murphy, Chairman

Report of the Missions Committee

The Missions Committee has been involved in several exciting activities and ministries this year.

We sponsored a Church Growth Conference. Dr. Truman Brown, consultant from the Sunday School Board, directed the conference which provided insights in principles of church growth.

We are indebted to Melissa Johnson, summer intern, who gathered vital information which will be utilized in the future ministry of our Director of Church and Community Ministries.

Our committee has continued its strategy planning for immediate and future needs in our association.

We encouraged the churches in Yates Association to conduct an Associational Emphasis in May. The purpose was to better inform our congregations of the ministries provided by and through our association.

The Chaplaincy Ministry that was previously under the guidance of our committee is now under the supervision of Community Ministries.

Our committee has continued to monitor the watchcare relationship of Bahama Baptist and New Jerusalem Cathedral Churches.

The American Village Mission and the Umstead Road/Cole Mill Mission were dissolved November 24, 1985, and December 31, 1985, respectively.

Our committee is committed to assisting churches in beginning new missions in our association. Any pastor or church interested should contact our Director of Missions or the Chairman of the Missions Committee.

RECOMMENDATIONS FOR 1987

The following recommendations have been approved by the Yates Executive Committee and Association Board in previous action:

1. Our association will sponsor a Long-Range Planning Conference May 11-15, 1987, with Dr. Truman Brown as leader.
2. Our association will coordinate a World Missions Conference September 20-27, 1987. Our churches will participate either Sunday through Wednesday or Wednesday through Sunday. The major funding will be provided by our churches based on the size of resident membership.
3. Our churches are encouraged to conduct an Associational Emphasis Week in May 1987. (preferably May 18-24)
4. Our association will assist in ministering during the 1987 Olympic Festival scheduled for July 25-August 8. Actual ministries will be based on needs, available funding, and volunteer staff.

5. Our association will sponsor a Multi-Family Housing Conference to assist us in understanding methods that will enable us to better minister to the number of persons living in apartments, condominiums, etc. This regional conference will be funded by the Baptist State Convention.

RECOMMENDATIONS FOR ACTIONS

The Missions Committee has monitored both the Bahama Baptist and New Jerusalem Baptist Cathedral Churches during their watchcare status and have found them deserving of full membership in Yates Association.

Respectfully submitted,
Charles H. Harris, Chairman

Report of the Personnel Committee

The following major considerations were given by the Personnel Committee this year and adopted by the Association Board:

1. Due to the resignation of Mr. Duncan Schirmer who accepted the associate pastorate of First Baptist Church, Smithfield, N.C., it was necessary to employ a new Camp Caretaker.
   Mr. Dale Baker, a student at Southeastern Baptist Theological Seminary, was employed as Camp Caretaker, effective July 1, 1986.
2. Due to the resignation of Mrs. Altaree Norris as Office Secretary, effective July 2, 1986, it was recommended that someone be hired to fill this position and the hours be increased from 28 to 35 per week.
   Mrs. Saundra S. Stallings was employed to begin work as Office Secretary, effective July 21, 1986.
3. Presented to the association the job description for the Director of Church and Community Ministries (position recommended by Strategy Planning Committee Report).
4. Recommended to the Executive Committee that Mrs. Faye O. Bassett be called as Director of Church and Community Ministries, effective January 1, 1987. (This recommendation was approved by the Executive Committee and affirmed by the Association Board.)

Respectfully submitted,
Frank Zedick, Chairman

Report of the Public Relations Committee

The major item of publicity for 1986 was Associational Emphasis Week. Materials were secured and used by many of the churches to help church members understand the relationship between the association and the churches. Hopefully they can better see why we need to educate people and use the resources available through our association.

Report of the Senior Adults

The Associational Senior Adults continue to be interested in getting together quarterly. During our senior years, there is a definite interest in being together for fellowship, information and inspiration. Most senior adults have been occupied up to this time in raising families and working and have now reached a point in their lives to enjoy being together and doing some of the things that had to be delayed in earlier years. It is my belief that you will not find a more loving and friendly group than senior adults.

Good programs is one of the main aims of the officers. In November the Senior Citizens Choir of Gorman Baptist Church presented an excellent musical, "Christmas in the Good Old Days." In February Mr. Wayne Honeycutt, in charge of renovations at Caswell, spoke on the plans for improvements at the Caswell Assembly. In May Mr. R. G. Thomas, and investigator for the Durham Police, presented a very informative program on safety for senior adults with particular emphasis on how con-artists work. In August an outstanding program of secular and sacred music by Miss Nancy Tippett, handbell soloist from Jamestown, N.C., was a one-person concert playing handbells.

In April a large number of senior adults from several churches in our association traveled to Buies Creek, N.C., for a one-day rally on the theme "Fulfillment of His Purpose." The rally was sponsored by the Department of Aging, Christian Life Council, Baptist State Convention with more than 1,000 in attendance.

Travel still is one of the activities enjoyed by senior adults. It is gratifying to learn that more of the churches are planning trips for members using church vans. Also, some organized groups are making it possible for safe travel for senior adults to travel to many places -- Hawaii, New England States, Niagara Falls, etc.

Attendance has been good at the meetings but we are anxious to involve more in the opportunities of Christian fellowship. Meetings are the second Thursday of the second month of the quarter for a covered-dish luncheon and program. It is hoped that more senior adults will join us.

Respectfully submitted,
Mrs. Floyd Rhodes, Jr., President

Report of the Singles 30-50

The Yates Singles 30-50 met the second Saturday each month. The officers for 1985-86 were Karen Gubar, President; Jack Kelley, Vice President; Gloria Welch, Secretary; and Betty Parrish, Telephone Chairman. Karen resigned in February and Jack assumed the presidency. The meetings and programs for the year varied in length and content. There was the traditional spaghetti dinner, ice cream social, cookout, dining out and movies. There were day trips to West Jefferson to see the frescoes, a climb up Hanging Rock, an excursion to see Chinquapenn at Christmas, a visit to the Museum of Archives and History in Raleigh, and a walk through the Botanical Gardens in Chapel Hill. A weekend trip was also made to Manteo and The Lost Colony. Our average attendance was 13. Our year was highlighted with the marriage in March of David Brame and Patti Buck. We invite any single to join us for great fellowship.

Respectfully submitted,
Gloria Welch, Secretary

Report of the Singles Over 50

Some are asking, "Just what is Singles Over 50?" It is a group of men and women, 50 years of age or older, who are single due to being separated, divorced, widowed, or having never married.

We have become a close fellowship meeting approximately one and one-half hours on the first Saturday of each month in a church or restaurant. The time and place is listed each month in the Yates News.

Programs have been varied and interesting. In addition to gifts to organizations and persons less fortunate than we, Gideon Bibles were sent in memory of three members who died this year.

We encourage churches to announce in their papers that we welcome new members.

Respectfully submitted,
Helen K. Mumford, President

Report of the Stewardship Committee

The Stewardship Committee of Yates Baptist Association reports several events occurring in the past year.

One is a program of education for pastors and their finance or stewardship committee chairpersons held at the Landlubber's restaurant under the leadership of the Rev. Talmage Williams of our State Convention. The Convention also was generous in picking up the tab for lunch.

On September 23, at Bethesda Church, we had a conference for pastors, finance committee and personnel committees, and staff persons. The three workshops were: "What has Planned Growth in Giving Done for our Church" led by Dale Steele, pastor at First Church, Burlington; "Endowments & Trusts for Churches" led by Frances Cook of the North Carolina Baptist Foundation; and "Ministerial Compensation" led by Rev. Marvin B. Settle, Director of Missions. We had 38 to attend, representing 16 churches.

Finally, our committed chairperson, the Rev. Wofford Boyd, left our area to become police chaplain for Greensboro.

We hope you will give us input as to how we can help your church in the area of stewardship.

Respectfully submitted,
Jerry E. Harper, Sr., Chairman

Report of the Student Work Committee

Yates Association has three major universities within its boundaries -- Duke, UNC, and NCCU. The Student Work Committee seeks to assist Baptist campus ministries and association churches in providing a coordinated ministry to the thousands of students in our association. We offer resources for churches seeking to develop a ministry to college students and promote increased awareness and interaction between campuses and churches. In past years, we have participated in campus ministry through our financial support of BSU at Duke and UNC. This year we want to continue to support these two groups, while adding support for campus ministry at NCCU. With associational emphases this year on target group evangelism and the upcoming Olympic Festival, we hope association churches will catch more of a vision for ministry on university campuses. Our committee would be happy to suggest ideas, resources, materials and means of ministry to any such churches. We look forward to ministry to students with you in the coming year.

Respectfully submitted,
John S. Hammett, Chairman

Report of the Youth Advisory Committee

The year 1985-86 has been an encouraging and growing year for our youth ministries in our association. Several new Ministers of Youth have joined our ranks, bringing excitement both to their churches and to our association.

In April, 13 churches and 160 youth workers took advantage of the fellowship and recreation as our first Associational Youth Volleyball Tournament was held at Cresset Baptist Church.

The State Convention offered "Super Summer 86" to our youth in July. Five churches and 50 youth from our association traveled together to Greensboro to attend the Youth Evangelistic Crusade. Churches from our association attending the three-day training sessions in Winston-Salem joined us for the evening.

The final event of the year was our second Back to School Skate held at Wheels Skating Rink. Again the fellowship, skating, and devotion proved to be a highlight to our youth as 20 churches and 180 youth and youth workers attended the skate.

As 1985-86 has been an encouraging year for the Youth Advisory Committee the upcoming year has the potential of a truly rewarding year. Plans for this next year include a "Disciple Now" Lock-In, Youth Musical Crusade, Recreational League Play, and a fellowship for more youth ministers involvement.

We look forward to the new year and the possibilities it will bring to us. Continue to pray and support your youth and your youth ministries.

Respectfully submitted,
Marty Tobin, Chairman

Report of the Director of Missions

In Luke 10, we have the very familiar story of the Parable of the Good Samaritan. The Lawyer's question, "Who is my neighbor?" rings loud to us today.

What does it take to be a neighbor? How can a church be a good neighbor? From the scriptures in Luke 10, it appears that a church is a neighbor when it responds to those in need.

Our association is a group of churches joined together to care for *our* neighbors. This past year we have been studying and planning from our association's strategy plan. We have made great strides towards reaching numerous goals of our five year plan.

The year 1987 will be a year of a great deal of action. Actions that will show our neighbors that we care. Actions that will demonstrate our compassion for people. Actions that will demonstrate our desire to reach people with the Gospel of Christ.

The Key Leaders of our association met and formulated 12 priorities for 1987. Many will say that these are too many, too ambitious, unattainable priorities and goals. However, I say to you tonight that we can do no less. The needs exist, and we must like the Samaritan show mercy.

The priorities for 1987 are:

(1) *The settling in to our new Resource Center.* Easily the food pantry in our Resource Center will facilitate the meeting of needs of the hungry. But the Resource Center will not stop there. It will minister to all who have needs from research to study, from fellowship to task completion, from a mission strategy base to a ministry action center. We will be able to meet all kinds of needs of groups, churches, individuals, etc.

(2) *Calling of a Director of Church and Community Ministries.* This individual as a staff person will not only try to meet the human needs of individuals but will attempt to lead churches to develop programs to meet human needs in each church community. By ministering to individuals at their point of human need, we will more closely follow the example of Jesus Christ of meeting human need, then meeting spiritual need.

One associational staff person cannot meet all of the human needs in our area. It will take all of our people working together to do the job. Yet this staff person will coordinate and direct these ministry efforts.

This is an excellent way to express our caring for our neighbors.

(3) *Starting up to two new churches.* Our association has new neighborhoods springing up all over the area. Chapel Hill continues to annex territory to its east and north, while Durham continues to annex west, south, and east. The extension of these governmental jurisdictions brings further governmental services. Yet we need to continue to work at starting new churches. Land that was once farm land, overnight, becomes a new residential community. The great influx of people to our area brings with it a new Macedonian call, "Come over and help us." Your Missions Committee hears the cry for help and hopes to respond this year by starting two new churches. Cresset Baptist Church has expressed an interest in beginning a new mission in an area identified as northern Chapel Hill. Yet we need another church to sponsor another mission. This is another excellent way to show how we care for our neighbors.

(4) *Expanding office secretary position to full-time.* As more and more programs are developed to meet the needs of our neighbors, more and more is required of your association staff. In order for ministry to grow to meet the growing needs in our community, more and more hours of work are required. The addition of additional staff makes it necessary to increase secretarial hours. In order to maintain efficiency in operations and continue ministry, these hours must be increased. This, too, will help us care for our neighbors.

(5) *Conducting a Youth Evangelism Rally.* This will be a first for our association. In March of 1987 we will put together an associational mass youth choir which will perform the musical "Celebrate Life." This way our youth will be directly

involved through a musical to reach other youth for Christ. This will be a means for youth to reach their neighbors.

(6) *Conduct a Multi-Family Housing Conference.* In May of 1987 the Missions Committee will sponsor a Multi-Family Housing Conference. The increased growth of our area has brought apartments, condominiums, and retirement homes to our area. We can no longer reach people in these multi-family housing units by going in and knocking on doors. Many of these facilities prohibit such practices. However, we can get into these units by being neighbors, meeting needs, and appealing to managment's business sense. This conference will show churches how to be neighbors in multi-family housing units.

(7) *Conducting Church Long-Range Planning.* Approximately one-third of our churches have conducted a long-range planning study within the last two years. Nine churches are currently conducting long-range planning. Dr. Truman Brown of the Sunday School Board led a conference in long-range planning on October 2. He will return next May to do individual church consultations. By planning for the future, these churches will set priorities for church growth, and thus meet more needs of their neighbors.

(8) *Conduct association-wide evangelism conference and training.* In January Dr. Dale Cross of the Evangelism Department of the Home Mission Board will be here to lead our association in target group evangelism. We have targeted large groups of people in our area that need Jesus Christ. These include, the university communities, the research and technical communities, singles, internationals, and just about every other major group.

This evangelism conference will provide training opportunities for laypeople interested in ministering and witnessing to these target groups. This, too, will show our neighbors we care.

(9) *Ministry during Olympic Sports Festival.* We are very fortunate that in August 1987 the world will be coming to Durham, Chapel Hill, and Raleigh. UNC, Duke, and N.C. State University will be the hosts for the Olympic Sports Festival. Athletes and visitors from all over the world will be here to participate in this event.

These new neighbors will be here only a very short time, but we as part of the Christian community can show them our faith, our love, and our care by ministering to them during their stay. We hope to devise a plan and put it into action to care for these visiting neighbors.

(10) *Conducting a World Missions Conference.* We are also fortunate that in October 1987, the world will return to our area in the form of a World Missions Conference. Missionaries from seven foreign countries and seven states will be here to share what they have been doing to care for our neighbors in other places.

(11) *Conducting a ministerial care retreat.* Your new Ministerial Care Committee has identified some needs and areas of concern for the care and feeding of our neighbors we call our ministers. One idea that is being promoted for 1987 is a ministerial care retreat. We hope you will encourage your ministers to seek this time of refreshment and rejuvenation through this effort. They can better care for their neighbors when they are cared for by each other.

(12) *Conducting a multitude of training opportunities.* Training opportunities in 1987 will be offered for all church organizations, ministers, deacons, stewardship, officers, and each of these will help us minister in a better way to our neighbors. As you can see, 1987 will be a very busy association year. However,

we will not be busy for the sake of being busy. We will be busy because there are many needs out there that need to be met.

Sometimes we get so busy with our jobs, recreation, relaxation, and church work, that we fail to see the needs of people around us. Sometimes we can draw a self-indictment that we are just *too busy.*

I recall when I was a Home Missionary serving in Richmond, Virginia, a very busy time in my life. We had been experiencing a very cold, snowy winter. Snow had been on the ground for several weeks, and the snow was getting pretty dirty from the salt, sand, and other chemicals that had been scattered to make transportation easier.

I was busy accepting calls for help from people needing food, energy bills paid, and other assistance.

I received a call to go to Churchill to minister to the needs of a lady named Mrs. Nalton. I arrived at a home that, during the Civil War period, was probably a mansion. However, because of urban sprawl and the blight of the community, this home had been converted to a multi-family dwelling. I knocked at the door and very shortly a black woman wearing a one-sleeved housecoat came to the door. I told her that I had come to see Mrs. Nalton. She opened the door and let me in and told me that Mrs. Nalton lived at the top of the steps.

I walked up a rickety staircase, the banister very loose and more dirt inside this hallway than was out in the sandy, salty streets. As I climbed the steps, the elderly black woman who admitted me asked, "Are you from the drugstore?" I replied, "No madame, I am Marvin Settle with the Richmond Baptist Association come to see Mrs. Nalton." I continued my progress up the steps when the lady asked again, "Are you sure you're not from the drugstore?" Again I replied, "No, I'm not from the drugstore. I'm from the Richmond Baptist Association, and I've come to see Mrs. Nalton." I continued my journey up the steps and went in and talked for a short while with Mrs. Nalton. I determined her immediate needs were food and coal for her stove in order to keep her small family fed and apartment warm. I assured her that her needs would be met before the end of the day.

As I began to leave the building, the elderly black woman met me coming down the stairs. Again she queried, "Are you from the drugstore?" Again I responded, "No, I am not from the drugstore. I'm Marvin Settle and have come to help Mrs. Nalton." As I indicated, I was very busy and needed to hurry on my way, but I noticed the despair in this woman's eyes and then noticed the clothing more closely that she was wearing. She was wearing a one-sleeved housecoat and from under the other sleeve of the housecoat I noticed what appeared to be a pajama top. I asked her what her need was from the drugstore. The elderly black woman, whose name was Mrs. Washington, indicated that she had called the drugstore for some medicine for a burn that she received and they were going to send over some Unguentine. I asked her how seriously she was burned. She pulled up the sleeve of her pajama top and unwrapped from around her a common kitchen dish towel. The sight I saw on her arm almost gave me nausea.

Mrs. Washington told me that she had been cooking on her coal stove and the sleeve of her bathrobe caught fire and burned her arm. She had cut the remainder of the sleeve off and wrapped the arm with a dish towel. When she called the drugstore they told her they would send over some Unguentine to put on it. I informed Mrs. Washington that Unguentine would probably do her more harm than good and that she really needed to go to the Burn Unit of the Medical College of Virginia. She told me that she did not have the money to go; therefore, I told her that if she would let me take her there I would see to it that they looked after her and our association would take care of any bills that the hospital would not. After much persuasion, she agreed to go with me. I took her to the Medical College of Virginia's Burn Unit and after some investigation by the doctors, one of the doctors came out and spoke with me. The doctor first of all asked me if I was any relationship to Mrs. Washington. I told him no, that I had just met her and as of no relationship to her. He informed me that I may have saved her life because the arm had become gangrenous and they would probably have to amputate it. He wanted me to go in to the examining room and tell Mrs. Washington that they were going to have to take her arm off in order to save her life.

Mustering all the courage that I could, I went in and talked to Mrs. Washington about what the doctors had told me. She took my right hand in her left and told me not to worry that she had the faith that everything would be all right. She then informed me of a dream that she had the night before. She told me that she had the dream that she was going to die but that a white angel came and saved her life. She then told me that I was that white angel. I told Mrs. Washington that I was far from an angel, but I was glad that I was able to help her out. For the next four months while I was still there in Richmond, I heard reports of a one-armed black lady who was going up and down the streets of Churchill telling people about the white angel that saved her life.

Many times I have asked myself what would have happened to Mrs. Washington if I had been too busy helping people that I missed one who was in real need of help. What would have happened if I had been too busy taking care of "busyness" that I was unable to respond to genuine human need?

The Yates Baptist Association is an association of churches joined together to care for its neighbors. If we ever get too big or too busy to care for our neighbors, to care for those with hurts, to care for those with human needs, then we have ceased being what Christ would have us be.

Jesus commanded all of us to go and do likewise.

Marvin B. Settle, Jr.

Report of the Christian Social Ministries Intern

The Senior Advisory Council, a referral and information/support ministry for the aged and their families in the church, was conceived and designed on the model of a similar service in the General Baptist Convention. More than 20 persons participated in a month of special training on the issues and resources for the elderly in our community. Ten persons, representing five churches, made a commitment to serve as advisors in their churches. Resource booklets for their use were compiled; they provide phone numbers, addresses, contact persons and descriptions of health and human service agencies for the aged and also guidelines for discussion in church training. Any family who is planning for the care of an aging family member is encouraged to contact the Senior Advisory Council for helpful information:

Facilitator: Mrs. Jewell M. Blackwood, Rt. 7 Box 77, Chapel Hill 27514; 933-1378
Secretary: Mrs. Ruth Cook, Fearrington Post #279, Pittsboro 27312; 542-2523
Program: Mrs. Dot Nelson, 447 Continental Dr., 27712; 383-7137

In addition to the development of this program, other work involved investigation into the spectrum of human needs in the community, most of which can be brought under the heading of "Families Under Stress:" *single-parent families* (20 percent of all families in Durham County); *under-educated wage-earners* (of all persons over age 24 - 34 percent in Durham County, 26 percent in Orange and 48 percent in Chatham have not completed high school); and the many who are removed from their native families: *internationals, prison inmates, transients* (especially the neglected veteran of the Vietnam War), *homosexuals,* and the large numbers of *professionals* and *academics* relocated in the Research Triangle area. The *urbanization* of this area is an undeniable trend which must be acknowledged in church planning.

Report of the Audit Committee

The Audit Committee of the Yates Baptist Association met July 14, 1986, at 8:00 a.m., at Shoney's Restaurant, Hillandale Road. The Rev. Marvin Settle met with the committee.

Following breakfast, the committee reviewed the report of an audit that was conducted by Bailey, Self, Harris, and Company.

We found that their report of the audit to be consistent with the bylaws of the association; and that all funds collected and dispersed have been properly accounted for. We therefore recommend the report of the auditors be accepted by the Yates Baptist Association.

Respectfully submitted,

Report of the Auditor

We have examined the statement of assets, liabilities and fund balances - cash basis of YATES BAPTIST ASSOCIATION as of December 31, 1985, and 1984, and the related statement of revenues and expenditures - cash basis paid for the years then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note #1, the Association's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly the assets, liabilities and fund balances - cash basis of YATES BAPTIST ASSOCIATION as of December 31, 1985, and 1984, and the revenues collected and expenditures paid during the years then ended, on the basis of accounting described in Note #1, which basis has been applied in a manner consistent with that of the preceding year.

History of Cheek Heights Baptist Church

Cheek Heights Baptist Church is located on North Hardee Street in the northeast section of Durham just inside the city limits.

The Rev. Ervin Cates first recognized the need for a church in this immediate area. For approximately two years he sponsored a Sunday School and conducted church services in the various homes of the community until interest developed sufficiently to demand the organization of a church. In 1941 the church was organized as the Watkins Memorial Baptist Church, with 25 members. A building program was begun on the corner of Hardee Street and Cheek Road. The lot was donated by Mr. and Mrs. John Faucette.

During the building program several members supplied building materials. Mr. G. W. Williams financed the sawmill expenses and bought the brick.

The first trustees were: G. W. Williams, J. H. Ladd and Vance Seals. The first pastor of the newly organized church was the Rev. E. R. Teague.

Sometime between the years 1941-43 the name of the church was changed to Cheek Heights Baptist Church. The available records do not inform us as to why the change was made.

On Sunday, March 7, 1943, 27 members met to reaffirm their faith in the Articles of Faith and the Church Covenant, with a delegation from the Baptist Council, the Mount Zion Association and the Baptist Ministers' Association of Durham.

In 1943 Mrs. Vance T. Seals became the first representative from this church to serve on the Baptist Council. Mr. C. H. Shelton became the first Training Union Director. The church voted to buy the first communion set.

On May 3, 1944, there was a resolution passed by the church in conference to give the land back to the original owners if at any time the church ceased to be a Missionary Baptist Church.

During the early years when the church was small and weak financially, aid was received from the State Convention for the pastor's salary.

The Trustees of Cheek Heights were authorized and empowered to borrow $6,000 from Home Building and Loan to pay for the purchase of a lot, moving of the old church and improvements to the old church. In May 1944 the church moved to the present location which is about 250 yards from the original meeting place. The church was moved down Hardee Street. On Sunday the members met with the church in the middle of the street. Soon after moving the frame building it was bricked.

In 1947 the church installed the rotating deacon system, a heating system and participated in the "Tither's Prove Me Campaign."

In 1948 progress was still to be realized. A lot adjacent to the church was purchased on which to build a parsonage. In conference on May 15, 1948, Trustees of the church were authorized and empowered to boroow $6,400 from Home Building and Loan to pay for the building of the church parsonage. A mimeograph machine was soon obtained as one of the first pieces of office equipment. For the first time offering envelopes were provided for all members.

During a conference held on October 6, 1948, the church voted to apply for membership in the new Yates Baptist Association and upon application was received.

Greatest growth of the church numerically and financially was realized during the ministry of Rev. James L. Pollard, who served from September 1952 until January 1958. With this growth it became necessary to expand the physical facilities. On April 15, 1953, the Trustees of the Church were authorized and empowered to borrow $20,000 from Home Building and Loan to pay for the building of the Church Education Plant, which was completed in October 1953.

In 1954 a new carpet was laid in the sanctuary, a Brotherhood was organized, the WMU was organized into circles and the auxiliaries of the WMU were organized for the first time. The following year an electronic organ was purchased. More office equipment was purchased in 1956. In the same year the WMU presented the church with a slide projector. On August 11, 1957, the church voted to buy an adjacent lot for future expansion. The cost was $1,500.

During the time that Rev. Dale Davis was pastor, 1958-59, a special note burning ceremony was held signifying final payment of the church's mortgage that had been held since 1953. In conference on March 4, 1959, approval was given to build the cement steps to the new parking lot. In conference on April 6, 1960, it was approved that Thursday night of each week will be churchwide visitation night.

In the summer of 1962, the sanctuary was renovated. A baptistry and outside lights were installed. Mr. Virgil Petty served as chairman of the committee during the renovation. At the annual Homecoming on October 7, 1962, the sanctuary was rededicated to the Lord's cause.

In conference on December 6, 1962, it was approved to put up basketball goals on the back of the parking lot. In conference on October 3, 1962, it was agreed to build shelves in the vestibule. In conference on July 3, 1963, it was approved that the church purchase the three lots adjacent to the church property (going toward Geer Street).

In conference on September 4, 1963, it was approved to rent a safety deposit box, and the church in conference on December 4, 1963, approved the installation of a heating unit in the baptistry. In conference on April 8, 1964, it was approved to put a speaker in the nursery, and on March 17, 1965, Mr. Petty was given approval to build a basketball court.

In conference on February 9, 1966, the contract for the new nursery was awarded to Cannon Construction Company for $10,942.25. On March 8, 1967, the Scouts were given permission to place a sign out front. In conference on July 11, 1967, a pictorial church directory was approved, and in 1969 Mrs. Virginia Grissom gave the church pulpit furniture in memory of Mr. Thornton Grissom. On September 29, 1974, a dedication for the new church windows was held.

At the October 1979 conference it was approved to get a public address system in memorial to Charlie Watson by the family. A memorial gift of landscaping was given in honor of Mrs. Minnie Riley. In 1980 the church approved the restoration and paving the parsonage garage. The church approved the installation of energy efficient windows throughout the church in June 1981. The parsonage was painted and new gutters installed in July 1983.

It was approved to put new lights in the church in conference, July 1983. A memorial gift of two light fixtures in the vestibule was given in memory of Mr. J. W. Deitz by the Deitz Family. The pews were upholstered by approval of the church in conference in August 1983. At the October 1983 conference it was approved to get an alarm system for the church. It was approved in conference in January 1984 for the church to install new carpet. In 1985 it was approved to install aluminum siding on the entire church and replace all gutters, to put a new roof on the church santuary, and to redesign and rebuild a room on the parsonage. In 1986 with the help of the C. H. Shelton Family and friends, a new memorial piano was purchased for the church.

History of Durham Memorial Baptist Church

The roots of Durham Memorial Baptist Church can be traced to Sandy Level Baptist Church, chartered on October 30, 1853. Formerly located on Junction Road near Cheek Road, Sandy Level Church was a prominent Baptist witness in that neighborhood for many years. In 1939 under the leadership of Rev. John W. Davis and the Home Mission Board, Sandy Level relocated from its Junction Road location to the corner of Adams

Street and Wake Forest Highway. Easter Sunday 1939 dawned cold and snowy, but it was a bright and happy day for the 25 members of the old Sandy Level Church and about 150 people of the Joyland community as they attended the first service of the new Durham Memorial Baptist Church. The church minutes reported that "a revival started on this date . . . six people came in the church by baptism and many came by letter and by statement."

Located on property purchased by the Home Mission Board, Durham Memorial is named for Dr. Columbus Durham, former pastor of First Baptist Church. Under the leadership of Rev. Davis the church grew steadily in membership. Rev. Davis resigned in October 1942 in order to serve as chaplain in the U.S. Army. Rev. J. M. Johnson was soon afterwards called as the pastor. In 1945 Rev. W. O. Andrews took the pastorate. At this time a building fund was instituted. And while Rev. J. A. Pernell was pastor, the present sanctuary was completed. The first service in the new worship facility was on Easter Sunday 1952.

During his three year pastorate, Rev. W. A. Poole led the church in starting a building fund for the present Educational Building. In 1961 Rev. Frank Crumpler came as pastor and on May 20, 1962, ground breaking ceremonies for the new building were held. The education building was completed February 10, 1963.

Rev. Vernon B. McDaniel came as pastor in 1965. During his pastorate the entire building complex was completely air conditioned; and in 1967 the sanctuary and adjoining building were renovated. In 1970 Dr. John Freeman served as interim pastor for 23 months. On February 1, 1972, Rev. Gerald Goodwin became the eighth pastor of Durham Memorial Baptist Church. Since that time the church has continued to grow steadily in membership and ministries. In 1975 a home for furloughing missionaries was acquired. The faceted stain glass windows were installed to beautify the sanctuary in 1981. The sanctuary was thoroughly remodeled in the spring of 1985.

During the summer of 1982 the Yates Baptist Association investigated the feasibility of establishing a mission church in the Leesville Road area of Durham County. Durham Memorial voted to sponsor Lynn's Crossroads Baptist Chapel and called Rev. Gene Angus as mission pastor. The first service was held September 12, 1982. In December 1983 the mission acquired its present property on Leesville Road. On September 12, 1985, the mission was chartered as Leesville Road Baptist Church. It is this event that is perhaps the most significant in the history of the church.

Durham Memorial was born out of a vision of missions. Through the years the church has faithfully supported the cause of missions through prayers, labors, gifts and cooperation. That vision has now come full circle. We covet your prayers that we might continue to be God's witness in the Joyland community and an instrument of the gospel for years to come.

Report of the General Board

The General Board has been ably led this year by Rev. Ray K. Hodge, President and pastor of First Baptist, Kinston (former pastor of Yates Baptist Church), and Dr. Donald G. Bouldin, Vice President and pastor of Carmel Baptist, Charlotte.

The General Board conducts the business of the Convention between annual sessions. Each General Board member serves on a committee or council which coordinates and monitors the Convention's ministries. Yates Association has two members on the General Board: Rev. Jerry E. Harper, Sr., pastor of Mount Hermon Baptist, Durham, who serves on the Council on Christian Higher Education; Dr. Charles H. Harris, pastor of First Baptist, Durham, who serves on the Council of Christian Life and Public Affairs. Rev. Harper also serves on the Special Covenant Relations Committee which has been reviewing the covenant between Wake Forest University and the Baptist State Convention. Recommendations for a major change establishing a "fraternal" relationship will be recommended at the Baptist State Convention in November for approval. Dr. Harris also serves on the Long-Range Planning Committee for the Convention.

The major Capital Funds Program for Caswell Assembly has been progressing well under the leadership of Tom Womble. The fundings will be utilized in major renovation of existing buildings and in the construction of additional facilities.

A special committee under the direction of Rev. Curtis Barbery will present a recommendation at the State Convention in November to change Fruitland Bible Institute into an *agency* of our Convention. This recommendation has General Board approval.

The General Board has approved several major staff changes this year. Dr. Roy Smith's title has been changed to Executive Director/Treasurer, which is consistent with many of our Baptist State Conventions. Instead of one associate our Convention will now have three administrative associates: an Associate in program planning and budget preparation; an Associate in personnel; and an Associate in ministry support. The proposed 1987 budget of $26,125,000 ($995,000 increase over 1986) will be presented for approval to the Convention in November.

Dr. Harris will complete his four-year term in November, and Rev. Crate Jones, pastor of Angier Avenue, Durham, will be recommended as his replacement at the Convention in November.

The General Board has served harmoniously this year.

Respectfully submitted,
YATES GENERAL BOARD MEMBERS:
Charles H. Harris, Rev. Jerry E. Harper, Sr.

CONSTITUTION

Revised 1983, 1985, 1987

ARTICLE I. NAME

This body shall be known as the Yates Baptist Association of North Carolina.

ARTICLE II. PURPOSE

The purpose of this Association shall be to provide a convenient and orderly means for the extension of the ministry of the cooperating Baptist churches in Durham County and portions of Chatham and Orange counties which support the programs of the Baptist State Convention and the Southern Baptist Convention.

ARTICLE III. ARTICLES OF FAITH

The confession of faith of this Association shall be the "Baptist Faith and Message" with its five-point statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life as adopted by the Southern Baptist Convention in 1963 at Kansas City.

(Five-point Statement from the "Baptist Faith and Message")

(1) That they constitute a concensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of the salvation revealed in the New Testament, viz, repentance towards God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past, so in the future Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

ARTICLE IV. MEMBERSHIP

Section 1. This Association in session shall be composed of duly elected messengers from cooperating Baptist churches in Durham County and portions of Chatham and Orange counties and the regular elected officers of the Association and members of the Associational Board which are in agreement with the purpose as stated in Article II. When not is session this Association shall be comprised of its member churches which shall elect members to the Associational Board in accordance to Article X.

Section 2. Each church shall be represented at the annual meeting of the Association and at any special meeting during the year by messengers who shall be duly elected in the following ratio:

(1) Three for the first hundred members or fraction thereof, and one for each additional hundred or fraction thereof, provided that the total number of messengers shall not exceed ten.

(2) All pastors of churches of the Association shall be recognized as messengers, in addition to those specified above.

Section 3. Only individuals who are baptized (immersed) believers and members of churches of this Association shall be seated as voting messengers at any Associational meeting.

Section 4. Churches seeking to seat messengers in the Association shall apply to the Missions Committee prior to the annual meeting of the Association, giving evidence of their faith and order and their agreement to be received under watchcare of the Association. Upon recommendation of the committee and approval of the Association by a two-thirds majority of the members present and voting, the church or churches shall be received under the watchcare of the Association for a period of one year. It is understood that during the period of watchcare of the Association such churches will be accorded all the services of the Association and all its privileges with the exception of the right to seat voting messengers and to voting representation on the Associational Board. At the end of the year of watchcare, the church or churches may, by a two-thirds vote of the Association, be received into full fellowship of the Association or continue under watchcare or have the request for fellowship rejected. Upon admission to full fellowship, the church or churches shall be authorized to seat duly elected messengers with voting privileges and voting members on the Associational Board.

Section 5. The Association shall have the power, upon giving notice of nine months and by two-thirds majority vote of messengers present and voting, to withdraw fellowship from any church that shall willfully depart from orthodox principles of the Christian religion as taught in the Bible and as believed by Baptists or that fails to represent itself either by messenger or letter at the annual session of the Association without sufficient reason, or that fails to support causes fostered by the denomination at large and of this Association in particular, or that ceases to be missionary in practice.

Section 6. Any church may decline to send messengers to the Association at its pleasure. Whenever this constitutes a withdrawal of fellowship on the part of the church, the Association shall not as a body, or through a representative or representatives, seek to restrain by coercion or law the withdrawal action of the church.

ARTICLE V. POWERS AND PREROGATIVES

MINUTES OF THE ANNUAL SESSION

YATES BAPTIST ASSOCIATION

OCTOBER 26-27, 1988

FIRST SESSION

The 39th Annual Session of the Yates Baptist Association began on Monday evening, October 26, 1987 at 7:00 p.m., at the West Durham Baptist Church with a mini-concert by the youth choir of this church. The theme of the session this year was "The Association: Churches Growing Together".

Moderator Crate Jones called the meeting to order at 7:20 p.m. and recognized Rev. Tobie Stone to report for the Annual Meeting Committee. Rev. Stone, chairman of this committee, moved the adoption of the printed program with one change: following the recognition of new pastors and staff persons, Rev. Settle will read the Proposed Constitutional Changes that will be voted on at the Tuesday morning meeting. This motion was seconded by Rev. Ernest Ferrell and vote carried.

Rev. Stone also moved that the messengers registered thus far and any additional messengers registered tomorrow constitute messengers of the 39th Annual Session. Seconded by Rev. Deryl Holliday and vote carried.

The congregation then sang, "Brethren, We Have Met to Worship", directed by Dr. Ran Whitley and accompanied by Mrs. Patti Lingafelt.

Rev. Harold Cobb, Sr., Pastor of the West Durham Baptist Church, extended greetings and led in prayer, including the Lord's Prayer by the congregation.

Director of Missions Marvin B. Settle, Jr. asked that all new pastors and staff persons please come forward and introduce themselves; who were:

1) Woody Massey, Pastor, Ephesus, and his wife, Shirley, who is a chaplain at North Carolina Memorial Hospital, Chapel Hill
2) Cam E. Ervin, Pastor, Bahama
3) Scott Cureton, Associate Pastor and Minister of Music, Westwood
4) Raymond Johns, Pastor, Immanuel
5) Earl Echols, Associate Pastor and Minister of Music and Youth, Ebenezer
6) Don Chasteen, Pastor, Ridgecrest, and his wife, Scarlett, who is a teacher at Northern High School

9) Don Bowden, Pastor, Lowe's Grove
10) Ron Richardson, Minister of Education and Youth, Gorman

12) Norman Gossett, Pastor, Fieldcrest

Rev. Settle then read the Recommended Changes to the Constitution, as printed on pages 59 and 60 of the Book of Reports, which will be voted on Tuesday morning. These changes eliminate four committees and combines them into a committee called Missions Development Program. This new arrangement is in keeping with the organizational chart as recommended by the Home Mission Board to go into effect by 1990. The Yates Association Board and Executive Committee have both approved these changes. The recommended changes are as follows:

Renumber Bylaws

Respectfully submitted,

E. Hugh O'Shields, Chairman

Dr. Larry L. Rose from the Home Mission Board in Atlanta, who was to bring the inspirational message for this meeting, was introduced by Rev. Settle.

Mrs. Betty Eagle of the Holloway Street Church sang, "O Lord Most Holy", accompanied by Mrs. Phyllis Anderson.

Dr. Rose brought an informative message on the heritage and history of Southern Baptists. He said our greatest challenge today is ministering in our cities, and gave staggering statistics of the need.

"I Love To Tell The Story" was sung by the congregation.

Before Rev. Settle presented his Director of Missions Report, he led in prayer, remembering Grey Stone Church in the death of Louise Garrard, who was the church secretary for 40 years, and Karol Newboult in the loss of her mother. He then gave his report, listed on pages 68-70. To highlight parts of his report: He is in the process of certification with the Baptist Sunday School Board as a consultant in Church Long Range Planning, and would like for all churches to engage in this activity before 1990, when our association will again undertake Long Range Planning. In February, 1988, he also plans to start taking the training for PACT certification.

Major emphases for 1988 will be:

1) Deacons Training Workshop - March 29
2) Lay Evangelism School - April 14-16
3) Associational Emphasis Week - May 16-22
4) Multi-Family Housing Conference - September 26-27
5) Day Camp for Inner City Children - All Summer
6) Fortieth Anniversary Celebration of Yates Baptist Association

Last week he received a call from Winston-Salem from a trustee of an Independent Baptist Church regarding the Markham Avenue Baptist Church in Durham. The caller wanted to know if Yates Baptist Association would be interested in this property in the event this church should cease to operate. They want to be sure that it would be used for church property only. Today he received a copy of the deed signed by the Markham Avenue Baptist Church in which they have deeded this property to the Yates Baptist Association under the following conditions:

"Said property is to be used for church purposes only. If said parcel is sold, conveyed or transferred by purpose other than the purchase of a new church facility, the Yates Baptist Association of the Southern Baptist Convention of Durham, North Carolina shall assume title to this parcel of land."

Rev. Settle wanted to know how this should be handled.

Mr. Ralph Faulkner moved to accept; seconded by Mrs. Geraldine Mitchell; vote carried.

Mrs. Faye Bassett gave her report as Director of Church and Community Ministries, as printed on pages 70-73, which indicates that she also has been busy this year.

Rev. Julian Motley requested help from someone who could speak Spanish to help him communicate with a migrant worker in his community, and this was taken care of.

The benediction was given by Rev. Ray Cumbie at 9:05 p.m.

SECOND SESSION

The second meeting of this session was held Tuesday morning, October 27, 1987, at the Homestead Heights Baptist Church and began with an organ prelude.

Rev. Marvin B. Settle, Jr. welcomed everyone and introduced Mr. Frank Shipp, the Vice Moderator, who called the meeting to order at 9:00 a.m.

The hymn, "Praise Him! Praise Him!" was sung by the congregation, directed by Dr. Ran Whitley and accompanied by Mrs. Patti Lingafelt.

Dr. Larry O. Harper, Pastor of the host church, extended greetings, gave directions concerning the lunch, and led in prayer.

Rev. Fred Williams, director of Sunday School, reviewed his report on pages 52 and 53 and moved its adoption. Vote carried.

Mrs. Ginger Stanhope, director of Church Training, reviewed her report on page 53 and stressed "M Night" that's coming up November 23, 1987 at Grace Church. This is an important event and Mr. Fred Anderson from Richmond will be here . She moved that this report be accepted. Vote carried.

Dr. Ran Whitley, director of the Music Council, presented his report of pages 56 and 57 and announced that next year's annual meeting will include mass choirs by the youth, children and adults. He moved the adoption of this report. Vote carried.

Mrs. Sandy Harrison, WMU Director, presented the WMU report on pages 54-56 and moved its adoption. Vote carried.

In the absence of Mr. Edwin Couch, director of the Brotherhood, Dr. Charles Harris moved the adoption of its report on page 54; seconded by Mrs. Sandy Harrison; vote carried.

Rev. Hugh O'Shields, chairman of the Constitution Committee, discussed the recommended changes to the constitution on pages 59 and 60 that were read at the Monday night meeting. In order to adhere to the guidelines set forth by the Home Mission Board, they recommend deleting four committees and combining their function into one committee called Missions Development Program. They also recommend dividing the association into an Executive Committee and an Associational Council, as shown on the chart in the back of the Book of Reports. These changes have been approved by the Executive Committee and the Associational Board. Rev. O'Shields moved the adoption of this report.

Mrs. Velma Ferrell questioned what would become of the Student Work and was advised that this would be incorporated into the new committee.

Vote on the above motion carried.

Dr. Charles Harris, chairman, presented the report of the Missions Committee as shown on page 62. He advised that the Multi-Family Housing Conference has now been scheduled for September 26 and 27, 1988, and the Southern Baptist Chapel of Chapel Hill has been organized. He moved the adoption of this report. Vote carried.

Mr. Chris Hamlet, chairman of the Camp Committee, said he regretted that the long-range plans for the camp about three years ago had not been met, but they are still restricted by the water and sewer problems. Nevertheless, some small improvements have been made and he moved the adoption of the report on page 58. Vote carried.

Mrs. Velma Ferrell, chaplain of the Baptist Student Ministry at Duke University, shared some interesting facts on what some of the alumni are doing. The Yates Baptist Association helps support this ministry at Duke, University of North Carolina at Chapel Hill, and North Carolina Central University in Durham, and they are grateful. Rev. Robert Phillips serves at UNC and John Kent, an intern, is working with him. Affirmation of this report carried with a big "yes".

Moderator Crate Jones moved the adoption of the Executive Committee's report on pages 50-52 and vote carried.

Dr. Gerald Goodwin, chairman of the Personnel Committee, had nothing but praise for the staff and moved the adoption of this committee's report on page 63. Vote carried.

The report of the General Board as shown on page 91 was moved for adoption by Rev. Jerry Harper, chairman, and vote carried.

The report of the Audit Committee on pages 75-78 was discussed by Mr. Larry Giles, a member of the committee, and moved for adoption. Vote carried.

Dr. Larry Harper, chairman of the Finance Committee, moved the adoption of the Annual Financial Statement on pages 79-81 and the Financial Summary through September 30, 1987 on pages 82-84. Vote carried.

Dr. Harper also discussed the report of the Stewardship Committee on pages 66-67 and the 1988 Ministry Action Budget on pages 85-87. He was so pleased with the commitments made as a result of "The Association Great Challenge" meeting in September that he feels very optimistic about reaching the proposed budget for 1988. He moved the adoption of this budget, with final approval at the February 1988 board meeting. Vote carried.

The Finance Committee also moved adoption of their recommendation on page 87 of establishing camper scholarships for the day camp, and vote carried. Dr. Harper closed his presentations with a challenge to the churches to support the association and led in a prayer of commitment.

With the committee reports taken care of, it was time for some miscellaneous business. Mrs. Faye Bassett announced that the Red Cross Bloodmobile will be at Durham Memorial Baptist Church on Saturday, December 12, 1987, co-sponsored by the church and Yates Baptist Association. Mr. David Rigsbee gave a personal testimony of how his life has been saved by the receiving of blood donated by others, and expressed his deep appreciation. They hope they will have a great response to this most worthy cause.

Mrs. Ruth Cooke made us aware of the Senior Adult Advisory Committee that meets on the fourth Monday of the month at the Resource Center. This committee can help adults and others get the help they need.

Dr. Clay Warf presented the following motion:

"I move that the messengers to the annual session of the Yates Baptist Association meeting at Homestead Heights Baptist Church Tuesday, October 27, 1987, instruct our Director of Missions to write a letter on our behalf to President Randall Lolley and Dean Morris Ashcraft of Southeastern Baptist Theological Seminary expressing our deep gratitude to them for their exemplary leadership and untiring service to Southern Baptists and the cause of Christ through Southeastern, and expressing our deep regret that they feel unable to serve in their present capacities any longer."

Motion seconded by Rev. Forest Gale.

During the discussion a suggestion was made that if it was voted to send the above letter, that a copy be sent to the "Biblical Recorder". It was also pointed out that if a copy was sent to this publication, it could be interpreted as a political move. Rev. Bare moved that a separate vote be taken regarding sending a copy to the "Biblical Recorder"; seconded by Rev. Ernest Ferrell.

Rev. Fred Williams made an amendment that if the original motion passed, a copy not be sent to the "Biblical Recorder"; seconded by Rev. Ernest Ferrell.

A vote on the amendment - not to send a copy to the "Biblical Recorder" - passed with some "nos".

The original motion was state again and vote carried with some "nos."

The Vice Moderator then recognized any representatives from the Baptist State Convention:

Mr. Russell Gray of Interfaith Witness was present.
Inasmuch as the meeting was getting behind schedule, the Vice Moderator requested a motion to extend time to 12:00 noon. Dr. Larry Harper so moved; seconded by Dr. Charles Harris; vote carried.

Mr. Sam Caruthers from Meredith College thanked the association for its support to this school.

Miss Lou Russell, in development of Baptist Children's Homes of North Carolina, Inc., extended greetings from Dr. Michael Blackwell and thanks for support to this agency.

Mr. Earl Echols and Ms. Lisa Sealy of Ebenezer Church presented the following special music: "In Moments Like These", "Only Jesus, Calvary's Love", and "More Than Wonderful" in duet. Ms. Sealy sang "Whatever It Takes", and Mr. Echols sang "People Need The Lord".

The hymn, "How Firm A Foundation" was sung by the congregation.

Rev. Settle introduced Dr. Charles B. Nunn, Jr., Executive Director, Richmond Baptist Association, who would bring an inspirational message.

Dr. Nunn said he wanted to see all of us the WMU Centennial in Richmond next May 13-14. The subject of his message was taken from Colossians 3:12-14. He expanded on our theme of "The Association: Churches Growing Together", by saying that churches in association grow together in fellowship and root structure; churches grow in material because of their relationship; and churches can grow individually, strengthened by building bridges to cross ethnic and economic barriers.

Mr. Paul Dismuke gave the benediction and blessing at 12:00 noon and lunch was served in the Family Life and Fellowship Gymnasium.

THIRD SESSION

The last meeting of this session was held Tuesday evening, October 27, 1987, at Red Mountain Baptist Church and began with an organ prelude.

Moderator Crate Jones called the meeting to order at 7:00 p.m. and the congregation sang "To God Be The Glory", directed by Dr. Ran Whitley and accompanied by Mrs. Patti Lingafelt.

Rev. Tom Jordan, Pastor of the host church, extended greetings and led in prayer. He also invited everyone to stay for refreshments and fellowship following the meeting.

The Yatesmen of the Yates Association sang the following: "Praise Him! Praise Him!", "Tell It To Jesus", and "The Rock That Is Higher Than I", under the direction of Rev. Ted Reed and accompanied by Rev. John Laverty.

Mr. Robert Atwater, chairman of the Nominations Committee, moved the adoption of the nominations on pages 7 and 10-14, and vote carried.

Rev. Tobie Stone, chairman of the Annual Meeting Committee, presented their report on page 1 and moved its adoption. Vote carried.

Rev. Ernest Ferrell, chairman, presented the report of the Evangelism Committee on page 61. He advised that Rev. Rick Hayes will be the new chairman of this committee and that 1990 will be another year for simultaneous revival emphasis. Rev. Ferrell moved the adoption of this report and vote carried.

Rev. Tobie Stone gave a biographical sketch of Rev. Tom Jordan, who would bring the annual sermon a little later.

Dr. Charles Harris read the scripture from Mark 3:1-6 and led in prayer, especially remembering Rev. Jordan's wife who was very ill in Duke Hospital, and the Associate Pastor of Red Mountain who was also ill.

The Red Mountain Church choir presented the anthem, "I Go To The Rock", under the direction of Mrs. Linda Weaver.

Rev. Tom Jordan, Pastor of Red Mountain Baptist Church, brought a timely and inspirational message on how people can be ministered to that are hurting today. He emphasized that Jesus should be first, others second, and us third.

The congregation then sang "At The Cross".

Miss Lois King, Clerk, advised that our registration was down this year from the two previous years: 426 this year, 641 in 1986 and 576 in 1985.

There was no other miscellaneous business, and Moderator Jones said he appreciated Dr. Larry Harper's challenge about "dreams".

Before Director of Missions Settle presented the special awards, he requested that Pastors and/or staff check over their church letters for errors. Quite a few of the letters didn't tally and the association office had to make calls to verify, and this may contribute to the decline in some of the totals.

He then presented certificates to the following churches whose resident membership had increased 10% or more in the last five years:

Westwood	9.7%
Ridgecrest	14.4%
Guess Road	15.8%
Berea	18.8%
Red Mountain	23.8%
Faith	26.2%
West Durham	38.3%
Hope Valley	48.9%
Homestead Heights	96.8%

A plaque was presented to Rev. Jones in appreciation for his serving as Moderator for the last two years, for which he received a standing ovation.

The Lay Leader of the Year Award went to Mr. Ralph Bassett for his willingness and untiring efforts in many, many ways. He did a lot of volunteer work on the Resource Center when it was being built, clearing the grounds and in the landscaping.

The Church of the Year Award was received by Edgemont Baptist Church. This church is located in the inner city but continues to minister to its membership as well as the surrounding community, and especially to the Agape House.

The Minister of the Year Award went to Rev. Crate Jones. Rev. Jones has just retired from Angier Avenue Baptist Church after serving many years. He is just completing a two-year term of serving the association as Moderator. He has had two books published; the latest one, "Tall Truths From Short Stories", is just out. He and his wife plan to continue living in Durham, do some traveling, and be available for interim or whatever. Rev. Settle will recruit him to help work on a drama planned for next year's annual meeting.

Rev. Settle expressed appreciation to West Durham, Homestead Heights and Red Mountain Churches for the red carpet treatment they extended for our meetings, and to the following churches for providing the meal: Angier Avenue, Berea, Bethesda, Cedar Fork, Edgemont, Good Samaritan, Homestead Heights, Hope Valley, Lowe's Grove, Olive Branch, Page Road, Park View and Trinity.

He also expressed gratitude to the Annual Meeting Committee, consisting of Dr. Tobie Stone, Mrs. Helen Mumford, Rev. John Laverty, Mrs. Mary Zedick and Mrs. Nancy Lassiter.

He reminded us that next year will be the association's 40th anniversary, and at the annual meeting the children, youth and adult choirs will sing, have a drama and Oren Bradley and Carolyn Weatherford will speak.

He introduced the association staff - Mrs. Martie McMahon, Administrative Assistant; Mrs. Saundra Stallings, Office Secretary; and Mrs. Faye Bassett, in her new position as Director of Church and Community Ministries.

Rev. Settle expressed appreciation to:

The following volunteers who helped collate and put the Book of Reports together:
Richard and Mary Beth Conover, Edgemont
Agnes Pendley and Becky Weaver, Lakewood
Lynda Glenn, Gorman

Mr. Floyd Rhodes for taping our board and annual meetings.

The Association Executive Committee and Associational Board.

Mr. George Coggin and the people at Coggin Pontiac for providing the car for his use.

All messengers who came.

REPORT OF THE SUNDAY SCHOOL

Your ASSIST (Associational Sunday School Improvement Support Team) committee has completed a good year in 1986-87 as we continue to promote the importance of enrollment, teacher training, and the Sunday School Growth Spiral.

On February 10, some of our team members went to Winston-Salem for help in training the Sunday School teachers in our area. Later in March, Darlene Harrill took a good group to Raleigh for training in Vacation Bible School work and preparation for the VBS Clinic which we provided for Yates Association on April 28 at Homestead Heights Baptist Church. The clinic was well-attended and positive comments were received concerning the faculty.

Our next major training event was held on August 25th at Grace Baptist Church. It was designed to offer an expanded curriculum to Sunday School teachers throughout our association. In addition to age-group training, we offered a Sunday School Literature workshop led by Robert Stewart, head of our Baptist State Sunday School work, sessions on how to begin college student Sunday School work and mentally handicapped Sunday School work, Growth Spiral training, and classes on finding prospects and using the Sunday School class for evangelism. We had one of the best faculties available; and they did not prepare in vain, for we had an exceptionally large number of Yates Association church members attending the clinic.

Throughout the year, Ron Harrison, our Growth Spiral consultant, was busy giving seminars at those churches requesting help. He is especially to be commended for the time he has given to our churches and for the zeal which he shows for the Lord's work.

At the May Board Meeting of the Association, a motion was presented to set an Associational Sunday School Enrollment Goal of 21,000 by 1990. This motion passed unanimously. Though it may seem like a large goal, we must remember how fast the Durham/Chapel Hill/Carrboro area is growing; and we must also remember that we have enough resident members on our church rolls who are not in Sunday School to surpass this goal without even leaving the church doors. Each church has been given a suggested goal to help meet our overall goal. Periodic updates will be presented to the association to show how each church is doing in reaching out to enroll new persons in life changing Bible study.

We give thanks to God for enabling these events to come together and for His great grace that shows forth strength and success even in our weakness. We beseech His help and your prayers as we continue to move forward in the days ahead.

Respectfully submitted,

Fred M. Williams, III, Director

REPORT OF CHURCH TRAINING

Many exciting things have been going on in Church Training this past year.
I was delighted to get to go to Key Leadership again this year, and enjoyed it very much. The theme was "Living in the Spirit". Thanks for allowing me to go.

As always, we are proud of our participants in the Bible Drill. They were: Christy Clayton, Christy Coates, Karla Lawson, Kellie O'Shields, Ashley Weston, and Brian Williams. They are all from Bethesda Baptist Church, and are all state winners!

We have been planning all year toward M Night. This is going to be spectacular. It will be Novebmer 23, 1987 at Grace Baptist Church.

I look forward to serving another exciting year.

Respectfully submitted,

Ginger Stanhope, Director

REPORT OF THE BROTHERHOOD

In 1987-88, Baptist Brotherhood as known today will have a significant change - I think for the best. The divisions of the new Brotherhood are so that men of all ages can "plug-in" to a particular interest area with men of their own ages. The most significant change is in the Older Pioneer/Young Baptist Men area. No more will there be a group called Older Pioneers. The boys in grades 10-12 will now become High School Baptist Young Men with a brand new program developed especially for that age group. Crusaders will still be grades 1-6 with Pioneers now being grades 7-9. Baptist Young Men will be ages 18-34, Baptist Men will be ages 35-65, and Senior Baptist Men will be 65 years old plus.

There is new emphasis in each of these groups this year with volunteer committees to plan associational leadership and promotional events for boys and men. You will want to be a part of Brotherhood including all aspects of the Baptist Men's program or the Royal Ambassadors program.

As your past Brotherhood Director, I have enjoyed being involved and working with so many capable people in many ministry areas. I thank Larry Clarke (Yates) and Bryce Bates (Grey Stone) for their capable leadership in Baptist Men and Royal Ambassadors.

I trust the support and enthusiasm experienced in my relationship with the Yates Association Brotherhood membership will continue and "mushroom" in 1988 with our new leaders. The new associational leadership is Rev. Donald L. Bowden as Brotherhood Director, Mr. Larry Bumgardner as Baptist Men's President, and Mrs. Candace Black as Royal Ambassadors Director. Pray for these individuals as they provide leadership for us next year. Also, call the Yates Association office for help with your RA/Baptist Men organization.

We are also very privileged to have our N. C. Baptist Men's Director, Mr. David Langford, working with us to help us build the men and boys' programs in the Yates Association. There appears to be some exciting times ahead for all of our men and boys.

Respectfully submitted,

J. Edwin Couch, Director

REPORT OF WOMAN'S MISSIONARY UNION

Three words describe Yates Baptist Association Woman's Missionary Union in 1986-87. They are committed, motivated and moving, and what a year this has been. The excitement and joy of missions work in our association is very evident in the Yates Woman's Missionary Union. Through the next paragraphs I hope you will get a vision of all that God is doing through W.M.U.

Our theme has been "Gifted to Serve, Called to Act" taken from 1 Peter 4:10. We know that at the moment of birth into the Kingdom of God, we are given gifts to serve God and our fellowman. We are to put these gifts into action as we serve. This year Yates Association W.M.U. has truly put this verse into our lives.

In October Toni Clarke, Association G.A. Director, and Assistant Nora Whitley led a Girls in Action Mission Field Day for G.A.'s and their fathers. The blessings of the Field Day are still apparent in the fathers and girls. This month also brought a new event for Yates Association, the Foreign Mission Study Institute. There were over twenty churches represented at the institute at the teachers of all age levels were led in methods of teaching the Foreign Mission Study.

November was the month for the Baptist Womens World Day of Prayer. Baptist Women prayed at Guess Road Church in the morning and Mount Gilead Church in the evening. What a joy as black and white sisters of Baptist Women in this association knelt at the feet of Jesus and prayed for a lost world.

As W.M.U. all over the state of North Carolina ministers to Woman's Prison of Raleigh, Yates W.M.U. has the honor of providing homemade cookies each Christmas. December of this year the response of Yates WMU members was overwhelming as we were able to take a car load of cookies to the prison.

January came, and we were all set to offer witnessing training. This was a joint effort of W.M.U. and the Evangelism Committee called "Share Family Witnessing". The snow changed our plans and W.M.U. will take part in the Lay Witnessing Training in April of the new year. During the regular council meeting in January, the council had the joy of inviting church W.M.U. Directors from the 53 churches of the Yates Association to the meeting. The church directors came to fellowship and see how their Associational W.M.U. Council works to lead the organization in missions. A Home Mission Study Institute was offered this month. This institute proved to be well attended and one of the best ever. We give God the glory. The Mission Friend Directors and the G.A. Directors were invited to several churches to lead the Home Mission Study.

February brought W.M.U. Focus Week and Mission Friends in Stitches. During Focus Week, as well as many times during the year, I, as director, have been able to speak about missions in many of our Yates churches.

Sheila Durham, Mission Friends Director, and Alice Bates led Mission Friends in Stitches in February. This event, held at Holloway Street, taught Mission Friend Leaders the art of quilting.

April blew in with a fantastic Girls in Action Mission Fair. The Fair presented booths from twelve churches, twenty churches were represented, and over 175 G.A.'s and parents came to enjoy Home Missionary Neal Peyton and Foreign Missionary Donna Hagewood.

The Yates W.M.U. Annual Meeting was held at Temple Baptist Church in April. The meeting emphasized ministry and love. Those attending were surprised to see a sad, dirty, ragged man lying on the lawn as they entered the church. This person was a reminder to all who attended that we must minister to those in need in our area. Then, Mrs. Delene Russell, Case Worker for the Gaston Baptist Association, spoke about ministry and Mrs. Pat Frazier of Greensboro portrayed the life and character of Annie Armstrong. There were more than 300 people in attendance and three associations were represented. This annual meeting will not be forgotten.

May brought a Mission Action/Prayer Retreat at the Yates Resource Center. This event was led by Faye Bassett, Augusta Hockaday and Sandy Harrison. The challenge of ministry and the unity of those who prayed for missions gave everyone in attendance a new vision of the work that needs to be done in our area. Also, this month W.M.U. was a part of the Association Mission Fair during Emphasis Week.

June, July and August are months that were filled with prayer, planning, and training. In June the council drew aside for a time of prayer and July was yearly planning month. The council spent a day at Caraway Conference Center and a week at Ridgecrest for training in August. This prepared them to lead the Yates Association's 3,271 plus members of W.M.U.

Acteen Director, Carol Roycroft, and new assistant Cathy Sawaya had a great L.A.F. (Leaders of Acteens Fellowship) during August. The L.A.F. was held at Olive Branch Church with six churches represented. This fellowship was a time of planning, setting goals, sharing ideas, and enjoying the fellowship of all church Acteens Leaders.

At the reading of this report the Associational W.M.U. Leadership Conference or "SALT TALKS" will have been held in September at Bethesda Baptist Church. This conference was led by 15 directors and assistants and offered training for every age level officer and leader. The training also included W.M.U. Director, Centennial Chairman, Mission Action Director, Enlistment/Enlargement and W.M.U. Secretary. The conference concluded with a wonderful salad luncheon given by Bethesda Church.

Colossians 1:28 says, "We proclaim Him, admonishing and teaching everyone with all wisdom so that we may present everyone perfect in Christ. Woman's Missionary Union is committed, motivated and moving. We are proclaiming Christ, admonishing and teaching that we are all called -- called to be on mission. Whether on the home or foreign field, whether volunteer or career, missions is a life-style. W.M.U. leads, teaches, ministers, gives and prays because this is our calling. As Paul, it is our hope to be a part of presenting souls perfect in Christ.

Sandy Harrison, Director

REPORT OF THE MUSIC COUNCIL

This year proved to be very productive and fruitful for the music ministry of Yates Association. The Music Council planned and executed various programs and events designed to reach people, strengthen the music ministry of local churches and promote fellowship throughout the association. The highlights of the 1986-87 year include:

1) a children's musical production of Go Tell It! The Message Is Love at the Monday evening session of the 1986 annual meeting. Dr. Michael Hawn, Professor of Church Music at Southeastern Seminary, directed the event with over 75 children present.
2) a youth musical production of Surrender under the direction of Ted Reed at First Baptist Church on March 14, 1987. Over 100 youth participated with 12 churches represented. The message of the musical had a profound impact on both the audience and the choir.
3) music for the dedication of the Yates Resource Center on April 5, 1987. The choir from Durham Memorial brought the anthem. The handbell ringers from Grey Stone rang several selections. A brass ensemble consisting of Yates ministers performed. The contribution of music greatly enhanced the worshipful nature of the occasion.
4) a music leaders' fellowship banquet on May 26, 1987 at Ridgecrest Baptist

Church. Dr. Michael Hawn shared a light program. Burke Raper from Grace brought devotions and a personal word of testimony. Music leadership resources from the Sunday School Board were made available. Over 75 people were in attendance representing 21 churches.
5) a children's choir day camp co-sponsored with Grace Church and directed by Burke Raper on July 20-24. Guest clinicians were Michael Hawn and Ramona Prestwood from Enfield, N. C. The highlight of the week was a concert on July 25 which was broadcast on Durham Cable Channel 8. The older children presented a musical, The Builders. Over 130 children were present with 30 churches represented. Unchurched children in attendance had an opportunity to hear the presentation of the Gospel.
6) an adult musical production of 2000 A.D. directed by Ran Whitley. This missionary message was presented in conjunction with the World Mission Rally held at First Baptist Church on September 19, 1987. Participating churches formed a mass choir with 10 churches represented.

Next year also promises to be a productive season in ministry. Listed below are the scheduled events for 1988:

1) Adult Choir Festival . . . March 15, 1988
2) Volunteer Directors' School . . . May 31, 1988
3) Children's Choir Day Camp . . . July 18-23, 1988
4) Music Leaders' Fellowship Banquet . . . August 23, 1988
5) Mass Youth Choir Production . . . October 24, 1988

The Music Council of Yates Association continues to be one of the most active and enthusiastic in the state. I would like to extend my personal appreciation to the members of the council for their labor in associational music ministry and their support of the various programs and events. Their professionalism, competence and calling to the Gospel ministry are to be highly commended. It is a pleasure and a blessing to serve with them.

Ran Whitley, Director

TACMO REPORT

"Media Libraries...Touching Lives to Enhance Witnessing" was the theme this year for The Associational Church Media Library Organization. A planning session was held by the officers in September to set goals for 1986-87. Priority was placed on training media library workers and encouraging them to attend courses needed to earn the Media Services Diploma. Thirteen people are presently enrolled in the diploma program.

Four meetings were held during the year. Program topics included a discussion of selection aids, promotion suggestions, book reviews, and a tour of the Yates Resource Center. Several librarians attended workshops on the following Study Course Books: How to Classify and Catalog Media, Promotion Handbook, and A Church Media Library at Work.

TACMO distributed a bibliography on Bible Study Helps at the Annual Meeting in October, participated in the Open House at the April dedication of the Resource Center, prepared an exhibit for Associational Emphasis Week in May, and helped with the reorganization of two church libraries. Four librarians attended the Church Media Library Conference in June at Ridgecrest.

TACMO is at work in the Yates Association providing information and fellowship for library workers, sponsoring training events, promoting the establishment of new libraries, improving existing libraries, and maintaining the Associational Library. The appropriate use of resources will help to equip Christians for witnessing and ministering.

REPORT OF THE CAMP COMMITTEE

While long-range plans for the camp remain on hold, the Camp Committee has moved ahead with repairs and improvements previously planned. The camp property has now been registered with the North Carolina Wildlife Resources Commission, and signs have been posted along the camp boundaries and at the camp entrance, at the lodge, at the shelter, etc. The signs indicate that the camp is owned by the association and carry the statement "Hunting and fishing prohibited without entry permit from the Association". It is hoped that registration of the camp property will help to protect the camp and members of the association who use it while keeping unauthorized use to a minimum.

A long-needed sign has recently been erected at the camp entrance. The sign is located across the highway (NC 98) from the camp entrance and can be seen for more than a quarter of a mile when approaching the camp from the direction of Durham. The prominent location of the sign should help anyone looking for the camp to find it and to enter the camp property with a greater degree of safety than has recently been possible.

At the lodge, five (5) ceiling fans were installed during the summer to help in dealing with the very warm and humid weather we have faced. Fluorescent light fixtures have been repaired or replaced as needed. A new refrigerator installed in the kitchen has better equipped the lodge for food storage and handling. And three (3) picnic tables outside the lodge have been repaired and are now in good condition.

During the summer, for the first time in a number of years, the association sponsored a day camp program that was directed by Faye Bassett. It is the hope of the Camp Committee that there will be more use of the camp for such programs sponsored by the association or by member churches.

Camp Caretaker Dale Baker and his wife, Lynn, again invite you to visit and use the camp. They offer to help you in any way possible. Please do use the camp and feel free to give us your comments and suggestions for improvement.

Chris C. Hamlet, Chairman

REPORT OF THE COMMUNITY MINISTRIES COMMITTEE

This report will conclude my final responsibility as a member and Chairman of the Community Ministries Committee. It has been a year of pleasant work among the committee. Seven times we have met and as Chairman I have attended six of those meetings.

The addition of Mrs. Faye Bassett as Director of Church and Community Ministries has covered a broad spectrum of this vital area of ministry by the association. Her report to the association of the past year will reflect how our churches are ministering in the name of the association to human need in a redemptive manner through her dedicated and caring leadership. This association is reaching out and touching a lot of someones through a vital community ministry.

This brief report would not be complete without my personal appreciation to Mrs. Bassett and every member of the committee for their contribution toward our committee's work during the past year.

REPORT OF THE EVANGELISM COMMITTEE

The Evangelism Committee of the Association each year seeks ways and means of encouraging and promoting evangelism in our local churches. At times we seek to promote some things that we can do collectively as an association to make an impact on our community. Such was the effort in 1986 called "Good News America". A member of the Evangelism Committee attends the Key Leadership Conference at Ridgecrest each year in an effort to receive some information and inspiration that can be passed on to the churches. If we are to continue to be the New Testament churches we are called to be, we must keep evangelism in the forefront of all we plan and do.

We try to have one main event during the year to assist our churches in promoting evangelism and keeping evangelism as a number one priority. The event we had this year had to be cancelled due to snow. We tried on several occasions to reschedule the event but were unable to do so. We were co-sponsoring this with the Associational W.M.U., and we regret that this event was not possible.
Target group evangelism was the big push from our convention evangelism leaders for 1987. We trust that each church will survey the area around your church and target some "special needs" group that you can share the Gospel with.

1988 is "The Year of the Laity" and the evangelism department plans to capitalize on this and promote evangelism among our lay people as a life style.

1990 will be another year for a nation-wide simultaneous revival all across our convention. My prayer is that God will bless each church as you engage in personal evangelism.

Ernest H. Ferrell, Chairman

REPORT OF THE MISSIONS COMMITTEE

The Missions Committee has been involved in a variety of vital activities and ministries this year.

We have provided recommendations to assist Leesville Road, Bahama, and New Jerusalem Baptist Churches in receiving loans and pastoral assistance as requested.

Assistance has been given to several churches involved in long-range planning. Dr. Truman Brown, Sunday School Board Consultant, returned in May of 1987 to offer his expertise in this area. It is the Missions Committee's dream that every church in our association will complete long-range planning over the next couple of years.

The Multi-Family Housing Conference was cancelled due to a calendar conflict with the Key Leadership Conference at Ridgecrest. The committee desires to reschedule a similar conference in September of 1988.

We participated in the association Missions Fair by providing a missions booth prepared by Carol Roycroft.

We assisted Bahama Church in its pastoral transition.

We participated in the Olympic Sports Festival (July 15-26, 1987). Karen Morton served as our coordinator in the various activities and ministries provided through our association of churches. (See her report for additional details.)

We sponsored a World Missions Conference (September 20-27, 1987) with 28 churches participating. We had a variety of missionary speakers emphasizing foreign, home, state, and associational missions.

We are currently assisting and supporting Carrboro Baptist Church in beginning a Korean mission in the Chapel Hill-Carrboro area.

We are currently investigating the need and potential of beginning a church mission in the north Chapel Hill area.

We are considering combining our Missions Committee and our Community Ministries Committee into a Missions Development Program which will bring us into line with the programming of the Southern Baptist Convention. This change will prevent many current overlaps and duplications between the present two committees.

Thank you for praying for and supporting our committee this year.

REPORT OF THE PERSONNEL COMMITTEE

The Personnel Committee met several times over the year and the following recommendations were made to the Association Board and were adopted:

1) Because of the promotion of Mrs. Faye Bassett to a ministry position, it was necessary to employ a new Administrative Assistant. Mrs. Martie McMahon was secured for this position and began work on January 2, 1987. She has proven to be a valuable addition to our staff.

2) New "Personnel Policies" were written and adopted to give direction and to avoid misunderstandings.

3) We accepted the resignation of Mrs. Alice Bates as Treasurer/Bookkeeper and have transferred those responsibilities to Mrs. Saundra Stallings, who is presently serving as Secretary.

Annual staff reviews and performance evaluations were conducted. The Committee was extremely impressed with the fine staff assembled to serve the churches of Yates Association. Each exhibited a very positive spirit for which we are very grateful.

Finally, we would strongly suggest that an ad hoc committee be formed for the purpose of evaluating our office equipment.

Respectfully submitted,

Gerald C. Goodwin, Chairman

REPORT OF THE PUBLIC RELATIONS COMMITTEE

During 1986-87, a new Resource Center was built and occupied at 4800 Garrett Road. Many exciting things have happened to help inform our churches about the resources provided by this new center. It gave additional conference rooms, a better working space for reproduction of materials, an enlarged media center, and a large meeting room with kitchen for use of the churches in holding meetings, luncheons, or retreats.

During Associational Emphasis Week, May 16-23, a Mission Fair was held and many of the associational ministries provided booths sharing the work their ministry provides. The following ministries provided booths: TACMO, Brotherhood, Woman's Missionary Union, Ministries under the umbrella of the Director of Church and Community Ministries, Church Relations, Interfaith Witness, Christian Social Ministries, Singles 30-50, Church Training, and Sunday School. The Resource Center was open during the week, several scheduled times at night, and on Saturday to provide a time for church members to come by and learn about how the association is using the resources provided through budgeting from the churches of Yates Association. Many of our church families came and brought G.A. groups, R.A. groups, and individuals came as well. Approximately 150 persons visited the center during this week.

On Thursday, May 21, during the week of emphasis, 33 participants traveled to Richmond, Virginia to tour the Foreign Mission Board and three area Baptist Centers. This was a very informative learning experience. The churches of the Association were provided with printed materials to help in promoting Associational Emphasis Week and to inform their members of needs at the Resource Center. An offering was taken in some of the churches.

Also during this year a World Missions Conference was held September 20-27 with 30 churches participating. Home, foreign, state, and associational missionaries visited in these churches sharing their mission ministries. On August 27, conferences were held at Calvary Baptist Church to aid church leaders in the promotion of the World Mission Conference.

Many new and exciting activities are ahead as we, the Association and Churches, work together to spread the Gospel as well as minister to those in need. If you do not know how the Resource Center can help your church, just investigate what has been provided for your use. By contributing to Associational Missions through your church budget, we can expand our ministry and outreach in the Research Triangle area. Be sure to plan and become a part of the work through our Association's cooperative effort to reach our community for. Christ.

Dorothy Hicks, Chairman

REPORT OF THE SENIOR ADULTS

The Senior Adults of the Association have enjoyed getting together for the quarterly meetings this past year with an average attendance of approximately one hundred at each meeting. This affords an opportunity for a large number to meet with friends from other churches in our association. Fellowship was one of the main reasons for organizing this group.

Programs have been excellent, enjoyable, and informative. In November, the Gorman Senior Adult Choir, under the direction of Herbert Gray, presented the musical "The Time of Our Life". In February, Mrs. Sharon Oakley, a professional evangelistic music minister, presented a sacred concert. In May, Floyd and Margaret Rhodes showed a travelogue on "Hawaii". In August, Mrs. Edwin S. Coates, Executive Director of the N. C. Baptist Foundation, made an inspirational talk with examples of perpetual giving through the Foundation by senior adults. At the August meeting Rev. Crate Jones announced to the group that he was retiring. We would like to express to Rev. Jones our thanks for his support of our group by his presence at our meetings and his contribution to the fellowship. He indicated his desire to continue to meet with us since he will be living in Durham, and we are delighted to have him and his wife.

Again, as in the past, travel has been a vital part of the activities of the Senior Adults. Many churches have used their vans to make trips. Also there have been organized tours that provided for travel in groups. Retreats at Caraway, Ridgecrest, and Gatlinburg have also attracted many of our group.

We look forward to the coming year with an enlarged group of participants in the activities of our Senior Adults.

Respectfully submitted,

Mrs. Floyd Rhodes, Jr., President

REPORT OF SINGLES 30 - 50

Singles 30-50 of the Yates Baptist Association met regularly on the second Saturday of each month with special activities planned at other times during the month. A total of 31 people participated during the year in the activities. Our goal is to provide fellowship, friendship and social opportunities in an atmosphere that promotes Christian values for Christian men and women ages 30 to 50 who are widowed, never married, divorced, or separated.

Activities this year have included dining out at various restaurants, movies, State Fair, visit to Governor's Mansion to see Christmas decorations, Living Christmas Tree presentation at Grey Stone Baptist Church, spaghetti supper, games, hiking, cookouts, homemade ice cream and trips to Clemmons State Park, Shearon Harris Nuclear Plant, Snow Camp for an outdoor drama, Roanoke, Virginia and the Blue Ridge Parkway. We look forward to having more singles in the association becoming involved in our activities during the coming year.

Respectfully submitted,

Ida Morgan, Vice President

REPORT OF SINGLES OVER 50

"Singles Over 50" is an organization for persons who are single by choice, divorced, or single because of the death of a spouse. These persons do not always "fit in" to the family oriented church, especially socially. "Singles Over 50" tries to meet a need in this area. We meet on the first Saturday of each month at 1:00 p.m., usually in a restaurant, occasionally in a church. This is a social outlet for those involved. A program is planned. Sometimes it is educational, other times, entertaining.

We would like very much to reach singles in their 50's. We know there are persons in our churches in the age group. Churches tend not to provide socially for those who are in the middle age group, as they do for younger singles and senior adults.

Our meetings are usually announced in the Yates Baptist Association News. Please look for the meeting places if you are a single over 50.

We have enjoyed a year of fellowship together and look forward to a new year.

Respectfully submitted,

Darlene Harrill, President

REPORT OF THE STEWARDSHIP COMMITTEE

The Stewardship Committee met twice this year with a special ad hoc committee on stewardship to study associational stewardship. In 1985 and 1986, association gifts increased by approximately 20% each year. For 1987, projected gifts increase was less than 5%. Therefore, in the February Board Meeting, the budget was cut drastically.

Rev. Settle conducted a study of the nine metropolitan associations in North Carolina. (Results of that study may be found at the conclusion of this report.) In essence, Yates Association ranked 7, 8, or 9 in almost every category. Therefore, the Stewardship Committee made five recommendations in order to see if we can improve this record:

1. The association participate in a program called "The Association Great Challenge". That program was scheduled for September 8, 1987 at Grey Stone Baptist Church at 7:30 p.m.

2. That Rev. Settle and Mrs. Bassett make concerted efforts to be in every church in the Yates Baptist Association by the end of the year in order to make the association more visible to the churches.

3. That Rev. Settle and Mrs. Bassett make themselves available to all budget planning committees in the Yates Baptist Association churches in order to share what the Yates Baptist Association is doing in missions and ministries in the local area.

4. That committee chairmen, organizational leaders, and all board members share the work of the Yates Baptist Association with their local churches in order to inform the churches of the work that the association is trying to do.

5. That since we set as a goal for churches to strive for 4% of undesignated budget gifts to go to Yates Baptist Association, that we request churches not currently giving 2% of undesignated gifts to the Yates Baptist Association to attempt a minimum of 2% of all undesignated gifts to the Yates Baptist Association, and to strive over future years to try to reach the 4% level.

REPORT OF THE YOUTH ADVISORY COMMITTEE

The Youth Committee co-sponsored with the Music Council an associational youth event, presenting the musical "Surrender" on March 14. The musical, presented by youth groups from area churches, was presented to a packed house at First Baptist Church. This was an exciting climax to Youth Week.

It has been difficult to impossible for the Youth Advisory Committee to plan other youth activities this year because several active committee members moved out of town. Hopefully, 1988 will be a banner year for youth work in the Yates Baptist Association.

DIRECTOR OF MISSIONS REPORT

Last year at this time, we were all looking forward to the completion of our Resource Center. Many of you came by the location to see the almost completed facility. Finally, on December 31, 1986, we were moving. A dream became a reality.

Today, so many people have expressed appreciation and pride in our new facility. For many associations, it is becoming a model for other association resource centers. Group after group from North Carolina, Virginia, South Carolina, and other places have come to see our facility.

So, now our facility is built. Now we have a place to call home. What do we do now? The Resource Center was not built as an end. It is not even a means towards an end. The Resource Center serves as a beginning: a beginning for cooperation at the local level.

The year 1987 saw Faye Bassett promoted from Administrative Assistant to Director of Church and Community Ministries. From her report you can see that she has rapidly taken hold of her new position and begun some vital ministry in our area. You will see more of her work in her report.

With Faye's promotion, we called Martie McMahon to be our new Administrative Assistant. Martie is a member of Grace Church and has been learning her tasks quite quickly. I believe we broke her in well with her work for this year's annual meeting.

We now have a full staff consisting of Director of Missions, Director of CCM, Administrative Assistant, Office Secretary, and Camp Caretaker. I personally believe that we have the best association staff in all of North Carolina.

So, we have a brand new facility, the best staff and new ministry. Where do we go from here?

If you will permit me, let me start off with the negative and then move to the positive. I love my work. That's not negative, but rather a preface to what I need to say. I love my work with you; however, I am spending more and more of my time assisting churches, or staff, or members trying to resolve conflict in the church.

This concept of conflict in the church is something I cannot understand. If, as the apostle Paul says, "The Church is the body of Christ" in the world today, how can there be conflict in it? When I initially look at any crisis or conflict in a church, I first look at that church as the body of Christ. Then I look at the source of the conflict to try to determine which area of the conflict represents most closely what the body of the Living Christ would do.

At one time, I thought all church conflict could be reduced to money, power, or ego problems. Yet, I don't think that is the case anymore. Every situation is more complex than that.

Yet, I have simplified the matter even further. The conflict generally centers around some sort of "change" that has occurred or is about to occur. All of us are resistant to change.

There is so much changing around us that it is a miracle that more churches aren't in conflict. We have changed from a tobacco and mill industry town to an education and high technology community. We have changed from a rural/urban society to a metropolitan society. Our airport is changing from a regional airport to an international airport. A community that was once homogeneous now is integrated with Blacks, Spanish, Koreans, Arabs, and Japanese. Chapel Hill was once a small college town, now it has grown to a healthy, small city. Land values, and likewise property taxes, have sky-rocketed. All of these changes have to impact the local church because these changes have impacted people. Pray for me as I lead our churches to resolve conflicts.

Now to the positives. I am in the final process of certification with the Baptist Sunday School Board as a consultant in Church Long Range Planning. I want to be able to help every one of our churches complete Long Range Planning. Long Range Planning is vital to growth and direction of ministry for any church. How are you going to know where you are, unless you know where you were headed. Long Range Planning helps churches identify the community, identify church strengths to build on them, and set goals and priorities for ministry.

In 1990, our association will engage in Long Range Planning again. It would be immensely helpful to us if every church will engage in Long Range Planning before 1990. Your goals, dreams, and opportunities will better help us plan to minister in your behalf.

Churches in transitional communities ought to consider doing PACT (Project Assistance for Churches in Transition) studies. PACT studies are similar to Long Range Planning except PACT is designed for churches where a community is changing.

In February, I anticipate taking the training that will be the first step toward PACT certification.

Planning is essential if we are to have an impact for Christ in this area. Our Association's long range plan has 53 objectives in it for the five year period. To date, 37 of those objectives have been met or are in the process of being met. This past year, we met 10 of our 12 annual goals. Our 12 goals were:

1. Settling into our new Resource Center.
2. Calling of a Director of Church and Community Ministries.
3. Starting up two new churches.
4. Expanding office secretary position to full-time.
5. Youth Evangelism Rally.
6. A multi-family housing conference.
7. Church Long Range Planning.
8. Association-wide evangelism conference and training.
9. Ministry to the Olympic Sports Festival.
10. World Missions Conference.
11. A Ministerial Care Retreat.
12. A multitude of training opportunities.

The two goals not met were: a multi-family housing conference, and a ministerial care retreat.

However, the multi-family housing conference will be held September 26 and 27, 1988. More will be shared about this conference next spring.

Major emphases for 1988 will be:

1. Deacons Training Workshop - March 29
2. Lay Evangelism School - April 14-16
3. Associational Emphasis Week - May 16-22
4. Multi-Family Housing Conference - September 26 & 27

5. Day Camp for Inner City Children - All Summer
6. Fortieth Anniversary Celebration of Yates Baptist Association

Recent statistics indicate 53% of our area claims no church affiliation. If we as an association of churches are to reach these lost, then we need to cooperate in ministry. I would like to see us develop as a slogan, or motto, or theme, "Yates Churches Cooperate". If we cooperate instead of compete with each other, we can get more accomplished for Christ. If we have to compete, let's compete to see who can be the most cooperative. Then we can be churches growing together.

I am proud to be your Director of Missions. The other day I was over in Sears at Northgate and a little boy came up to me and said, "Hi, mister, remember me?" I recognized him as one of the children from Day Camp. I said, "Sure, I remember you. How did the rest of your summer go?" He said to me, "I sure did enjoy camp. I hope I get to go again next year." Thank you for caring enough to make Day Camp possible for our inner-city kids. I pray that God will bless us as we seek daily to do His will in this area.

Marvin B. Settle, Jr.

REPORT OF THE DIRECTOR OF CHURCH AND COMMUNITY MINISTRIES

This has been a busy and an exciting year as the 53 churches of Yates Baptist Association have joined together as a family of churches to provide new and expanded ministries to the hurting, needy, and the lost people of the Triangle Area. Thank you for your support, time, prayers, and suggestions. Pastors, staff members, and other church members have been very generous and have had a very important role in this work. You are to be commended.

As a beginning point for this ministry, visits were made to several associations having ministries that seemed to be reaching the whole person, and that related to those that would meet needs that exist in the Triangle Area. Kings Mountain, Gaston, Wilmington, and Richmond associations were visited and their CCM programs studied. Visits were made to area social service organizations and agencies to determine local resources and to discover ways that we could use these as tools in ministry. We met with leaders in the Baptist State Convention and sought their guidance.

We are committed to ministering to the whole person - the spiritual, physical, emotional, intellectual, and social needs of all individuals. We are also committed to seeking ways to help Christians use their talents as ministering servants.

"When a Christian helper reaches out to a person in need, the possibility of relating to an individual on a personal level opens up. People need to be responded to as people of dignity and worth, not as projects. A helping person has no right to enter the life of another person and dangle a carrot of hope in front of that person if he is not prepared to take responsibility for following through. This means, not that a Christian helper takes responsibility for the life of another person, but that he does take responsibility for the part he plays in the lives of others."[1]

We are beginning to minister, organize and act in several areas:

(1) EMERGENCY ASSISTANCE APPLICATION

An "Emergency Assistance Application" is available to pastors and staff. Information concerning people seeking food, help with utilities or rent, medical needs, etc., can be recorded on this form. We seek your help and ask that a copy be mailed to the Resource Center. The information will be placed into the computer. This can be very helpful for pastors and staff members as they seek to verify needs. Please help us improve this service by using the "Emergency Assistance Application" and by sending a copy to the Resource Center.

(2) CCM NEWSLETTER

In addition to the "Community Ministries Together" column that appears monthly in the associational newsletter, publication of a Church and Community Ministries newsletter, "Personal Touch", began and is mailed quarterly.

(3) DAY CAMP FOR INNER CITY CHILDREN

Our first venture with Day Camp for inner city children was held this summer at our campgrounds on Wake Forest Highway. The three weeks of camp proved to be very rewarding. Approximately 40 children attended during the three weeks and 16 churches participated in this important ministry. Older youth groups from our churches led the children during the morning hours in Mission Vacation Bible School. Scripture, music, hiking, crafts, and games were all a part of each day. Breakfast and lunch were served each day.

What a thrill we experienced as we heard children joyously singing, "Tell The Good News", and as we observed them work industriously during craft sessions. It was inspiring to watch as they helped one another during scripture search. It brought tears to our eyes when from time to time a child's arms would encircle us and we would hear, "Thank you for letting me come to camp"; "Thank you for helping me"; "I hope I can come back next summer"; "Thank you for my Bible"; or even "I'm sorry that I acted ugly".

One little girl had never fished; however, she caught the first fish of the day and caught the largest number of fish. Her excitement over having the opportunity to do this was contagious. I'm sure there were some surprised mothers when those children arrived home at the end of the day with smelly fish in plastic food storage bags! How were we to know that children who had never fished would catch so many!

We now look forward to seven weeks of Day Camp 1988. Volunteers have already signed up to help. If you as an individual or if your youth group or WMU or Brotherhood would like to help in any way, please let us hear from you.

(4) CHRISTMAS TOY STORE

The Christmas Toy Store Ministry will provide an opportunity to reach many families in our area. Churches are encouraged to have an ingathering of new toys, books, games, and crafts. The suggested time for this ingathering is November 1 through Thanksgiving weekend. Items will be received at Temple Baptist Church each Tuesday in November, 10:00 - 11:30 a.m., and on Monday, November 30, 10:00 - 11:30 a.m. Love gifts will be used to purchase Bibles and other needed items to complete the store. Each participating family will be given a Bible, and counselors will have opportunity to share the Gospel with them.

If you can serve as a volunteer counselor, clerical aide, or shopper assistant, please call the Resource Center. The store will operate Monday through Friday, December 1 - 12, 9:00 a.m. - 12:00 noon and 1:00 - 3:00 p.m.; Tuesdays and Thursdays of those weeks from 6:00 - 8:00 p.m.; Saturday, December 5, 9:00 a.m. - 12:00 noon; and Saturday, December 12, 9:00 a.m. - 12:00 noon will be a time that children can purchase gifts for their parents.

We thank Temple Baptist Church for hosting this ministry opportunity.

(5) SEWING CLASS/BIBLE STORY TIME

Many thanks to First Baptist Church for hosting the Sewing Class for inner city mothers and the Bible Story Time for their children. The congregation of this very fine church has been most generous. They have provided a comfortable and conducive atmosphere for this important ministry.

Thanks, also, to all who so generously donated patterns, materials, notions, and sewing machines. The BSU students at Duke presented us with a check for scissors and other needed items. A very special thank you to Mrs. Swannie Haigler, Guess Road Baptist Church, and Mrs. Evelyn Ray, Cresset Baptist Church, for volunteering to teach these classes. These ladies have a beautiful spirit and this is essential as we minister to those participating.

Through this ministry, our teachers will seek to guide participants in sewing practical articles that can be used in their homes. This can do much to build their self-esteem. Each class will begin with a devotional time. Bible Story Time for the children will provide an excellent opportunity to share Jesus' love with those who may not receive it any other way.

(6) CRISIS MINISTRY

Crisis ministry is an important part of each week. Calls come every day from those in need of food, those in need of funds for rent and utilities and medical supplies, and other immediate needs. The churches of Yates Baptist Association do a splendid job of keeping the associational pantry stocked. Thank you for caring.

(7) ASSOCIATIONAL EMPHASIS WEEK

Our organizations and committees created informative and imaginative booths as part of a Missions Fair in observance of Associational Emphasis Week. During the week, representatives from eleven churches took part in a Mission Awareness Tour to the Foreign Mission Board and to several Baptist Centers in Richmond, Virginia. We observed ministries in progress that challenged us to seek out opportunities for new ministries here in the Triangle Area.

Also, as a part of Associational Emphasis Week, a slide and video presentation depicting ministries in progress and those planned was prepared and made available to the churches. Printed materials were also prepared for each church.

As a part of Associational Emphasis Week 1988, a Mission Awareness Tour is scheduled. A tour of the Home Mission Board in Atlanta and visits to Baptist work in that area is planned. Details will be published within a few weeks.

You are needed! You are needed to reach out to those here in the Triangle area. People need Jesus, and people need people. The importance of church and community ministries is people letting the love of God reach through them to touch broken and hurting lives as we share in word and deed what our Lord has done for us. God has given each of us a talent. Let us use these talents as we proclaim the Good News of Jesus Christ.

Faye Oakley Bassett

REPORT OF OLYMPIC SPORTS FESTIVAL INTERN

Location of ministry: Raleigh, Durham, Chapel Hill, North Carolina

Length of ministry: July 13 - 26, 1987

The Yates and Raleigh Associations became very involved in the Olympic Sports Festival (OSF) ministry. We provided several ministries to the OSF and the communities:

1. One church bus and three church vans were on "stand-by" to be used by the Festival if needed for parking shuttles and athlete transportation.

2. Approximately 200 dozen homemade cookies and 100 dozen sandwiches were provided for the OSF workers. Church stickers, pamphlets, HMB tracts, or paper with Bible verses on it were attached to each sandwich wrapper or cookie package. Nineteen churches participated in this.

3. Free child care was offered for anyone who worked at the OSF. Mission VBS materials were used for planning and preparing. Eleven churches were involved.

4. In cooperation with the Raleigh and Durham Police Departments, eleven Southern Baptists offered their help to visiting stranded motorists. The people were willing to help change tires, take gas, get tow trucks, etc.

5. The Campus Ministers from Meredith College, NCSU, and Duke University were available as chaplains to the athletes at all hours. To my knowledge, we were the only denomination that offered chaplains.

6. One member from each church in the Associations was responsible for transportation from the athlete dormitories to the churches on each Sunday - July 19 and 26 - should an athlete wish to attend services. Athletes received an invitation to worship from each church.

7. Two churches - one from Durham and one from Raleigh - held special services for the community and visitors. Grey Stone Baptist Church, Durham, offered five free concerts during the two weeks, and Calvary Baptist Church, Raleigh, offered a homemade ice cream social and hymn sing one Sunday. They each advertised in the newspaper, the OSF told their 8,000 workers, and I advertised the events at each major hotel in the Triangle.

8. Approximately 200 people worked in the athlete dormitories with the OSF. They were encouraged to be life-style witnesses and seize any opportunity for sharing Christ's redeeming message.

9. Approximately 150 choir members (thirteen churches) participated in a special Torch Lighting Service at GTE, Thursday, July 16. They sang "America, the Beautiful" accompanied by an Army band. Over 1,000 people from Durham attended.

10. One church choir participated in the Opening Ceremonies of the Festival by singing the national anthem. Approximately 50,000 people attended.

In all, approximately 450 Southern Baptists participated in OSF ministries representing forty-three churches from the two Associations.

The ministry was very good in some ways and very bad in others. There was very little participation in the child care programs or at the concerts or ice cream social/hymn sing. Very few athletes wanted to attend church services. Likewise, our vehicles were not used at all, so we could not pass out any HMB tracts. (The only place we were allowed to pass out tracts was in church vehicles.)

On the other hand, there was a tremendous response to the refreshments we provided. The Festival workers simply could not understand why Baptists were willing to make homemade cookies and sandwiches for people they had never seen. The door was then open to share the message of Christ. Many times people told me how kind and thoughtful we were to provide the food.

By far the biggest success was in improving our (and all Christians') reputation in the Triangle area. I overheard many comments such as:

> "The Baptists have really done their part."
> "Can you believe Baptists can be so nice?"
> "I had no idea Baptists did stuff like this - they have really been helpful."
> "I don't know much about Baptists, but I can see they're very thoughtful."

Considering all the bad publicity Christian groups have gotten in the last several years, I am very pleased that we were able to begin improving our own reputation.

Another positive effect of our ministry was that it made Southern Baptists in the Triangle aware of how many non-Christians there are right here. Since we live in the center of the Bible Belt, it is sometimes easy to forget that everyone is not a Christian. This ministry encouraged churches to go to the people - not to assume the people will go to them.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Yates Baptist Association met July 30, 1987, at 8:00 a.m. at Shoney's Restaurant on Hillandale Road. Director of Missions, Rev. Marvin Settle, met with the committee.

Following breakfast, the committee reviewed the report of an audit that was conducted by Bailey, Self, Harris, and Company.

We found their report of the audit to be consistent with the bylaws of the association, and that all funds collected and dispersed have been properly accounted for. We therefore recommend the report of the auditors be accepted by the Yates Baptist Association.

We further recommend, due to increasing costs for a complete audit, that the accounting firm of Bailey, Self, Harris, and Company be engaged to perform a "yearly review" for three consecutive years, and a complete audit on the fourth year.

We have examined the statement of assets, liabilities and fund balances - cash basis of YATES BAPTIST ASSOCIATION as of December 31, 1986 and 1985, and the related statement of revenues and expenditures - cash basis paid for the years then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note #1, the Association's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly the assets, liabilities and fund balances - cash basis of YATES BAPTIST ASSOCIATION as of December 31, 1986 and 1985, and the revenues collected and expenditures paid during the years then ended, on the basis of accounting described in Note #1, which basis has been applied in a manner consistent with that of the preceding year.

1988 MINISTRY ACTION BUDGET

FELLOWSHIP, MISSIONS, AND EVANGELISM

It is difficult to say that one section of a budget is missions and another section of the budget is something else. All that an association does is missions, in the broader sense. For 1988, $19,555.00 is needed to accomplish special fellowship, missions, and evangelism projects. The year 1988 begins a special evangelism focus on the "Year of the Laity". We continue an effective ministry with students at UNC, Duke, and NCCU. A new Korean Church is started and a new Anglo Church in Northern Chapel Hill keeps us on target of starting two new churches per year. Pregnancy Support, a new item for 1988, counsels women from a Christian perspective on alternatives to abortions. Faye Bassett's Community Ministries program also needs funds to minister to police officers, mothers, and families in need. Many other ministry opportunities are made available through this portion of our budget.

PERSONNEL

Recently our Personnel Committee reported to our Executive Committee that they believe we have assembled one of the finest association staffs in the country. The Personnel Committee would like to have done more than 5% increases; however, with limited funds and the addition of the new church annuity plan, increases were limited to 5%. Our staff plans, coordinates, and conducts the administration and actual ministry of many association programs.

ORGANIZATIONS AND TRAINING

We have been fortunate over the last several years to be able to provide some of the best leadership training workshops available. These workshops train lay leadership to serve, minister, lead, and follow to get Christ's work done in our area. We are making special attempts at this work by re-organizing Brotherhood and the youth programs. Woman's Missionary Union is emphasizing service and witnessing. Sunday School is emphasizing outreach. Church Training is emphasizing leadership training and new member training. Music is emphasizing music education and music in worship. TACMO emphasizes education through media. We are indeed fortunate that these programs help our churches minister in greater, more effective ways.

OFFICE AND ADMINISTRATION

We have a new facility that all of us can be proud of, our new Resource Center. This building was dedicated in April of 1987. This portion of our budget provides the base upon which all of our ministries can be conducted. One of the recommendations from the Personnel Committee was that office equipment continue to be updated and upgraded so that the staff can function and operate more effectively. This can only be done to a limited degree in 1988. Providing the necessary tools and materials are essential if ministry is to be effective.

PROPERTIES AND MANAGEMENT

The Yates Baptist Association is fortunate to have, in addition to the Resource Center, a camp located on Wake Forest Highway. Last year's day camping program was a tremendous success because such a facility was available for use. Several churches used the camp in 1987 for camps, retreats, and day outings.

CAMP OPERATING EXPENSE-UTILITIES	$5,000.00
CAMP OPERATING EXPENSE-MAINT. & REPAIRS	2,000.00
CAMP INSURANCE	1,750.00
RESOURCE CENTER DEBT RETIREMENT	31,828.00
SUBTOTAL	**$40,578.00**
TOTAL	**$214,881.00**

Recommendation:

In addition to the adoption of this 1988 budget, the Finance Committee recommends that the association promote a special fund for persons to make contributions for day camping scholarships for the 1988 Day Camp season. Camper scholarships would be $35.00 per child.

HISTORY OF HOLLOWAY STREET BAPTIST CHURCH

Holloway Street Baptist Church had its beginning in June, 1941, in a tent revival at Flora and Holloway Streets sponsored by the Durham Baptist Council with Rev. B. E. Morris in charge. the meeting came to a close on July 13, 1941, and the church was organized at that time with a membership of seventy-one. Z. B. Teel, Sr. was called as the first pastor in August of that year. Shortly thereafter the church was granted membership in the Mount Zion Association. Services that first winter were held in Holloway Street School. The first building was built and occupied in 1942.

In the summer of 1948 Brother Z. B. Teel led the church in the construction of the present sanctuary which was formally dedicated on Sunday, July 16, 1950. The present education building was built and occupied in 1957.

Seven pastors have served Holloway Street Baptist Church in her forty-five year history. They are:

Z. B. Teel	Aug. 1941	-	Jul. 1953
Jack Wilder	Sep. 1952	-	Aug. 1960
W. Frank Marks	Mar. 1961	-	Aug. 1964
W. Gattis Perry	Dec. 1964	-	Oct. 1974
Aubrey Jones	Mar. 1975	-	Dec. 1979
Dewey W. Kerr	Jan. 1980	-	Mar. 1985
Michael E. Berryman	Feb. 1986	-	

In addition, the church has had a number of fine ministerial staff people serving in the areas of music, education and youth over the years.

Ministry to the individual and the community characterizes the rich heritage of Holloway Street Baptist Church. A day care center, rest home ministry, deaf ministry, tape ministry and a homebound Sunday School department exemplifies the servant spirit that has existed at Holloway Street.

Likewise, missions and evangelism are the lifeblood of our past and the hope of the future here at Holloway Street. A mission was started in 1958 which became Fieldcrest Baptist Church in October, 1965. W.M.U. organizations such as G.A.'s and Baptist Women promote missions education through regular meetings and special emphases during the year. Seventeen men have been licensed and/or ordained to the gospel ministry here and have gone forth preaching the word and winning the lost.

A regular schedule of Bible study and worship along with fellowship and opportunities for service sum up the history of Holloway Street Baptist Church as well as our hopes for the future. To God be the glory, now and forever more.

HISTORY OF IMMANUEL BAPTIST CHURCH

Immanuel Baptist Church was organized September 6, 1942, with 17 charter members, following a series of meetings that were held in June, July, and August, 1942.

Rev. Frank H. Marshall was called as first pastor. He served until September, 1954. Rev. Ralph Yarborough was called as pastor January, 1955, and served until January, 1960. Rev. John Joyner was called as pastor in June, 1960, and served until August, 1964. Rev. Lewis E. Wall was called as pastor January 3, 1965, and served until September, 1968. Rev. Russell L. Wimmer became pastor in February, 1969 and served until March, 1982. Rev. Dennis Hill was called as pastor August 29, 1982 and served until May, 1986. On February 8, 1987, Rev. Raymond C. Johns, Jr. was called as pastor.

The first part of our church, which houses the sanctuary and Sunday School rooms, was built in 1949 and 1950, the first service being held in the building on March 5, 1950. A parsonage was built in May, 1956, but was later sold as the pastor desired to purchase his own home.

Property for a parking lot was purchased in January, 1966. Bonds were sold to build an educational building which was dedicated March 6, 1967.

Our present membership is 378.

REPORT OF THE GENERAL BOARD

The General Board is the body which makes decisions for the North Carolina Baptist State Convention between annual sessions. The Board is made up of either one or two representatives from each association and from each region. The Board meets in January, May, and September, and can have special called meetings. Representatives from Yates Association are Rev. Jerry E. Harper, Sr. of Mount Hermon Church and Rev. Crate H. Jones of Angier Avenue Church.

This year the Board approved the report of the Council on Christian Higher Education, which recommended a five year funding of six Baptist colleges on an equal basis. The Board also adopted a proposal to enter a partnership in evangelism with the Sao Paulo, Brazil Baptist State Convention for five years. The goal would be to start 1,000 new churches in that town.

Other items included the approval of a constitution for the Fruitland Bible Institute. The proposed budget for 1988 of $9,585,000 was approved.

All of the above items will be presented for further approval at the State Convention meeting in November.

Respectfully submitted,

Jerry E. Harper, Sr.
Crate H. Jones

CONSTITUTION

Revised 1983, 1985, 1987

ARTICLE I. NAME

This body shall be known as the Yates Baptist Association of North Carolina.

ARTICLE II. PURPOSE

The purpose of this Association shall be to provide a convenient and orderly means for the extension of the ministry of the cooperating Baptist churches in Durham County and portions of Chatham and Orange counties which support the programs of the Baptist State Convention and the Southern Baptist Convention.

ARTICLE III. ARTICLES OF FAITH

The confession of faith of this Association shall be the "Baptist Faith and Message" with its five-point statement of the historic Baptist conception of the nature and function of confessionS of faith in our religious and denominational life as adopted by the Southern Baptist Convention in 1963 at Kansas City.

(Five-point Statement from the "Baptist Faith and Message")

(1) That they constitute a consensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of the salvation revealed in the New Testament, viz, repentance towards God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past, so in the future Baptist should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

ARTICLE IV. MEMBERSHIP

Section 1. This Association in session shall be composed of duly elected messengers from cooperating Baptist churches in Durham County and portions of Chatham and Orange counties and the regular elected officers of the Association and members of the Associational Board which are in agreement with the purpose as stated in Article II. MINUTES OF THE ANNUAL SESSION

YATES BAPTIST ASSOCIATION

OCTOBER 24-25, 1988

FIRST SESSION

The first meeting of the Fortieth Annual Session of the Yates Baptist Association was held at Carrboro Baptist Church, Monday evening, October 24, 1988. Moderator Frank Shipp called the meeting to order at 7:00 p.m., following an organ prelude.

Mrs. Mary Zedick, chairman of the Annual Meeting Committee moved the adoption of the program as printed and vote approved.

The congregation then sang "Blessed Be The Name of The Lord", led by Mrs. Kathie Wilkinson.

Dr. Jesse Croom, pastor of the host church, extended greetings to everyone, especially recognizing Ms. Carolyn Weatherford, and led in prayer.

The moderator recognized Ms. Nancy Curtis, executive director of the WMU staff, and Ms. Jan High and Ms. Carolyn Hopkins, her associates, as being present.

The moderator then requested that new pastors and/or staff present come forward and introduce themselves, who were:

Rev. Ed Gordon, retired missionary to the Philippines - interim pastor, Parkwood Baptist Church
Rev. Danny Glover - pastor at Cresset Baptist Church
Miss Tonya Ritchie - minister to children, Grey Stone Baptist Church
Rev. Ron Cava - pastor at Cheek Heights Baptist Church
Mr. Dan Baird - student at Southeastern and associate pastor in area of education to youth and children activities, Mount Moriah Baptist Church
Mrs. Sarah Pickens (Mrs. Andrew Pickens) - secretary at Lowe's Grove Baptist Church
Dr. Andrew Pickens - pastor at Bells Baptist Church
Rev. Bryan Chestnutt - pastor at Page Road Baptist Church
Mr. Al Huffman - minister of music, Ridgecrest Baptist Church
Rev. Carl Martin - youth minister, Ridgecrest Baptist Church

Dr. Gerald Goodwin introduced Ken and Deborah Richardson who would later present special music. They are returned missionaries and are living in a missionary house provided by Durham Memorial Baptist Church.

Mrs. Sandra Harrison, director of WMU of the Yates Association, stated "Remember Your Leaders", and introduced our featured speaker, Ms. Carolyn Weatherford, who would bring an inspirational message.

Ken and Deborah Richardson presented a beautiful medley of music with him playing the saxaphone and she the piano.

We felt very fortunate to have Ms. Weatherford, who is executive director of WMU, Southern Baptist convention located in Birmingham, Alabama, bring the inspriational message. She said the gem for a 40th anniversary is the ruby, and discussed things that an association needs to do to be "Missionary at Heart", the theme for this fortieth session.

The hymn, "At the Cross" was sung by the congregation.

Moderator Shipp thanked Ms. Weatherford for bringing such a timely message on truly being "Missionary at Heart".

Mrs. Faye Bassett, Director of Church and Community Ministries, thanked Ms. Weatherford for her message and said the association is the nearest missionary to the mission field. Opportunities for ministry in our association have exploded, and she mentioned a couple that she has been involved in. She had visited in a home where the mother was of another faith. The two children attended day camp this summer and she visited in the home several times and shared the Gospel with them. Soon after this, the mother died unexpectedly. She asked for prayers as she continues to minister to these children. She also requested prayers for a young lady who is attempting to begin a new life. She has just recently assisted her in securing an apartment.

...We need to pray for this year's toy store. Last year five people made profession of faith during this effort.
...Pray for the day camp of 1989, that volunteers and transportation will be provided.
...Pray that each of our churches will see the needs around us. We serve Him out of obedience and love.

The moderator and congregation expressd thanks to Faye and the staff for what they are doing.

The Yates Association Youth Choir presented a musical drama titled "Positive I.D." written by Nan Allen, Dennis Allen and Tom Fettke, and directed by Dr. Ran Whitley.

Rev. Marc Francis of Bethesda church closed this meeting with prayer at 9:00 p.m.

SECOND SESSION

The second meeting of this Fortieth Session was held at First Baptist Church, Tuesday morning, October 25, 1988. Following an organ prelude, Rev. Ernest Ferrell, the vice moderator, called the meeting to order at 9:00 a.m.

Dr. Ran Whitley led the congregation in singing the hymn "Praise Him, Praise Him".

Rev. Crate Jones, the interim pastor of First, extended greetings and led in prayer.

Rev. Fred Williams, director, presented the Sunday School Report (pages 50-51) and moved its acceptance. Vote carried. Rev. Raymond Johns has assumed this position for next year.

Mr. Eddie Hammett, reported for Church Training. He recommended the following materials available that would be helpful in planning Church Training: Life Curriculum, Prayer Life in 13 courses, Master Design, Parenting by Grace and others, and equipping centers. Bible materials and training materials are also available. He moved that the Church Training report (page 51) be accepted and vote carried.

Dr. Ran Whitley, director of the Music Council, presented their report (pages 55-56). He advised that they are planning some of the same activities for next year: Senior Adult Choral Festival, Children's Music Day Camp, Volunteer Directors School and Mass Adult Choir Musical. He recommended that the report as printed be accepted and vote concurred.

Mrs. Sandra Harrison, director of the WMU organizations, presented their report (pages 53-55). She was enthusiastic about their accomplishments this year. In addition to their regularly scheduled meetings, there was the centennial celebration in Richmond, Virginia, and also a centennial party at Mount Carmel for our association. The Brotherhood director joined them in the Home and Foreign Mission Study Institute. She moved that this report be accepted as printed and vote carried.

The Brotherhood Report (page 52) was discussed by Rev. Don Bowden, director. He is pleased that the WMU and men will be working together with the Home and Foreign Mission studies, and their goal this year is to have some sort of Brotherhood organization in every church. He moved the adoption of this report and vote carried.

Mr. Rich Erwin, chariman of the Missions Development Program, discussed their report (pages 59-61). This committee was formed this year, combining four previous committees, and to be in line with recommendations of the Home Mission Board. They have broken down their activities into seven ministries. He recommended that this report, down to the two recommendations for action (page 61) be accepted and vote approved.

Rev. Erwin then presented three recommendations that required action, as follows:

(1) The Mission Development Program, Executive Committee, and the Association Board recommend that Southern Baptist Chapel of Chapel Hill come under watchcare of the association for one year.

Vote carried.

(2) The Mission Development Program, Executive Committee, and the Association Board, recommend that the North Durham Baptist Chapel come under watchcare of the association for one year.

Vote carried.

(3) The Good Samaritan church has requested that they be removed from the Yates Baptist Association, as they do not wish to continue to be a Southern Baptist church.

The committee moved that their request be honored and vote carried.

Mr. George Love, chairman, reported for the Camp Committee. He advised that he thought water and sewer would probably be available to this property by the year 2000. The adjacent 500 acres owned by the Corps of Engineers can be a great asset to our 50 acres, as they can be used also. He thinks our present camp director is a great leader. He moved that this report (page 57) be accepted. Vote accepted.

Rev. Robert Phillips with the Baptist Student Ministry and located at UNC, Chapel Hill, advised that the association is involved in strengthening this ministry at N.C. Central, UNC and Duke, and they are appreciative of this support.

Rev. Ernest Ferrell, vice moderator, presented the Association Board Report (pages 48-50), and moved its adoption. Vote carried.

Rev. Crate Jones read the report of the General Board (page 82) and moved its acceptance. Vote carried.

Mrs. Faye Bassett called attention to the Audit Committee's Report (page 67). Upon motion to accept, it was approved.

Dr. Don Christian presented the Financial Committee's Report (pages 74-76). This committee feels that the proposed budget for 1989 is challenging, but realistic, and he moved its adoption. Vote adopted.

Mr. Robert Atwater, chairman, presented the Nominations Committee's Report (pages 7-8). The TACMO director is Mrs. Clara Crabtree instead of Mrs. Davis. There are some vacancies, but hopefully they will be filled soon. He moved the adoption of this report with the TACMO change. Vote approved.

The Annual Meeting Committee's Report (page 1) was presented by Mrs. Mary Zedick, chairman. She thanked Mrs. Bassett for doing the "leg work" in securing the meeting places, speakers, etc., and moved the adoption of the report as printed. Vote was unanimous.

Rev. Richard Hayes, chairman, presented the Evangelism Committee's Report (pages 58-59). In as much as the association has voted to participate in the 1990 Simultaneous Revivals, this committee is ready to lead in preparation for this undertaking. The first meeting is scheduled for January 10, 1989. The theme for this emphasis is, "Here's Hope, Jesus Cares for You", and will be held April 1-8, 1990. Moved to accept this report and vote confirmed.

Vice Moderator Ferrell asked if there were any representatives of state agencies present and Ms. Lori Rawlings said she was representing Dr. Michael C. Blackwell of the Children's Homes and expressed their appreciation for our support.

Dr. Ran Whitley introduced Rev. Jay Steelmon of First Baptist Church, who sang a medley of songs, accompanied by Ms. Miriam Davis at the piano.

Then the congregation sang, "He Lives", directed by Dr. Whitley.

Mr. George Ray introduced Rev. R. Oren Bradley, who was the first full-time director fo the Yates Baptist Assocation.

Rev. Bradley's message was titled "Born of Missions". In the beginning, a group of churches formed the Durham Baptist Council of Churches and became part of the Mount Zion Association. Later these churches decided to witdraw from the Mount Zion Association and form their own association. So the Durham Baptist Council of Churches disbanded and it was assumed that the name of the new association would be Durham Baptist Association. But during an organizational meeting it was moved that since the association grew out of missions, it would be good to name the new association after Matthew T. Yates, the first missionary to China from North Carolina, and so it became Yates Baptist Association. Rev. Bradley recalled all of the directors of the association and a lot of the pastors who were influential in the Baptist movement in the Durham area. He closed by stating that "we can't rest on the past, we have new challenges in the days ahead."

Mr. Edwin Coates, executive secretary of the North Carolina Baptist Foundation, expressed thanks for support of this agency.

This meeting came to a close shortly after 11:30 a.m. and Rev. Crate Jones gave directions about the luncheon, acknowledged the churches that provided for the meal catered by Shrimp Boat, and gave the benediction and blessing.

THIRD SESSION

The third and last meeting of the Fortieth Annual Session was held Tuesday night, October 25, 1988, at Gorman Baptist Church. Following a musical prelude, Moderator Frank Shipp called the meeting to order at 7:00 p.m.

The opening hymn, "I Stand Amazed in the Presence", was led by Dr. Ran Whitley.

Rev. Julian Motley, pastor of the host church, extended greetings, an invitation to stay for snacks and fellowship following the meeting, and led in prayer.

Then it was time for the drama that we had been anticipating. "Remembering Forty Years" was written by Crate and Harriett Jones. Crate Jones and Clay Warf were the characters in the drama. As the title suggests, the drama depicted the forty-year history of the association, recalling former pastors and directors. Dr. Warf portrayed the part of Rev. B.E. Morris, who is 99 years old and in a nursing home. A great drama and great acting.

The congregation then sang, "We're Marching to Zion".

Dr. James Murphy gave the biographical data on Dr. Thomas W. Downing, Jr., pastor of University Baptist Church, Chapel Hill, and a native of Virginia, who would bring the annual sermon.

Rev. McMillan Bare read the scripture; Hebrews 4:12-16.

Preceding the message, the choir from University Baptist Church sang "Lead Me, Lord" and "Amazing Grace".

The title of Dr. Downing's dynamic message was "The Real Jesus". He compared the movie, "The Last Temptation of Christ", with the reality of the humility of Jesus and how we should teach freedom of God's love.

The hymn, "I Am Thine, O Lord" was then sung by the congregation.

The clerk, Lois King, reported the number of registrants this year as:

Messengers	281
Pastors	44
Visitors	220 (including 65 youth)
GRAND TOTAL	545

(Later revised to 2 additional visitors, for a total of 547)

A review of attendance for prior years revealed:

1984	459
1985	576
1986	641
1987	426

She thanked the staff and volunteers for their help in the registration and extended best wishes to Ms. Dorothy Hicks, who will succeed her.

During miscellaneous business, Mr. Talmadge Lassiter shared information and concern on the continuing drug and alcohol problems in our community and requested help in combating this serious situation.

Dr. James Murphy, chairman of the Search Committee, gave an up-to-date report on the activities of this committee. First, they met with Marvin Settle and interviewed all members of the staff and asked them what they thought we needed in a director of missions, as well as getting input from pastors and lay people. They have been meeting almost weekly, have drafted a document of characteristics needed, set up guidelines for the committee to follow, and met with representatives of the Baptist State Convention for their input. Resumes have been coming in from within this association, within the state and outside of the state, and are continuing to come in. They have gone through 35 resumes but have not interviewed anyone. They covet our prayers as they continue to search for the right person.

Two new churches were voted to come under watchcare status, the North Durham Baptist Chapel with Rev. Charles Rutt as pastor, and Southern Baptist Chapel of Chapel Hill with an interim pastor, were recognized and their representatives asked to stand.

Mrs. Bassett commented on the Report of Digest of Church Letters. One of the larger churches did not get their letter completed in time to be included in all of the figures, which accounts for some of the negative figures. Hopefully these will be changed to show increases.

She then proceeded to do the "fun" part, by presenting certificates to the churches whose resident membership had increased 10% or more in the last five years, as follows:

Mount Gilead	10%
Ridgecrest	14.4%
Red Mountain	21%
Berea	23.1%
Faith	28.1%
Hope Valley	78%
Homestead Heights	84.8%

A plaque was presented to Lois King, clerk, in appreciation for her service from May 1984 to October 1988.

A plaque was presented to Mrs. Clara Crabtree as Lay Leader of the Year. Mrs. Crabtree has been TACMO director in the past and is assuming this position again next year. In addition, she worked hard in setting up the library and media room in the Resource Center and getting out current information on what's available.

A plaque was presented to Temple Baptist Church for the Church of the Year Award. She cited their decision to remain in their city location and minister to the area around them and praised them for what they have done. Dr. Clay Warf accepted this award on behalf of his congregation, who made it possible.

A plaque for Minister of the Year was presented to Rev. Elwood C. Massey, Jr. He came to Ephesus Baptist Church at a time when they were really low and he has brought new life and enthusiasm to the congregation and they are doing well.

Mrs. Bassett continued by expressing sincere appreciation to:

Carrboro, First and Gorman churches for hosting the annual meeting.

The Annual Meeting Committee, consisting of:
Mrs. Mary Zedick, chairman
Rev. John Laverty
Mrs. Nancy Lassiter
Rev. James West
Rev. Ron Harrison

Saundra Stallings and Kathy Thompson for their dedication and hard work in the office.

The volunteers who helped put the Book of Reports together:
Peggy Brown, Mount Moriah
Rachel Churchill, Mount Pisgah
Mable King, Ephesus
Hazel Pickett, Yates
Linda Terry, North Durham

Dr. Ran Whitley, the Music Council and all youth.

Dr. Thomas Downing for brining the annual sermon.

All speakers and participants.

All volunteers.

Officers and members of committees.

Moderator Frank Shipp thanked Mrs. Faye Bassett for her part in carrying on the work of the association.

The closing hymn was "Leaning On the Everlasting Arms", followed by Rev. Ernest Ferrell, vice moderator, leading the benediction.

Thus, the Fortieth Annual Session ended at 9:05 p.m., and refreshments and fellowship were enjoyed in the fellowship hall.

Lois King
Clerk

REPORT OF THE SUNDAY SCHOOL

The 1987-88 year has been a year of change for us in Yates Association as we experienced the loss of our Director of Missions and the relocation of many pastors and staff. These changes can, however, provide us with fresh opportunities for rethinking our task and remotivating ourselves to a new and higher level of service than ever before. During the past year, some churches have caught this vision and have begun to take a closer look at their Sunday School methodologies. Churches like Lakewood, Mt. Hermon, Mt. Moriah, Temple and others spent time studying the Sunday School Growth Spiral to see how to apply it to their own situation. Rev. Ron Harrison of Plainview Baptist Church, our Growth Spiral consultant, is available to help your church as well to consider this effective plan of Sunday School growth and development.

Rev. Raymond Johns, our Associational Outreach leader, attended the Outreach Directors' conference at Ridgecrest this spring and has plans for a Home Bible Study Workshop in the months to come. This method may become one of the most productive ways of reaching the new people moving into our area, many of whom are not familiar with Southern Baptist churches.

We were again blessed with the outstanding leadership of Darlene Harrill, as our Vacation Bible School director. We had an excellent training conference at Holloway Street Baptist Church this past spring for all our Yates VBS workers. If you have not elected your church VBS director for the summer of '89, please do so right away so that he or she can take full advantage of the '89 VBS workshop by having your church's workers selected in time to be present!!

On August 30, we had our Sunday School Teachers' Workshop at Bethesda Baptist Church. Rev. Ron Harrison was our keynote speaker on the importance of Sunday School in fulfilling the Great Commission of both the Old and New Testaments (Deuteronomy 31:12-13 and Matthew 28:19-20). This address in itself made it well worth being there; but, in addition, we had age-group training by Irene

Bagwell, Fred Williams, Marc Francis, Ron Harrison, and Raymond Johns. Though we had good attendance at the workshop this year, check your associational calendar so that your church's Sunday School teachers can be there in force next year.

Again, we give thanks to our great God and Savior, Jesus Christ whose help, wisdom, and guidance lifted up our weaknesses during this past year so that we could have some small part in building His kingdom.

Respectfully submitted,

Fred M. Williams, III, Director

REPORT OF CHURCH TRAINING

This has been a good year for Church Training. Many exciting things have happened.

We started the 1987-1988 year off with M Night which was a great success. This was on November 23, 1987 at Grace Baptist Church, with more than 100 people in attendance. The New Jerusalem Church choir presented the special music. Dr. Fred Anderson, from Richmond, VA, brought the message in dramatic form. The topic was on "Early Baptist Preachers". This ended with a variety of workshops. Some of the Bible Drill participants from Bethesda Baptist Church shared with us some of what they had learned from the Bible drill.

Key Leadership was in May, 1988. The theme was "Sharing the Dream". I was able to attend and enjoyed it very much. The workshop that I attended was "Ingathering", reclaiming inactive members.

We had more churches to participate in the Children's Bible Drill for 1988 than ever. We had a total of 19 to go to the State Tournament. This included one youth. We are very proud of this and hope to have even more next year.

Thank you for letting me serve as your Church Training Director. I've completed my second year and am just beginning to learn what I'm supposed to be doing.

Ginger Stanhope, Director

REPORT OF THE BROTHERHOOD

The Yates Association Brotherhood officers and church leadership met in quarterly sessions during the 1987-1988 Associational Year. The purpose was to increase fellowship, share ideas, strengthen leadership, and to promote Brotherhood work in the churches. We enjoyed several guest speakers who related helpful information, ideas, and new programs.

Brotherhood Director, Don Bowden, and Royal Ambassador Director, Candace Black, attended the statewide workshop at the Caraway Conference Center in August. A local workshop was held on Tuesday, September 6, 1988, at Lowe's Grove Baptist Church. Mr. Bowden has also been asked by the State Brotherhood leadership to help conduct other workshops in neighboring Associations.

During the year, a survey was sent to all churches in the Yates Association, requesting updated information on the extent of local Baptist Men/R.A. work. A goal was then established to ask and help each church not already involving men and boys in missions, to establish at least one program for men and/or boys. The goal is to begin at least one new program, such as High School Baptist Young Men, or Baptist Young Men's group.

This past year also saw the completion of Bahama Baptist Church, and the Leesville Road Church, both with much volunteer labor supplied by the Yates Association and other Associations in North Carolina, under the leadership of the State Convention. Additionally, several R.A. events were held, including the annual Car Race, and Track Meet.

In terms of future goals, we will continue having quarterly leadership meetings to discuss work related to the major subdivisions of Yates Association Brotherhood work, namely: Baptist Men, High School Baptist Young Men, Royal Ambassadors, Prayer Group, Sports Group and Work Group. We shall promote missions by working with the WMU leadership in promoting and teaching the Foreign and Home Mission Studies, along with other avenues of cooperation. We have ordered the "Men In Missions" video, a VHS format videotape which the State Convention will produce bi-monthly, and which will have a format similar to the Foreign Mission Board's "Update" series. We will promote the North Carolina Baptist Men's Convention in First Baptist Church, Charlotte, from January 13-15, 1989. This is a change from previous years when the meeting was held prior to the State Convention.

We urge participation in all aspects of our mission work, that the cause of Jesus Christ will be strengthened and enlarged.

Donald L. Bowden, Jr., Director

REPORT OF WOMAN'S MISSIONARY UNION

Remember your leader, those who spoke to you the word of God: consider the outcome of their life and imitate their faith. Jesus Christ is the same yesterday and today and forever. (Hebrews 13:7-8 RSV)

With this truth from God's word, this year Woman's Missionary Union began a "One Hundred Year Birthday Celebration" that will never be forgotten. The year long celebration has been one of great joy and excitement. WMU has looked back to the past with awe as we realize all that God has done. We have examined the present and praised the Lord for His miracles and now we press on to the future. The 1987-88 year will be a year that will forever be written upon the hearts of those who love the Lord and love missions. While anticipating the new church year that will begin in October, September 1987 brought a fantastic WMU Leadership Conference. Bethesda Church graciously invited the Association WMU Council to use their facilities and then served a beautiful salad luncheon to 177 officers and leaders who had attended one of 7 conferences. We praise the Lord that there were leaders from two other associations at these conferences. We greatly appreciate Pastor Ernest Ferrell and Bethesda Church for their show of love and support. This year the directors and their assistants from Baptist Women, Acteens and Girls In Action were asked by the N.C. State WMU to teach in the WMU Leadership Conferences in several other associations. We are thankful for God's open door of service.

October and January brought the Home and Foreign Mission Study Institute. This year Directors of WMU were joined by Brotherhood Director, Rev. Don Bowden in the Foreign Mission Study Institute. Dorothy Hicks, Assistant Baptist Women's Director, and I taught the study many times in our association and other areas. Baptist Women started the year of celebration in October with an exciting Centennial Prayer Retreat from the past, complete with popcorn, hot tea and ginger bread with lemon sauce. All those who attended agreed that they were blessed by the presence of our Lord Jesus as they sought Him in prayer.

In November and March the Yates churches took part in the National Missions Prayer Plan. November was the month that Baptist Women spent a beautiful day worshipping and praying as they led the Baptist Women's World Day of Prayer. The observance was held at Lincoln Memorial Church in the morning and Lakewood Church that night. Geraldine Mitchell, Baptist Women Director, led the Day of Prayer.

In November and December there were times of joy as WMU was a part of providing toys for needy children by supporting and being a part of the "Yates Association Toy Store Ministry"! Yates WMU always looks forward to January. The Association WMU Council invites the church WMU Directors from our 53 churches to be a part of the regular Association Council Meeting. This year's meeting was one of hard work and great fellowship! January was also a month filled with celebration. Homestead Heights hosted a "Century to Celebrate Teacher's Workshop". This was a time of teaching the history of Woman's Missionary Union for all age levels. This history was taught again in April for Adults at Holloway Street Church. Focus on WMU came in February. During this week I, as on many other occasions during the year, was invited to speak on Sunday and Wednesday to our Yates churches. I praise the Lord for the opportunities to share missions. This month Mission Friends had a Leader/Director Luncheon at Immanuel Baptist Church. The Luncheon was a great success. February also brought a Mission Action Workshop. Those who attended this conference were reminded many times that Yates Association is a mission and ministry field, "white already to harvest" (John 4:30). Darlene Harrill led the Baptist Women so beautifully down memory lane in February during the "Alma Hunt Remember" monologue and the birthday celebration centennial continued. March blew in with a Baptist Young Womens Salad Supper led by Kim Jones BYW Director. The response and fellowship of the Yates Churches was overwhelming.

Toni Clark, G.A. Director and Nora Whitley, her assistant held a GA Training Conference at West Durham in March. Yates WMU Directors are always willing to go the second mile to accomplish good missions work. Mrs. Beth Oakley, Foreign Missionary from Benin, was guest speaker at a MotherDaughter Let's Celebrate Banquet". The banquet was held in April with over one hundred and twenty guests attending.

The Mission Friends Directors of Yates Association have been movers and shakers this year. Debbie Tuck, Director and Guynell Clary, her assistant, offered an outstanding missions fair in April for the older Mission Friends and their parents. The fair was held in the Grey Stone Family Life Center. The fair gave those who attended the opportunity to see the evangelistic puppet and clown ministry of Plainview Church, meet Philip and Beth Oakley, missionaries to Benin, and enjoy mission learning booths. What a wonderful missions learning experience for preschoolers, parents and leaders.

The month of April continued with the 39th Annual Session of Woman's Missionary Union. The session was held at Ridgecrest Baptist Church and what an celebration this was! The church was decorated with dresses for the 1800's, Bibles from the 1700's, minutes from Baptist Women meeting of 1902, and beautiful three tier birthday cake and much more. The sanctuary displayed the centennial quilt made by many of the women in our Yates churches for the Centennial Year. The hard work, to make this beautiful centennial quilt, was lead by the 1987-88 Centennial Chairman - Cathy Greene. Cathy helped to make this year's long birthday celebration one to be remembered. The speaker for the Session was Catherine Allen, Associate Executive Director, WMU, SBC. Mrs. Allen reminded us of our heritage and sacrifices made by those who have gone before us. Catherine also pointed each person to the future, a future to continue to serve God and to meet the challenges with joy.

The WMU Annual Meeting this year challenged each person to put others first. WMU set a Mission Action example. The Church WMU Director of group three, led by Beverly Clark, the Association Council and I felt led to cut the cost of the evening meal. The Lord performed a miracle and this year over 350 people enjoyed a wonderful salad dinner and Yates WMU gave over $800 to the Crisis Ministry for our area. During the sessions, Yates WMU received from WMU, SBC the highest award of Distinguished for missions work done in 1987-88. In May at the Key Leadership Conference, Yates Association won an award for growth. To God goes all the glory for this Annual Meeting!

Woman's Missionary Union's birthday year exploded on May 13-14, as Yates Association WMU joined the WMU, SBC and friends from all over the world in Richmond, Virginia for a glorious celebration. It was an honor to represent Yates Association in all the Centennial events. What a joy to carry the Yates Banner as I led North Carolina representatives to a cheering crowd of 19,000 people. It was a glorious celebration of thanksgiving to a wonderful Savior like the Lord, Jesus who has led 100 years of missions work. On May 15th Yates Association had a Centennial Birthday Party at Mount Carmel Baptist Church. Over 300 guest saw old cars, dresses, an Alma Hunt monologue, old buggies and many other things from our past. Cathy Greene, Centennial Chairman and Jean Atwater, Assistant BYW Director worked very hard to make this day a great celebration. At the celebration, Rev. Ron Harrison of Plainview brought an inspiring message which challenged us to be excited about WMU heritage and to continue to follow the steps of Jesus as we walk on holy ground. Jean Howerton then brought us to Jesus' feet as she sang

"On Holy Ground". It was at this celebration, the beautiful Centennial Quilt was presented to Rev. Marvin Settle, Director of Missions, representing Yates Association. The quilt hangs at this time upstairs in the Resource Center. What a day to remember!

In June the Association Council came together for fellowship. We feel the most important thing we do every year at this time is to join our hearts and minds and kneel at our Lord's feet. We thank Him for what He has done and again dedicate ourselves to follow Him in Missions.

The Yates Association WMU Council believes in training so that we can give our best to the Savior. So in July, we go to Ridgecrest and in August, we go to Caraway for missions training.

At this time, the Association Acteens have established an Acteens Planning Council and they also had an Associational Acteens Overnight Studiact Workshop. We are so excited about the new Acteen organizations that have been established this year. Acteens continue to go forward! In the past three years, the North Carolina State Acteens Advising Panel was established and Yates has had three girls chosen to serve. Sarah Echel of Cresset, Cathy Isaacs of Grace and Ann Ferrell of Olive Branch. We are proud but also thankful.

At this time, our records show there is only one church in Yates Association without WMU work.

All this year, we have remembered our past and thank our heavenly Father for those who walked before us. We thank Him for their sacrifice and dedication that sometimes even cost them their lives. But now, we press on to the future. We move into the second century of WMU with great hope and excitement. For the one who led Annie Armstrong and Lottie Moon is still leading today. Jesus Christ, the same yesterday, today, and forever.

The 1903 annual report of Annie Armstrong contained these words, "Go forward into the new year with faith, strengthen by a glimpse into our past God directed history with courage, strong to bear the burdens of today. Knowing that Christ is with us all the days and with hopes high because we are part of that plan of the ages which shall sooner or later usher in the Kingdom of our Lord Jesus Christ". To this we of Yates Association WMU say, "lead on O King eternal, for we would follow Thee into the Second Century".

Sandra Harrison, Director

REPORT OF THE MUSIC COUNCIL

This past year was very active and productive in the area of music ministry for the Yates Association. The Music Council planned and executed various programs and events designed to reach people, strengthen the music ministry of local churches and promote fellowship throughout the association. The highlights of 1987-88 are the following:

1) An adult choir festival was held on March 15, 1988 at Yates Baptist Church. Mike McKeown, Minister of Music at Trinity Church, Raleigh was the guest clinician who led the combined choirs of Yates Association in an inspirational music experience. The combined choir prepared two anthems for worship. The evening concluded in a praise service utilizing the prepared

anthems, hymns, prayer and scripture. Eight churches were represented with a total attendance of 75.

2) A children's choir camp on July 18-22, 1988 was co-sponsored with Grace Baptist Church and directed by Burke Raper. Guest clinicians were Terry Kirkland from Nashville, Tennessee and Ramona Prestwood from Enfield, NC. The highlight of the week was a concert on July 23 which was broadcast on Durham Cable Channel 8. The older children presented the musical, God Made Me a Specialty. The younger children performed various anthems. Over 20 churches were represented with 115 children present. Many thanks to Grace Baptist Church and the 45 volunteer workers and leaders.

3) A workshop for volunteer leadership was conducted on August 23, 1988. Patti Lingafelt directed the workshop which offered training in the areas of preschool and children's music ministry, piano and organ literature and basic choral conducting. Nine churches were represented with an attendance of 32.

4) The council is currently organizing a mass youth choir to perform the musical drama Positive I.D. at the annual meeting on October 24 at Carrboro Church. The musical conveys the message that every new day presents a challenge for Christians to identify with Christ and to conform their outlook and actions with the mind of Christ. The council believes that the message will have impact on the messengers in attendance as well as the youth as they prepare the musical.

Next year also promises to be a productive season in ministry. Listed below are the scheduled events for 1989:

1)	Senior Adult Choral Festival	March 7, 1989
2)	Children's Music Day Camp	July 17-21, 1989
3)	Volunteer Director's School	August 22, 1989
4)	Mass Adult Choir Musical	October 23, 1989

The Music Council of Yates Association continues to be one of the most active and enthusiastic in the state. I would like to extend my personal appreciation to the members of the council for their labor in associational music ministry and their support of the various programs and events. Their professionalism, competence and calling to the Gospel ministry are to be highly commended. It is a pleasure and a blessing to serve with them.

TACMO REPORT

"Media Libraries...Improving Learning" was the theme this year for TACMO. That has been the underlying purpose and goal of each of this year's activities and programs.

Each church in the association received a survey form for the purpose of learning names of church librarians and the needs and activities of the church media library programs. Only 13 churches responded to this survey. TACMO's major concern has become how to identify needs and provide assistance in meeting the needs of individual churches relating to their library program.

TACMO members are continuing training in courses provided by Yates and surrounding associations. This year, eight librarians from Yates Association attended the "How to Process Media" course in October, six attended "How to Administer and Promote a Church Media Library" in February. Five went to Caraway in April for the annual conference workshops, two went to Ridgecrest in July and fifteen participated in "How to Repair Books" in August.

Thelma George of Park View taught the course on book repair at Caraway in April and at Park View in August. There were church librarians from Tarboro, Roxboro, Charlotte and Yanceyville at the August workshop. Bob Goode, from the State Convention office, was a "special guest" student! He also attended the November meeting.

Along with the training, sharing is an important part of the TACMO program. A bibliography of books on Baptist Heritage was distributed at the November meeting. Workable ideas and various problems were shared at the May meeting.

The organization has not grown in number this year, but all members have realized growth in knowledge of "how to" and of the importance of their responsibility in their own church.

REPORT OF THE CAMP COMMITTEE

The Camp Committee has re-marked the property lines. We are still concerned that the area stated to be a wildlife reserve was turned over to the Wildlife Commission as Game Lands and anyone with a special permit can hunt deer up to our property line with high powered rifles. The good part is that hunting is allowed for only two months of the year and not allowed at all on Sundays.

The hand pumped well that was left on the property, if sold and maintained, can be a bonus for hikers. I have seen a beaver swimming in the creek and many deer tracks.

The work in developing the Matthew Tyson Yates birthplace and the lodge have no market value as they have considerable value to our churches.

REPORT OF THE DEACONS COMMITTEE

Our committee sponsored a DEACON TRAINING WORKSHOP for our associational churches on March 15, 1988 from 7-9 p.m. Four workshops were offered and the conferees could select two which they would attend. The five workshops were: 1) The Spiritual Life of the Deacon; 2) Taking the Deacon Family Ministry Plan Seriously; 3) Deacons Responding to Grief; 4) Helping Deacons Work out of Giftedness. First Baptist hosted this conference and over 100 deacons attended. All sessions were video taped and are available in our associational office to be used in our local churches as continuing training tools.

To follow up this meeting, we mailed surveys to all churches in an effort to help us evaluate and plan for the 1989 Deacon Workshop. Sixteen churches responded by returning the survey and our committee then telephoned other churches to seek their input for our future planning.

We have also, through the help of TACMO, placed five videos in our associational library that are excellent training tools for deacons' meetings, etc. These are available from our associational office.

Our Yates Associational Newsletter now has a deacon section with training resources and information for our deacons.

Our committee is a resource item for you. We are available to assist you in any way.

REPORT OF THE EVANGELISM COMMITTEE

Here's Hope, Jesus Cares for You.

This is the emphasis for the 1990 Simultaneous Revivals scheduled throughout the Southern Baptist Convention. The Evangelism Committee of the association has recommended that we participate in the 1990 revival emphasis as it relates to the 1988-89 convention theme on the "Year of the Laity" and as a follow-up to the 1986 revival effort of "Good News America". To prepare ourselves to be vessels of revival, your associational Evangelism Committee is ready to lead in preparation through encouraging, training and prayer.

First, our associational evangelism conference will be the launching event for a year of preparation for the "Here's Hope" 1990 Simultaneous Revival Emphasis. Our evangelism conference is scheduled for March 14, 1989.

Second, during the year preceding the revival, each church is encouraged to participate in a Lay Evangelism School. The school should be scheduled as soon as possible to provide ample planning. Your church can receive assistance in preparation and in teaching through the associational office or the Evangelism Department of the Baptist State Convention.

Third, the associational steering committee for the 1990 revivals will have an orientation led by a state-trained resource person on January 10, 1989. The associational steering committee will coordinate with the local churches in electing their own steering committees and orientation for those committee chairpersons will be held on January 9, 1989.

Much encouraging, planning and prayer are a must and will take place before April 1-8, 1990. May we unite together as local churches of the Yates Association to share with people of the Triangle of North Carolina, "Here's Hope, Jesus Cares for You".

Richard T. Hayes, Chairman

REPORT OF THE MINISTERIAL CARE COMMITTEE

The Ministerial Care Committee continued to be very active this year along two major avenues. First, we continued in our support of ministers in need of emergency assistance. God has blessed us with the opportunity to offer financial assistance through the MINISTERS' EMERGENCY FUND, and also to offer counseling support through various channels in our association.

Secondly, we sought to strengthen the ministers through educational opportunities. On May 5, a day long retreat was held at the Resource Center. The theme of this meeting was "Ministering in the Face of Change". Dr. Bob Dale of Southeastern Seminary and Dr. Garland Hendricks of Gardner-Webb College were the featured program personalities.

I am grateful for the accomplishments in the area of ministerial care, but realize that there is much yet to be done. I appreciate and thank each member of this committee.

James I. Murphy, Chairman

REPORT OF MISSIONS DEVELOPMENT PROGRAM

During the 1987 Annual Meeting, a recommendation was approved combining the Missions Committee, Community Ministries Committee, Student Work Committee, and Interfaith Witness Committee to form the Missions Development Program.

The Missions Development Program is responsible for developing and implementing the missions strategy of the association. The Missions Development Program affirms the need of churches to be on mission in their setting; leads churches to accomplish missions through Church Missions Development Programs; supports church missions organizations. The Missions Development Program calls the association to be on mission in its setting; develops and implements a strategy for missions; keeps the association aware of the need to provide resources, missions skills training and opportunities for missions involvement; develops missions methods that inspire and motivate churches and individuals to engage in missions; acts on behalf of the churches within the association. Component programs consist of (1) church extension, (2) language missions, (3) church and community ministries, (4) chaplaincy ministries, (5) interfaith witness, (6) Black church relations, (7) special mission ministries, (8) student ministries, (9) church loans and church pastoral assistance approvals.

The Missions Development Program has been involved in a number of activities and ministries this year.

CHURCH EXTENSION - We have reviewed with congregational members the organization of the Southern Baptist Chapel of Chapel Hill and the North Durham Baptist Chapel.

We have provided recommendations to assist Bahama, Leesville Road, North Durham Baptist Chapel, and Southern Baptist Chapel of Chapel Hill in receiving pastoral assistance as requested.

We support and encourage New Jerusalem Baptist Cathedral as they begin the construction of their building. We encourage lay volunteers to assist in this construction. Projected dates for various aspects of the construction may be obtained from the association office.

The Multifamily Housing Conference, held September 26, was a highlight for the year. Dr. David Beal, Home Mission Board consultant, and state and local consultants led the workshop. Seventeen churches were represented. A date for a follow-up workshop will be announced.

COMMUNITY MINISTRIES - The sewing class for inner city mothers continues to meet weekly at First Baptist Church. A place to hold an evening class is needed and we are also seeking a teacher for that class.

Toys (total value of $6,000 - $7,000) were donated to the 1987 Christmas Toy Store. Forty churches participated, 90 families (272 children) were helped, 5 professions of faith were made, several rededications resulted from this ministry and over $1,200 was placed in Crisis Ministry. You are encouraged to participate in this year's Christmas Toy Store.

Disaster Relief Training was held February 27.

Day Camp 1988 was very successful. The four-week long camp had over 80 children enrolled. The participation from the churches was fantastic. In 1987, 13 churches participated while 40 churches participated in Day Camp 1988.

The December Bloodmobile, co-sponsored by the association and Durham Memorial, netted 62 units of blood. This year, we have two locations and dates for this drive - Tuesday, December 6, Yates Baptist Association Resource Center, and, Saturday, December 10, Durham Memorial Baptist Church.

LANGUAGE MISSIONS-INTERFAITH WITNESS - We are supporting and assisting Carrboro Baptist Church in the ministry of the Korean Mission. We are beginning to investigate the need for a ministry to the Spanish in our area.

CHAPLAINCY MINISTRY - The prison ministry at Guess Road Prison Unit sponsors a Bible study each Wednesday night of the week. Also, on each fourth Wednesday, the ministry sponsors a Fun, Food and Fellowship night. Churches are needed to sponsor the fourth Wednesday night event. We are investigating ways to inform churches of the opportunities available for them to assist in this ministry. Rev. Boyce Kimball serves as Chaplain and Ms. Joy Maddrey assists him.

Rev. Phil Wiggins serves as Chaplain to the Durham Police Department. Bibles are given to each graduate of the Police Academy.

BLACK CHURCH RELATIONS - This subcommittee is searching for ways Yates Baptist Association can best interface with local black associations. Plans are to contact the Baptist State Convention to see if other associations are developing or have developed a Black Relations program.

SPECIAL MISSION PROJECTS - Churches were encouraged to promote the Habitat for Humanity Walk that occurred during the summer. Several associational churches have been active in the efforts to build houses in 1988. Work groups from several churches gave many hours of volunteer labor. Two churches provided hospitality for out of town work groups by allowing them to live in their church facilities for a week. Four members of the 12-member Board of Directors are members of Yates Baptist Association churches.

STUDENT MINISTRIES - We assist through the budget the student work at UNC at Chapel Hill (Robert Phillips, Chaplain), Duke (Velma Ferrell, Chaplain) and Paige Chargois (Chaplain). Volunteers from associational churches are encouraged to assist in various ways. Churches provide opportunities for student groups to assist in worship service, special programs and concerts.

Thank you for your prayers and support.

RECOMMENDATIONS FOR ACTION

(1) The Missions Development Program, Executive Committee, and the Association Board recommend that Southern Baptist Chapel of Chapel Hill come under watchcare of the association for one year.

(2) The Missions Development Program, Executive Committee, and the Association Board, recommend that the North Durham Baptist Chapel come under watchcare of the association for one year.

REPORT OF THE ORDINATIONS COMMITTEE

Ordination has been a subject much debated in recent days. The Ordinations Committee urges each Christian to study the Scriptures personally about this issue so that a decision can be made under the leadership of the Holy Spirit instead of the spirit of the times in which we live or the deadening spirit of the traditions of men.

Since each Southern Baptist Church is autonomous and can choose to ordain a person in its own right, the prevailing philosophy of the committee chairman has been to seek to make plain to the ordaining church just what the belief structure of their candidate is so that they might be able to ordain him in all good conscience.

Candidate	Ordaining Church
Tom Ogburn	Parkwood
Ingil Cho	Korean Mission
Patti Lingafelt	Lowes Grove
Jimmy Camp	Hope Valley
Will Ward	Carrboro

Benjamin Littlejohn, Chairman

REPORT OF THE PERSONNEL COMMITTEE

The Personnel Committee met several times during the year and the following resulted:

(1) We accepted the resignation of Mrs. Martie McMahon as Administrative Assistant. Mrs. Kathy Thompson was employed to fill this position and began

work on May 2, 1988. She has learned her work quickly and is a hard worker.

(2) In honor of Faye Bassett's 10th anniversary with the association, it was recommended the association approve the expenditure of $750 to cover the cost for her to attend one week at a Christian Social Ministeries Conference at Southern Baptist Theological Seminary, November, 1988.

(3) The committee recommended that a change in classification and job description for the Director of Church and Community Ministries be made to include supervision of office personnel during the absence of the Director of Missions.

(4) The committee recommended that during the absence of a Director of Missions, Mrs. Bassett's pay be increased $500 per month. These additional funds are to come from the DOM salary item in the budget.

Annual staff reviews and performance evaluations were conducted. The committee was impressed with the fine staff.

Please remember the staff in prayer as they serve during this interim period.

Respectfully submitted.

A.C. Sorrell, Chairman

REPORT OF THE PUBLIC RELATIONS COMMITTEE

The theme for Associational Emphasis Week was, "Yates Association: Missionary at Heart". During this special emphasis week, the association provided posters and offering envelopes. Churches were encouraged to pray for associational mission and ministries through the association. They were also encouraged to visit the Resource Center during the week.

For the week's emphasis and the 40th anniversary of Yates Baptist Association, the portraits of all Director of Missions for Yates Association from its organizational date in 1948 were framed and hung in the upstairs hallway of the Resource Center.

The churches were also encouraged to give an offering to sponsor the Day Camp for inner-city children at Yates campground. The cost per child was $35. During this emphasis, the sponsorship reached 81 children for a total offering of $2,841.75. Volunteers were also needed to help with Bible study, crafts and other activities as well as those who could provide and/or make lunches for the day camp.

There are many ministries and opportunities for volunteers in promoting ministry through "Yates Association: Missionary at Heart".

Dorothy Hicks, Chairman

REPORT OF THE SENIOR ADULTS

Attendance at quarterly meetings of the Associational Senior Adults continues to average over a hundred with a few more churches joining us this year.

The programs have been interesting and varied. In November, the Hee Haw Gang from Southern Pines presented a take-off on the television program with forty-five very energetic senior adults from the Southern Pines Church. The program was spiced with music, jokes and poems. It was found necessary to cancel the February meeting because of the sleet storm.

At the May meeting, the Rev. Crate H. Jones spoke on the opportunities of adults in retirement and how they can contribute in their churches and in the community. The August meeting featured a sound-slide presentation, "A Visit To Canyonland", by Floyd and Margaret Rhodes. Visits were made to Grand Canyon and Zion National Park.

One of our goals is to have representation at our meetings from all the churches in the Association. Why not come and join us?

Respectfully submitted,

Margaret Rhodes, Jr., President

REPORT OF SINGLES OVER 50

Singles over 50 of Yates Baptist Associaiton have enjoyed a year of fellowship, learning and entertainment.

We have had a monthly meeting on the first Saturday of the month, 1:00 p.m. except for July.

Some of our meetings have been in churches and some in local restaurants.

Helen Mumford has been in charge of our monthly programs. We were entertained by the Soloist, David Phipps and Rev. and Mrs. Crate Jones. A representative from Ronald McDonald House shared about their ministry to the community and we collected paper products for them. One month, Mr. and Mrs. Fred Herndon showed slides and talked about their trip to Russia.

We learned more about our city as we viewed the film, "City of Medicine". Ted Stone came and shared his ministry of Drug Enlightment, also. A June picnic in the park (Wrightwood) was a good beginning of summer. Some meetings were just for fun as we played games and reminisced about school days, etc.

We invite all singles over 50 to come and be a part of our organization. We meet on the first Saturday of the month. Meeting places are in the Yates Newsletter.

REPORT OF THE YOUTH ADVISORY COMMITTEE

The Youth Committee has had a great year. Edith Shumate did her supervised ministry with Yates Association and was responsible for the excellent start. Last fall, we participated in a youth rally for the World Missions Conference at Durham Memorial. Also, we held a talent show at Temple. During the spring, we held a swim party at the YMCA, and youth workers' conference at Grey Stone. Just recently we sponsored Youth Olympics at Hope Valley.

I thank each youth, youth minister and church that has helped to make this year a good year. Let us carry the excitement into 1989, as we share and fellowship in Christ. Be on the look out for our mission project upcoming.

DIRECTOR OF MISSIONS REPORT

I write this report for you as I prepare to leave my dearest friends to move to Virginia Beach, Virginia. As I said to many of you, this has been the most difficult decision of my life, because I love you so very much.

You have been so positive in support of my leadership and the leadership of the Holy Spirit. For that support, I will always be grateful.

In the last four years, we have accomplished a great deal. We created, funded, and called a Director of Church and Community Ministries.

New churches have been started, including Leesville Road, Bahama, New Jerusalem, Southern Baptist Chapel of Chapel, and North Durham Baptist Chapel. We have also started a Korean Mission in Carrboro.

Several churches engaged in PACT studies and almost half of our churches have engaged in Long Range Planning.

We have developed and begun training for a local disaster relief plan.

Giving to associational missions this year will be up 65% over 1984 giving.

We have printed and made available to our churches, materials for associational emphasis week each of the last four years.

We have upgraded office equipment, including the purchase of a computer. However, two more computers are needed so your staff can work more efficiently.

We have reorganized the Brotherhood to make it more effective and get men and boys involved in mission projects.

We conducted a highly successful World Missions Conference.

We constructed a new Resource Center that is serving as a model for other such centers across our convention.

The only area of association life I am very disappointed in is the lack of growth of our churches. Only 10 - 12 churches have shown any significant growth. Yet, this area continues to grow by a much larger rate.

The future for Yates Baptists is very bright. With a new director of missions that is visionary and close to the Lord, then Yates Baptists should continue to grow, prosper, and minister in the name of Jesus Christ.

Thank you for the opportunity that has been mine to minister in your behalf.

Respectfully submitted,

Marvin B. Settle, Jr.

REPORT OF THE DIRECTOR OF CHURCH AND COMMUNITY MINISTRIES

Yates Baptist Association, a family of churches, has extended its ministries throughout our area over this last year. We continue to commit our talents, facilities and financial resources to the mission opportunities before us. Volunteers have increased. Fellowship continues to be strong. Prayerfully, we continue to reach out and touch those who have spiritual, physical, and material needs.

Crisis ministry has exploded with opportunities for ministries with many individuals and families.

We touched a mother of another faith and her children through crisis ministry and day camp. We gave the mother several versions of the Bible and shared comforting scripture passages as prayerfully we worked through difficult days. She related that this was the first time someone had taken time to do this. The two children enjoyed the activities of day camp and appreciated the love and concern they received from day camp leaders. How thankful we felt that we made a difference and had the opportunity to share Jesus' love with the family as we visited in the home. For it was after this that the mother died quite unexpectedly. Can you imagine, or maybe you have experienced, the arms of a small child holding you tightly as the child tries to comprehend what has happened and why mother is no longer available to hold and comfort?

Thank you for providing the means for us to have the opportunity to reach out and touch and comfort and bring some light in the darkness.

Pray for the young lady who is attempting to begin a new life. Thank you for providing the means to assist her, thereby making a difference in her life. We have assisted by helping her secure an apartment. We have assisted by our availability to assure support, comfort, and tell her of Jesus' love for her. Leaving an old life is not easy. It is your generosity and Christian concern that have paved the way to open new doors and provide opportunities to share the Gospel with this woman.

Pray for this year's Christmas Toy Store that God will send forth volunteers who feel a sense of call to minister and witness in this outreach effort. Because of your concern, five people made professions of faith last year during this ministry effort. It is through these mission opportunities that we find our own ministries and serve as the witnesses God intends us to be.

Pray for Day Camp 1989. Pray that committed and loving leaders and volunteers will be available. Pray that transportation will be provided. Pray that the hearts of individuals touched by this ministry, as well as all of our ministries, will be receptive to God's message.

Pray that members from our churches will seek to find the ministry that God has for each of us. Hurting people surround us. If we don't see and meet the needs, who will? It's not enough to see needs. We must also search for the needs. God is so generous to us. It is out of gratitude, love, and obedience that we serve Him.

Let's GO to a world that needs Jesus.

Respectfully submitted,

Faye Oakley Bassett

We have reviewed the accompanying statement of assets, liabilities and fund balances arising from cash transactions of YATES BAPTIST ASSOCIATION as of December 31, 1987, and the related statement of revenues collected and expenses paid for the year then ended, in accordance with standards established by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of YATES BAPTIST ASSOCIATION.

A review consists principally of inquiries of company personnel and analytical procedures applied to financial data. It is substantially less in scope than an examination in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with the cash basis of accounting, as described in Note #1.

1989 MINISTRY ACTION BUDGET

FELLOWSHIP, MISSIONS, AND EVANGELISM

It is difficult to say that one section of a budget is missions and another section of the budget is something else. All that an association does is missions, in the broader sense. For 1989, $24,430.00 is needed to accomplish special fellowship, missions, and evangelism projects. Yates Baptist Association is on the Home Mission Board's schedule for Metro Thrust in 1990. Training/orientation for this event begins January 1989. Metro Thrust is designed to help associations in select metropolitan areas do strategy planning and discover linkages to resourcing these strategies as needed and available. We continue an effective ministry with students at UNC, Duke, and NCCU. We support our new churches/missions - Carrboro Korean Mission, North Durham Chapel, and Southern Baptist Chapel of Chapel Hill. The Community Ministries program also needs funds to minister to police officers, mothers, and families in need. Many other ministry opportunities are made available through this portion of our budget.

Our Personnel Committee believes that we have assembled one of the finest association staffs in the country. The Personnel Committee would like to have done more in the way of salary increases; however, with limited funds, we feel this is the best that we can do at this time. Our staff plans, coordinates, and conducts the administration and actual ministry of many association programs.

ORGANIZATIONS AND TRAINING

We have been fortunate over the last several years to be able to provide some of the best leadership training workshops available. These workshops train lay leadership to serve, minister, lead, and follow to get Christ's work done in our area. We are making special attempts at this work by re-organizing Brotherhood and the youth programs. Woman's Missionary Union is emphasizing service and witnessing. Sunday School is emphasizing outreach. Church Training is emphasizing leadership training and new member training. Music is emphasizing music education and music in worship. TACMO emphasizes education through media. We are indeed fortunate that these programs help our churches minister in greater, more effective ways.

The Yates Baptist Association is fortunate to have in addition to the Resource Center, a camp located on Wake Forest Highway. * Camp Caretaker's Salary - $6,019.00 to come from interest on savings account. (In February, 1988, the Association Board voted to take the caretaker's salary, utilities and insurance from interest on the association savings account. The 1989 proposed budget reinstates utilities and insurance. The Finance Committee plans to reinstate salary in 1990.)

RECOMMENDATION:

In addition to the adoption of this 1989 budget, the Finance Committee recommends that the association promote a special fund for persons to make contributions for day camping scholarships for the 1989 Day Camp season. Camper scholarships would be $35.00 per child.

HISTORY OF GORMAN BAPTIST CHURCH

Gorman Baptist Church was organized on its present site in 1916 with 54 members reported in the first year. Rev. James L. Martin was called as pastor and led in construction of the first sanctuary. Prior to 1925, the following pastors served the church: J.B. Davis, Paul Hartsell and H.G. Dorsett.

The years from 1925 to 1941 marked a significant period of growth and development under the leadership of Z.B. Teal as pastor. Membership of the church had reached 256 in 1937 with a Sunday School enrollment of 240. The Woman's Missionary Union was organized in 1925 and the Baptist Training Union (B.Y.P.U.) in 1929. The original frame building, erected in 1916, was replaced by a brick sanctuary, which was entered in 1940, near the close of Teal's ministry at Gorman. It is reported that few people lived in the Gorman community who were not reached and brought into the church.

The interior of the sanctuary was completed under the leadership of M. Fred Scott (1942-1945). A pastor's home was constructed in 1947 and an educational building was begun in 1951, during the pastorate of John T. Edwards (1945-1952). The interior of the second and third floors of the educational building was completed under the leadership of Thomas L. Reece (1953-1954). The sanctuary was enlarged and refurnished in the early part of Victor S. Dowd's ministry (1954-1962). Extensive renovation, redecoration and air conditioning of the educational facilities were accomplished in 1964 under leadership of Julian M. Motley, who became pastor in May of 1963. Building projects since that time have included the relocation and enlargement of church office facilities in 1967, renovation and enlargement of the pastor's home in 1971, the purchase and enlargement of an associate's home in 1975 and total renovation and reconstruction of the interior of the sanctuary in 1984.

The Gorman church has enjoyed steady growth throughout its history under the leadership of long term pastorates.

Present church membership is 940 with a Sunday School enrollment of 640. Long range plans have been adopted in anticipation of heavy growth, which has been projected for the area of the county served by the church during the next decade. Additional land has been purchased and building facilities are currently being planned as part of the preparation for growth in the community.

Three foreign missionary families and a mission church in West Virginia are under sponsorship of the church, which allocates twenty percent of all budget offerings to mission causes. A kindergarten and day care ministry was begun in 1976 and continues to serve a wide area effectively. The congregation has ordained six men to the gospel ministry and has six others currently in training or serving in ministries. The church is operating in this year (1988) on a budget of $353,665 and will give $70,733 of this to missions.

The story of a church is a story of its congregation, their joys and sorrows, their victories and failures, their dedication and sacrifices. More than these, however, it is the story of the faithfulness and goodness of God to His people through His Son, the Blessed Redeemer and Lord Jesus Christ, to whom the congregation wishes to give endless honor and praise.

HISTORY OF TRINITY BAPTIST CHURCH

On Sunday afternoon, June 19, 1938, H.A. Basden with another Christian layman, Quilley Hansley, opened a Mission Sunday School on Alston Avenue Road. Mr. Basden felt there was a real need for God's work in the community. Attendance at the first service was twenty (20). The Sunday School met in a vacant service station owned by Mr. and Mrs. Willie Wynne, which they rented to Mr. Basden for two dollars ($2.00) per week. Mr. Basden was elected Superintendent and Mr. Hansley was elected Assistant Superintendent.

Land was bought from Mr. and Mrs. Gus Godwin on Alston Avenue for the sum of $175.00 and a church building was erected with the first service being held in this new building January, 1941. The church was called the Alston Avenue Community Church with 22 charter members; H.A. Basden was called as pastor and licensed to preach. By October, 1943 the indebtedness of the church building had been paid off. First Homecoming was held on October 31, 1943.

The Mission Sunday School grew from the beginning and in July, 1944, Rev. F.D. Hemphill brought out workers and helped the church hold its first Bible School which was a big success. Rev. Hemphill talked with Mr. Basden concerning becoming a Missionary Baptist Church. This was brought before the church by Mr. Basden and on October 8, 1944, the Alston Avenue Community Church was dissolved and the congregation was organized into a missionary Baptist Church. After adoption of the Articles of Faith and Church Covenant, H.B. Anderson brought greetings from the Baptist Council of Durham explaining the work and objectives of the Council. H.A. Basden was nominated and elected as the first pastor, R.L. Jackson elected to serve as Deacon, Mrs. Bertie Williams elected as church clerk and Mrs. H.A. Basden, Sr. elected a church treasurer. The newly reorganized church, Alston Avenue Baptist, with a membership of 54 was accepted into the Mt. Zion (Yates) Association. R.L. Jackson, J.R. Glenn and John Hamm were elected as delegates. The pastor, H.A. Basden, Sr. was ordained as minister on January 7, 1945.

In 1945, membership increased to seventy-five. Sunday School enrollment was 110 and the Woman's Missionary Society was organized with twenty members, selecting as their motto, "But seek ye first the Kingdom of God and His Righteousness and all these things shall be added unto you".

Vermelle Rich and Mitchell Allen were the first couple to be married in the Alston Avenue Baptist Church on September 21, 1945.

In 1949, the first Church Budget was adopted, our Pastor worked a full-time job and served as full-time pastor without any salary. His first salary was seven hundred and fifty dollars for the year 1949 with assistance from the Baptist State Convention. Rev. Basden offered his resignation on July 11, 1956 due to declining health. At that time, church membership was one hundred and sixty three and the church building had been enlarged with no indebtedness.

At the business meeting held on May 9, 1962 the church voted to purchase 7.2 acres of land on So Hi Drive for $15,000 from Mr. Roland Williams in order to build a new church. This property was paid for in full on March 31, 1965.

In January, 1965 plans were formulated, $75,000 of church bonds were sold and work began on the new church building. Mr. Harvey Montague was awarded the contract and agreed to build the church for cost plus 10%; suggesting total cost should not exceed $65,000. Suggestions were made that since the church was moving to a new location, the church should consider changing its name. After much discussion by the membership, it was agreed that the new church would be called Trinity Baptist Church. The church held its first worship service in the new building in December, 1965 with dedication services held; members of sister churches within the association were invited.

On August 29, 1965, the church voted to take necessary steps to build a parsonage on the property at So-Hi Drive; the house was also contracted to Montague Building Company for a price of $15,000.

Our Interim Pastor, Rev. Mumford gave Trinity much assistance with financial problems, and on December, 1967 Rev. Mumford presented to the church, checks (amount not stated in the minutes) he had secured from sister churches within the Association.

The first standard Bible School was held at night for two weeks with an enrollment of 112 in June, 1968. The "Monthly Visitor", the first newsletter of the church was published on July 25, 1968 and the first youth service was held during August, 1968.

During the next two years, there were many exciting events taking place. The newsletter's name was changed from the "Monthly Visitor" to "Trinity Trumpet". The first Family Life Conference was held to help families reach a deeper understanding of their faith. RA's was reorganized, WMU organized the "Rocking Chair Club" and Gerald Payne, Jr. and George Dillon were licensed to preach. Mr. "Doc" Hamm donated a 7 1/2 ton air condition unit to be installed on the first floor of the church. During March 5-7, 1972, one of the rallies for the Spireno Crusade was held at Trinity. Another gift of $800 was given by Mrs. Parker and Mrs. Sewell, nieces of Mrs. Ethyl Maynard to be used in installation of air condition in the sanctuary.

The church voted to replace the old organ and a committee was selected in June, 1975. The organ fund had grown to $1,200, but the total cost of the new Rodgers 100 model with sound cabinet cost $6,750. Pearson Music Company was willing to give $500 for the old organ and $690 off the sound cabinet as a gift. At the July, 1975 business meeting a recommendation was brought to the church that the organ be purchased and financed for 90 days with a review on any unpaid balance not collected. Motion carried and organ was purchased and paid for in 90 days.

Baptist Young Women were organized on November 9, 1976 with seven young women present. WMU at Trinity now had all five WMU age level organizations.

In January, 1977, Trinity voted in the business meeting to hire an architect to draw up new plans for a new addition to the church building. Plans were received and the church voted to begin building the new addition using monies given through the building fund and by selling bonds in February, 1979. On May 29, 1977 ground breaking was held after the morning worship service. Bonds were sold during the week of June 19-24, 1977 and Durham Construction Company was awarded the contract with an approximate completion date of December 1, 1977.

On Sunday morning, June 3, 1979, the note on the original building was burned indicating all outstanding balance had been paid.

A permanent church sign was erected at the church by the Buildings and Grounds Committee members during March, 1980 for a cost of $500.

On January 20, 1982, after discussion by those attending the business meeting, it was decided that we send Gideon bibles in honor of Rev. Hubert Mumford, former Association Director for Yates Association and a long time friend and past Interim Pastor at Trinity.

The largest offering ever given to the Lottie Moon Christmas offering was $1,513 given during December, 1982. Total membership at Trinity in 1984 was 431 383 resident and 48 nonresident). Total contributions to all mission was $5,012.

In December, 1984, Debbie Lynn was granted a statement of approval to attend Southeastern Baptist Theological Seminary. Ms. Lynn was involved in missions while at Trinity, working with BYW. Helping with summer camp, assisting Dan and Linda Skipper, Ms. Lynn felt the call for full time Christian work and returned to college to prepare for this call. Ms. Lynn has served at Holloway Street Baptist Church assisting with the deaf ministry as well as being active in her church in Raleigh, NC.

REPORT OF THE GENERAL BOARD

The General Board is the convention between annual sessions. Made up of one or two representatives from each association, it meets three times a year. Two meetings are held at Caraway Conference Center and one on one of our college campuses. This year we met at Mars Hill College. Special meetings can be called. Decisions and business transactions are made at these sessions, many as recommendations subject to convention approval.

Representatives from Yates Association are Jerry Harper of Mt. Hermon Baptist Church and Crate Jones, Interim Pastor of First Baptist. Everett Smith is to be approved by the State Convention to replace Jerry Harper whose term expires this year. A word of appreciation is in order for Jerry's contribution to the work of North Carolina Baptists.

One of the major recommendations is a change in the way members of the Enrollment Committee and the Committee on Committees will be elected. The President and Vice President will be a committee to make nominations to these committees, subject to the approval of the General Board. There the names will be presented for approval of the convention. This makes the work a shared responsibility instead of the full responsibility of the President.

Other recommendations and a full report will be given at the State Convention in November.

Respectfully submitted,

Crate Jones
Jerry Harper, Sr.

CONSTITUTION

Revised 1983, 1985, 1987, 1989

ARTICLE I. NAME

This body shall be known as the Yates Baptist Association of North Carolina.

ARTICLE II. PURPOSE

The purpose of this Association shall be to provide a convenient and orderly means for the extension of the ministry of the cooperating Baptist churches in Durham County and portions of Chatham and Orange counties which support the programs of the Baptist State Convention and the Southern Baptist Convention.

ARTICLE III. ARTICLES OF FAITH

The confession of faith of this Association shall be the "Baptist Faith and Message" with its five-point statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life as adopted by the Southern Baptist Convention in 1963 at Kansas City.

(Five-point Statement from the "Baptist Faith and Message")

(1) That they constitute a consensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of the salvation revealed in the New Testament, viz, repentance towards God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past, so in the future Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptist is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

ARTICLE IV. MEMBERSHIP

Section 1. MINUTES OF THE ANNUAL SESSION

YATES BAPTIST ASSOCIATION

OCTOBER 23-24, 1989

FIRST SESSION

The first session of the Forty-First Annual Session of the Yates Baptist Association was held on Monday evening, October 23, 1989 at Plainview Baptist Church.

The evening began at 6:50 p.m. with an organ/piano prelude by Catherine Smith and Amanda Wilkerson and special music by the adult choir from Ephesus Baptist Church.

Moderator Frank Shipp called the meeting to order at 7:15 p.m., and thanked Plainview for hosting the first session of the meeting. The theme of this year's session is "Churches Laboring Together With God."

Rev. Ron Harrison, pastor of the host church, extended greetings to everyone and stated that hosts and hostesses were available to assist. His scripture was taken from Luke, Chapter 19, on the Master and the pounds, followed by prayer.

Rev. Ron Harrison, chairman of the Annual Meeting Committee, moved that the printed program be accepted as the agenda for the annual session. No second needed and motion carried.

Hugh O'Shields, chairman of the Constitution Committee, read the recommended changes in the By-Laws, Article I, Section II, the word "retirement"; Article I, Section 16, Audit Committee changes; and Article II, Section II, resolutions (printed on pages 60-61). These changes would be voted upon at the business session held on Tuesday morning, October 24, 1989 at Grace Baptist Church.

The congregation sang the new hymn "Churches In Association" led by minister of music, H. Ran Whitley.

Mr. Rich Erwin, chairman of Missions Development Committee presented the following recommendations.

1) The Mission Development Committee, Executive Committee and Association Board recommend that North Durham Baptist Church be accepted into full membership of Yates Association after one year under watchcare. Motion seconded by Clay Warf, pastor of Temple Baptist. Motion carried.

2) The Mission Development Committee, Executive Committee and Association Board recommend that Sunrise Baptist Church (formerly Southern Chapel of Chapel Hill) be accepted into full membership of Yates Association after one year under watchcare. Motion seconded by Danny Glover, pastor of Cresset Baptist Church. Motion carried.

Moderator Frank Shipp asked representatives from each church to stand and welcomed them into the association. Their messengers were now eligible to vote in the business session.

Moderator Frank Shipp requested that all new pastors and staff personnel come forward and introduce themselves and give their place of service.

George Johnson, pastor of Parkwood Baptist Church
Charles Morales, part-time/full-time pastor and serving as janitor of Parkwood Baptist Church
Marc Francis, part-time associate pastor at Bethesda Baptist Church while attending Southeastern Baptist Theological Seminary
Mike Horner, youth minister at Bethesda Baptist Church
Tom Doss, minister of music at Guess Road Baptist Church
David Smith, pastor at Guess Road Baptist Church
James Shaw, pastor at Mount Pisgah Baptist Church
Jeffrey Wisdom, pastor at Angier Avenue Baptist Church
Beth Wood, minister of music at Immanuel Baptist Church
Rodney Chaney, pastor at Sunrise Baptist Church

Faye Bassett, director of Church and Community Ministries, shared from her report on pages 67-68. We are truly a group of churches "Laboring Together With God." The Holy Spirit gives gifts to all members of the body of Christ. The task of the church is to inventory these gifts, affirm them, and call them into ministry. Thank you for your help in the work of ministry this year. Let us continue to minister to those who come our way. Thank you for the opportunity to minister to:

1) A woman with sickle cell anemia. Pray for her.
2) An abandoned mother and her two children. Pray for them.
3) The heroin addict, that he will turn his life over to Jesus and be able to rid his life of drug problems. Pray for him and his wife that she will continue to be strengthened.

Thank you for all the help you have given in the work during the year. We are truly thankful for those assisting in the Toy Store, Day Camp and other ministries done during the year. Durham Memorial has opened their doors for the exciting ministry to Hispanics which is now ready to begin holding Sunday School and worship services. The disaster relief funds have reached $9,548.08 and some churches probably have not sent in their monies at this time. Crisis ministry continues to grow as we reach out, touch, and provide cups of cold water and share the good news of a living Savior. Thank you, Audrey Gordon, for all the work you have done in your ministry as Mission Action/Personal Witnessing Director for Association WMU. Audrey worked with the migrant ministry and did a terrific job with assistance from many volunteers. Thank you people for supporting her and the office staff. You are a great group.

The hymn "My Savior First of All" was sung by the congregation.

Rev. Don Bowden introduced Robert and Phyllis Foy who brought inspiration through personal testimonies and their involvement in mission ministry.

Special music was presented by the adult choir of Plainview Baptist Church led by Jean Howerton, minister of music.

Phyllis Foy spoke using scripture from I Peter. She had been involved because God had given her the gift of hospitality and mercy. We are to reach, teach and touch as we go. Robert Foy's message was to those who are not involved in ministry. He had spent some 18 years in a dull, boring christian life feeling he had no useful gifts before he realized that he could use what he had to serve God. After reading Exodus where God asked Moses, "What is that in your hand" he realized he could use his talents as an electrician to help those in need and, be a witness through voluntary missions. When we become one with God we can do more.

Moderator Frank Shipp asked that everyone be sure to register and turn in their cards before leaving. The next meeting would be at Grace in the morning and at University in Chapel Hill on Tuesday evening. The session closed at 8:42 p.m. with prayer led by Clay Warf of Temple Baptist Church.

SECOND SESSION

The second meeting of this Forty-First Session was held at Grace Baptist Church, beginning at 9:00 a.m. with an organ prelude by Pattie Lingafelt.

Vice-Moderator Rev. Ernest Ferrell called the meeting to order and thanked the pastor and people of Grace Baptist for hosting this meeting.

The hymn, "Churches In Association" was sung by the congregation.

Dr. Frank Zedick, pastor of Grace, brought greetings to the group. We are proud to be a part of Yates Baptist Association and extend the full use of the facilities of Grace Baptist Church to you. Led in prayer.

Rev. Ron Harrison presented the Sunday School report for Rev. Raymond Johns. Rev. Harrison emphasized that according to Matthew 28 Jesus gave us the job description of the church. We are to be going, evangelizing and discipling and the ASSISTeam stands ready to find the edge. He moved that the report be accepted. (Report on page 53). Motion carried.

Ginger Stanhope, church training director, presented the report stating that one church had reorganized church training during the year. She moved that the report be accepted (report on page 54). Motion carried.

Dr. Ran Whitley, music director, presented the report listing the following dates of events during the year: January, Literature exchange and fellowship; March, Children's choirs; August, Volunteer leadership meeting. He stated that this was his third and final year as director and he would lend his support to Kathie Wilkinson the new music director. Yatesmen to sing at evening session. He moved that the report be accepted (report on pages 57-58). Motion carried.

Sandy Harrison, WMU director, presented the report using the WMU watchword from Isaiah 48:6, "Thou hast heard, see all this; and will not ye declare it? I have shewed thee new things from this time, even hidden things, and thou didst not know them." We believe this scripture. On September 9, 1989 over 2000 leaders of WMU met at Bethesda Church for training. During the year there were 11 new organizations started, four of which were Baptist Young Women. Migrant work was started and we are thankful to our Mission Action/Personal Witnessing Director, Audrey Gordon, for her work in this ministry. We extend our thanks to Red Mountain Baptist Church for allowing us to use their facilities for this ministry and all the volunteers that assisted in reaching these families. Four families have chosen to stay in the Red Mountain area and we will continue to minister to them. We must keep telling the story of Jesus. She moved that the report be accepted as printed on pages 55-57. Motion carried.

Rev. Don Bowden, brotherhood director, presented the report. He gave the following dates for events. October 7, special training was held at Cresset Church. This involved Area 4 and 11 associations were represented. Training was offered in 9 or 10 different ministries. Monday, October 30, a joint WMU and Brotherhood Foreign Mission Institute will be held at Hope Valley. On November 10 at Cresset Baptist Church will be a Brotherhood Rally. We hope to have 100 in attendance. He moved that the report be accepted (report on page 54). Motion carried.

Hugh O'Shields, chairman of the Constitution Committee, made the following recommendations as found on pages 60-61.

1) Bylaws, Section I, Article I - Change added the word retirement. Motion carried.

2) Article I, Section 16 - Audit committee requirements changes. Motion carried.

3) Article II, Section 2 - Resolutions. This action was necessary to bring constitution in line with action already taken in annual session several years ago.

Mr. Rich Erwin, chairman of the Missions Development Committee, presented the report. Missions Development Program is involved in many ministries. Two new churches, North Durham and Sunrise, were added to the association by vote at last night's meeting. He moved that the report be accepted (report on pages 62-63). Motion carried.

Mr. George Love, chairman of the Camp Committee, reported that a work day was held and only three people showed up to help. Mr. O.C. Mitchell will do one item on the list. Three weeks ago a road was completed to the lake. This would allow for canoeing. New curtains are needed for the lodge. He moved that the report be accepted (report on page 59). Motion carried.

Rev. Ted Purcell gave a report on Baptist Student ministries. He became the new Baptist Campus Minister at Duke on September 1, 1989. This is a half-time bi-vocational position, he lives in Raleigh and commutes. Bob Phillips is the Baptist Campus Minister at UNC. Campus ministry is the church beyond its ministry. Campus ministry is not a distant cousin but a part of the ministry. It is like a ministry on parade the people are in transition, internal transition (moving inside of the ministry). There are ministries on 41 campuses with 17 having full-time BSU ministers. Vice-Moderator Ernest Ferrell thanked Mr. Purcell for his report.

Executive Committee report was referred to by Vice Moderator Ernest Ferrell for Moderator Frank Shipp. Asked that since he was presiding and presenting report someone make the recommendations. Richard Conover recommended that the report be accepted and it was seconded by Gerald Goodwin. Motion carried. (Report found beginning on page 51.)

Dr. Jesse Croom, chairman of Personnel Committee, referred to the committee's report (pages 63-64) stating that Item 3, recommendation for buying an additional computer was not in the budget for 1990. This item has been taken care of without being included in the budget. Recommended that the report be accepted as printed. Motion carried.

Rev. Everette Smith reporting: The General Board meets three times a year. He and Crate Jones are representatives for the association. Glenn Hope, pastor of First Baptist Church of Fayetteville, NC, has been elected as president of the Board. Listed two items to be presented at next meeting: 1) recommendations for changing the name of Wingate College to Cannon Wingate University, and 2) recommendations to elect Mack Roberts as a candidate for president of Fruitland. Recommended that report be accepted (report on page 78). Motion carried.

Larry Giles, chairman of Audit Committee, stated that this was not an audit report. The audit report has become too costly due to changes. A review statement has also gone sky high. This is a compilation report but gives the same good information. Report is printed on pages 69-70.

Dr. Frank Zedick, chairman of the Budget and Finance Committee, referred to the committee's report (pages 72-74) stating that a new balance sheet had been added and the totals on page 74 were at the close of financial statement on September 30, 1989. We have a good loan on our facilities but any interest adds up and anything your church could send above regular offering designated Resource Center loan would assist in lowering the amount of interest paid. He moved that the financial report and proposed budget be accepted as printed. Motion carried.

Rev. Everette Smith presented the Nominations Committee report for Frances Dorrity found on pages 9-11. We have several vacancies to be filled. We are waiting for some answers. I move the adoption of this report as printed. Discussion: Fred Williams referred to page 14, Nancy Lassiter from Olive Branch Church. Corrections made note of and motion carried.

Rev. Ron Harrison, chairman of Annual Meeting committee, referred to report on page 1. Host churches for 1990 will be Ridgecrest, Calvary and Mount Carmel. Annual preacher will be Rev. Bob Weatherly and alternate Rev. Charles Rutt. The committee chose to by-pass choosing any more speakers until a Director of Missions is called. His input would be sought in the calling of speakers. He moved the acceptance of this report. Motion carried.

Rev. Rick Hayes, chairman of the Evangelism Committee, reported that in the spring of 1990 the association has agreed to be involved in "Here's Hope, God Loves You" revivals. Twenty-five of the 56 churches have signed up and there is still time for your church to be involved. Revivals are scheduled April 1-8, 1990 and churches may schedule revivals four weeks either side of this date and still be counted. On November 2, 1989 there will be a meeting for pastors and staff and will be led by a state-trained resource person. A second meeting will be held on January 9, 1990 for chairpersons of each church steering committee. Recommended that report be accepted (report on page 61). Motion carried.

Dr. James Murphy, chairman of the DOM Search Committee, gave the following report. Fifteen months ago the committee was appointed by moderator Frank Shipp and approved by the Executive Committee and Associational Board. As they began their work, they interviewed the staff at which time included Marvin Settle. Asked for input from all ministers, lay persons and written responses. All responses were considered. Bobby Stafford of the Baptist State Convention suggested that the committee read two books before beginning their work-Baptist Association: Churches on Missions Together and A Guide for Calling a Director of Missions. The committee consists of the following: Rev. Raymond Johns, Rev. Hugh O'Shields, Dr. Frank Zedick, Mrs. Sandra Harrison, Mrs. Louise Clements, Mr. Bob Atwater, with alternates Rev. Bob Weatherly and Mr. Earl Smith and himself. We outlined what we felt a Director of Missions should be. We received 111 resumes and considered each one. We sought the leadership of the Holy Spirit. We are pleased to say we have a person to present for Director of Missions. We will meet with the Executive Committee and then call a board meeting for approval. We thank you very much for your prayers and support. Meeting with the Executive Committee has been set for October 30, 1989 at 12:00 noon at the Resource Center.

Vice-Moderator Ernest Ferrell asked that anyone having a report from agencies come at this time and present their report.

Life Enrichment Center-Rev. Lyman Ferrell reporting that he was thankful for the support of the association in the area of pastoral counseling. This had been at Immanuel Baptist Church since 1982 and over 1500 hours of work had been done. We appreciate the hospitality of Immanuel Baptist Church and ask that individuals, churches and the association reconsider the financial support of this ministry. His analogy of this ministry was to a pastor needing counseling was as a soup kitchen to a hungry man.

Baptist Children's Home representative, Lou Russell, shared that the children's homes had many needs. The WMU and Food Lion Karts-for-Kids project for the Cameron Boys Home was held again this year. Kennedy Home for children celebrated its 76 anniversary with 1600 guest attending. On November 18, 1988 the Margaret Nowell Home for Girls was opened in Lenoir, NC and licensed to care for five girls. In July the Care Home for Girls opened to care for teenage girls and their babies. These two homes are a joint venture of the Children's Homes and Caldwell County Social Services. At the Baptist State Convention, November 13-15, 1989 the General Board will recommend reinstating the Thanksgiving Offering for the Children's Homes and dropping the Homes and Hospital offering.

Three hymns were sung by the congregation to assist the meeting to get back on time.

Faye Bassett was recognized for an announcement. On pages 45 of the Book of Report, item #2 these changes should be made. Strike chairman from Evangelism and Finance Committee. Dr. and Mrs. Frank Zedick were going to South Carolina and needed items to take to assist families of the Hugo disaster. Clean or new blankets, sweaters and jackets for men, women and children were needed. If you care to provide these items please bring to Grace Church before 5:00 p.m. on Wednesday of this week.

Miscellaneous Business: None.

Ran Whitley, minister of music, introduced the special music. Ann Donovan will sing two songs; "The Lord is My Shepherd" and "We Shall Behold Him" and Pattie Lingafelt would present organ instrumental.

The hymn, "God of Grace and God of Glory" was sung by the congregation.

Rev. Rick Hayes introduced the speaker Dale Cross, director of associational evangelism of the Home Mission Board. Dale Cross is a native of Jackson, Missouri.

Dale Cross stated he had looked forward to this meeting for two years. He has been in Baptist Association work just about all his life. The Baptist Association was organized before the convention or mission organizations and the work of the association is important. He brought greetings from Dr. Larry Lewis, president of the Home Mission Board, the remaining staff, and approximately 3800 home missionaries. He has been as a servant for home missions for 20 years and has found it a privilege to travel to many places to share ministry. Message came from Matthew 9:35-38. A profile in the life style of Jesus, as one of teaching, preaching and ministering, having compassion on those he saw.

Vice-moderator Ernest Ferrell thanked Grace Baptist Church and the Group II churches for providing the meal. Registration cards need to be turned in. If you registered last night you do not need to register again. Rev. Ferrell thanked Dorothy Hicks, clerk, for her work during these meetings. Dr. Frank Zedick led in a blessing for the meal and prayer. The meeting adjourned at 11:40 a.m.

THIRD SESSION

The third and final meeting of this Forty-First Session was held on Tuesday evening, October 24, 1989 at University Baptist Church of Chapel Hill.

The meeting began at 6:50 p.m. with an organ prelude. The session was called to order at 7:00 p.m. by Moderator Frank Shipp. He stated the theme was "Churches Laboring Together With God" and that we have had 41 years of service and hopefully many more years together in service.

Greetings and prayer was given by Roy Carroll, deacon of University Baptist Church. On behalf of our church it is a privilege to welcome you. When we meet we are keeping something sacred alive. Read portions from the constitutions of three early associations dating to 1849.

Special music was performed by the singing Yatesmen. "Standing on the Promises", "Let the Lower Lights Be Burning" and "Jesus My Lord".

Moderator Frank Shipp stated that we took the liberty to move the order of service slightly to accommodate moving of the choirs.

The hymn, "Churches in Association" was sung by the congregation.

Frank Shipp, Co-chairman of Metro Thrust, gave the following report. Jesus focused his ministry toward the cities and we must also focus our ministry efforts to those in the cities.

1) In January Faye Bassett and I sent to visit the Home Mission Board in Atlanta, GA to receive information concerning Metro Thrust.
2) Brought the information to you, the associational board.
3) Sixteen members serve on this committee.
4) Ed Copeland came and visited with the committee.
5) Committee divided into four subcommittees to collect data.
6) Committee had retreat to compile information gathered.
7) Shared plans with associational board.

If we fail to make plans/dreams we are planning to fail. We know what the needs are, everyone needs to have a loving Savior. People need to know Jesus. Pray for this committee and the work that we need to do to reach others.

Linwood Tew of Westwood Baptist Church introduced the speaker, Rev. Mac Bare, pastor of Westwood. Rev. Bare is from the western part of the state. He worked in the college ministry at First Baptist Church of Durham while attending Southeastern Baptist Theological Seminary.

Rev. Bob Weatherly, pastor of Mount Moriah Baptist Church, read scripture from Matthew 14:13 the feeding of the multitude with five loaves of bread and two fishes.

Anthem was presented by the Westwood Baptist Church choir directed by Kevin Kennedy.

Rev. Bare's message centered on people with needs. God's agenda focuses on people with needs and he commands that we minister to the needs of those around us. Yes, you! It's you and me, Jesus had no super stars. There are two issues we need to address, 1) discipleship and committment/accountability. Is your agenda "business as usual"? Let's choose God's agenda and see His Glory shine.

REPORT OF THE SUNDAY SCHOOL

"There is a time for everything and a season for every activity under heaven." There is...a time for training and a time for putting that training to work. The ASSISTeam of Yates Association has been in training; Director Raymond Johns and Youth Coordinator Steve Parker attended the ASSISTraining Institute at First Baptist Church in Cary in February. Raymond Johns, Rev. Danny Glover, and Rev. Ron Harrison attended the Key Leadership ASSIST conference at Ridgecrest in May. Darlene Harrill, VBS Director, Irene Bagwell, and Steve Parker attended the VBS State Clinic held in Durham. Several churches have utilized the ASSISTeam's training and have held workshops in Sunday School Administration, Visitation/Outreach, Growth Spiral, Reaching Youth through Sunday School and other important Sunday School concepts. Darlene Harrill, VBS Director, supported by Rev. Robert Phillips, Rev. Allen Barlow, Rev. Michael Shumate, Dubba Kay Lucas, Faye Taylor, Irene Bagwell and Pam Bearden led in a VBS training clinic at Temple Baptist Church in April. Seventy-two VBS leaders participated and were benefited by this important clinic.

There is...a time for questions and time for answers. This past year the ASSISTeam sent out questionnaires to all the pastors, ministers of education, and Sunday School directors to obtain feedback on what Sunday School problems they faced and what the ASSISteam could offer in the way of training and one-on-one assistance to help alleviate that problem or to increase the productiveness of an already successful Sunday School. The responses have helped in planning for an Associational Sunday School Leadership Night November 9, 1989.

There is...a time to plan and a time to evaluate. Your Association ASSISTeam is meeting to plan for the future in respect to an evaluation of the past. This next year is going to be an exciting year for Sunday School in Yates Association. The theme, in conjunction with the "Share Hope Simultaneous Revivals," is "Share Hope Reach Ten." We are now planning ways in which we can help as many churches as possible, reach as many people as possible through the Sunday School with the Gospel.

There is... a time for thank you. We give thanks to God for a dedicated ASSISTeam and for encouraging churches. Goethe said "To put your ideas into action is the most difficult thing in the world." That is true, to an extent. However, working together ASSISTeam and church Sunday School leadership can take the Gospel into the marketplace that makes up the Yates Baptist Association. For this we give thanks to God through our Lord Jesus Christ and thanks to you for your continued support.

Respectfully submitted,

Raymond C. Johns, Jr., Director

REPORT OF CHURCH TRAINING

The highlights of Church Training this year were the Children and Youth Bible Drills. They were both up in number over last year. We are very proud of those who participated.

We did have Key Leadership for Church Training at Ridgecrest in May this year. I was unable to attend, but we were represented.

We helped one of our churches to re-organize their Church Training. This is my last year as your Church Training Director and I have throughly enjoyed serving you.

Respectfully submitted,

Ginger Stanhope, Director

REPORT OF THE BROTHERHOOD

Significant in Brotherhood success stories for this year were the two campouts for Royal Ambassadors at the Associational Camp, one held in the Fall, and one in the Spring. Much of the success can be attributed to the finest Associational R.A. Director in the state, Mrs. Candace Black. The boys were instructed in campcraft, cooking, setting up and taking down tents; important Bible studies and mission speakers/events highlighted this cooperative effort among many of our churches. other R.A. events included the Track Meet, Car Race and Mission Fair, as well as renewed interest in many churches towards being involved in such projects. The director has attended several training conferences at Camp Caraway and Raleigh, keeping track of new publications and training materials. These events produced an invitation by Cheek Heights Baptist Church for me to speak to their men about Brotherhood work and the opportunities that present themselves to men and boys to be involved in the Lord's work. The director was also invited to speak at the WMU Annual Meeting, held at Hope Valley Baptist Church. Favorable comments are still being made about the remarks. Cooperation with WMU has been a goal as we seek to involve everyone in the churches in missions. One of the greatest pleasures is to see new or renewed interest in beginning or re-invigorating Baptist Men and/or R.A. organizations. New chapters or units have been established in several churches this year, and others are projected for 1989-1990. We look forward to a good mission year with quarterly planning meetings, yearly training events, fellowship opportunities, building projects, sports involvement, witnessing, and all the rest of it, all with an aim towards knowing Christ and making Him known!

Respectfully submitted,

Donald L. Bowden, Jr., Director

WOMAN'S MISSIONARY UNION REPORT

"You have heard, look at all this. And you, will you not declare it? I proclaim to you new things from this time, even hidden things which you have not known" (Isaiah 48:6 NASB).

This year Woman's Missionary Union ushered in a new century with the theme "A Future to Fulfill Launching Century Two." For we had just completed 100 years of outstanding missions work. We then look forward to the new year and another one hundred years to serve our Savior. Woman's Missionary Union of Yates Association has taken great strides this year, many dreams have begun to materialize and we praise the Lord! As you read this report, my prayer is that you, as never before, will see the working of the Holy Spirit. We have "stretched" to glorify the Lord. Truly this has been our goal in everything that was done.

The Yates Association WMU Council, after many months of prayer and training, began working in September. The Council worked to help prepare the WMU Missions Organization of our Yates churches for the coming new year in missions. In September, a WMU Leadership Conference was held at Bethesda Baptist. The Conference lasting three hours offered seven different areas of training, one for each age level, and Mission Action Personal Witnessing. There was also a Mini-Baptist Bookstore and a nursery was provided. Around 200 officers and members attended and enjoyed a wonderful salad luncheon provided by Pastor Ernest Ferrell and the Bethesda Church Family. The Yates WMU Council in great appreciation, surprised Pastor Ferrell and the church by presenting a plaque and a heartfelt thank you during a Sunday morning service in March.

In October, training for Foreign Missions was offered through a Foreign Mission Study Institute at First Baptist Church. Training for teachers from all age levels was provided. Pastor Don Bowden, Yates Brotherhood Director, assisted in leading the Adult Study.

A Home Mission Study Institute was held in January at Grace Church. Teachers of all age levels were again trained. The attendance brought great joy because as good teachers are trained in the institutes this is a fulfillment of the dream that better mission studies will be taught in the Yates Churches.

In January the church WMU Directors joined the Yates WMU Council at the regularly scheduled Yates Association WMU Council meeting. This is a time every year that the Association Directors get better acquainted with the church WMU Directors, and share important information. This year after State WMU Consultant Jan High spoke, everyone enjoyed a beautiful reception prepared by Peggy Rhodes, Yates Association WMU secretary. It has been the joy of the Yates WMU Directors to be invited to so many of your churches to encourage and teach missions. Audrey Gordon, Dorothy Hicks and I have had the privilege of speaking about missions in a large majority of the Yates churches. For us this has certainly been a dream fulfilled; we are truly grateful.

The Fortieth Annual Session of Yates Association Woman's Missionary Union was held in April at Hope Valley Church. This meeting is one that will never be forgotten. The session brought worship, teaching and many surprises! A street derelict portrayed by Tommy Faust and beautiful music offered by Jean Howerton and Shirley Shelburne touched every heart. Dorothy Allred, State WMU President, our own Association Brotherhood Director Don Bowden and Pat Frazier, portraying Fannie Heck brought inspirational messages that stirred and changed our heart. Over 400 people joined us for dinner. The theme "Telling the Story of Jesus Christ in the Second Century" challenged us to let our light of Jesus shine in a dark world. This theme was the basis for an inspirational time of candle lighting that closed the session. As the small lights of over 450 people glowed and dispelled the darkness we knew that the Father had truly fulfilled the desire of our hearts and that desire was to worship Him.

A Pastor's Appreciation Banquet was held in May at Grace Church with approximately 65 pastors, their wives, staff and WMU Directors attending. This was a special time to show the Yates pastors and staff our appreciation for all they do and especially their support in missions. Pastor Tommy Hayes, State worker for Brotherhood, was guest speaker. It was the joy of the Association WMU Council to present gifts and awards to each pastor.

In June the Yates Association WMU Council came together for a prayer retreat. We do this each year because it is our belief that as we begin training for the new year, we need to begin on our knees. Training took many directors during 1988-89. On November 16 Association Council members spent many hours studying the Association WMU Manual.

In July, seven directors attended WMU Week at Ridgecrest to be better trained to do their best for the Lord. These directors were so dedicated to being trained that five of their children went also. In July thirteen Yates Association WMU Directors and Assistants went to Caraway Conference Center for training. These three events helped the Council to fulfill a dream of being trained to do the best missions work possible.

Baptist Women of Yates Association had many exciting events this year. The "Baptist Women's World Day of Prayer" was held in November. The prayer meetings were held at Temple Church in the morning and Mt. Vernon General Baptist Church at night. It was a joy to come together with our black sisters at the feet of Jesus and pray for a lost world. "Baptist Women For A Day" was an unforgettable event held at Olive Branch Church. Carolyn Hopkins, State B.W., B.Y.W. Consultant brought a moving message to more than 200 people. One new Baptist Woman's organization and two new groups were started this year in Yates Association.

Baptist Young Women are on the move! In October BYW had an event called Fall Western Round Up at Guess Road Church. State B.W, B.Y.W. Consultant, Carolyn Hopkins was part of this meeting. There have been four new Baptist Young Women's Organizations formed this year.

The highlight of the Acteens year was a trip to San Antonio, TX, for a National Acteens Convention. Acteens from six of our Yates Churches accompanied Acteens Director Carol Roycroft and assistant, Cathy Sawaya to this convention. Acteen leaders from the association were part of a "Leaders of Acteens Fellowship" each quarter and one new Acteens organization was started this year.

The Girls In Action organization is growing! In April this year there was a fantastic "Cooperative Program Spree" held at Cresset church for G.A.'s, parents and leaders. Over 188 people enjoyed twelve different booths provided by Yates churches. Debra Richardson, missionary from Brazil was the speaker. Three new G.A. organizations have been started in Yates churches this year.

Mission Friends show everyone that missions is not only learning but great fun. In February Mission Friends hosted a Mission Friends Leader's Luncheon at Durham Memorial Church. Marshal McQueen, State G.A. and Mission Friend Consultant, was part of this event. In April an unforgettable older Mission Friends Fair was held at Grey Stone church. Around 70 Mission Friends, leaders and parents attended this event. Two new organizations have been started this year. What a joy! Eleven new age level organizations and two groups were organized in 1987-88. The growth of each of these organizations have been a dream fulfilled for each director!

I am thankful to be able to share that Yates Association WMU has received the honor of being "Distinguished" for 1987-88. We have also received an award for work done for WMU's Centennial year. The leadership of Cathy Greene, Yates WMU Centennial Chairman, was a great blessing. This year, Carol Roycroft, Acteens Director, Cathy Sawaya, Assistant Acteens Director, and I have had the privilege of leading conferences for the State WMU at Caraway and Ridgecrest. Cathy Sawaya and I have also had the privilege of becoming specialized workers in North Carolina. We are thankful to be able to serve the Lord in this way.

The Mission Action Personal Witnessing challenge of Yates Association has long been a prayer and this year many prayers and dreams have been fulfilled. In November and January, training to teach witnessing was held at the Yates Resource Center. In March, training in Mission Action using the book I Can Be a Mirror was offered. Twenty people received credit for this study. This year contact was made with each M.A./P.W. leader or W.M.U. Director of the Yates churches. Each person was given information so that they could lead their church in becoming involved in helping those who hurt. Audrey Gordon, Yates Association Mission Action/Personal Witnessing Director has led the way in the ministry effort. This year Yates Association WMU was part of "Karts for Kids", providing furniture for B.S.U. at UNC, promoting assistance to the Agape House and Durham Rescue Mission, providing over 125 bags of cookies to Women's Correctional Center in Raleigh for Christmas and supporting the Toy Store Ministry and Day Camp. A glorious praise goes to our Father as WMU began the Migrant Ministries work for the Rougemont-Bahama area. The services for the migrants have been held at Red Mountain Church. Mario Moreno, his wife Tonie, Joyce Mitchell, Pat Cardin and Cindy Jeffries have been dedicated to making this work go forward. We praise the Lord for all the churches who were part of the work this year. Truly a dream come true!

As I close this report I share with you that I praise our Heavenly Father for He truly does give us a vision, a dream and in Jesus all our dreams if they are His, do come true.

Sandra Harrison, Director

REPORT OF THE MUSIC COUNCIL

The past year was a very productive and active year in the area of music ministry for the Yates Association. The Music Council planned and executed various programs and events designed to strengthen the music ministry of the local churches and promote fellowship throughout the association. The highlights of 1988-89 are listed below.

1) A mass youth musical, Positive I.D. was performed at the 1988 annual meeting at Carrboro Church. The musical conveyed the message that every day presents a challenge for us to identify with Christ and conform our minds with His. The council believes the message had impact not only on the messengers in attendance, but also the youth as they prepared the music.
2) A senior adult choir presented the musical Never Too Old for Christmas by Joe E. Parks on November 10, 1988 at Homestead Heights church. Herbert

Gray directed the choir. Nine churches participated with over 100 senior adults in attendance.

3) The council invited Joe Parks to come and direct a Senior Adult Choir Festival on March 7 at First Church. Mr. Parks led in the production of his newly published musical, America, America! Many thanks to Herbert Gray for coordinating the event.

4) A children's choir day camp on July 10-14 was co-sponsored with Grace Baptist Church and coordinated by Burke Raper. The guest clinicians were Steve Roddy from First Baptist Church, Houston, Texas, and Ardene Starnes from 2nd Ponce deLeon Church, Atlanta, Georgia. During the week the children were actively engaged in music theory, Bible study, choral training, crafts and musical worship. The highlight of the week was a concert featuring the music which the children had prepared. Many thanks to the music directors and volunteers who made it all possible.

Next year also promises to be a productive season in ministry. Listed below are the tentative scheduled events for 1990:

1)	Director's Literature Exchange/Fellowship	January 23, 1990
2)	Senior Adult Choir Festival	March 20, 1990
3)	Children's Choir Day Camp	July 16-21, 1990
4)	Volunteer Leadership Training	August 25, 1990
5)	Musical for Annual Meeting	October 22, 1990

The Music Council of Yates Association continues to be one of the most active and enthusiastic in the state. As I conclude my three-year term as music director, I would like to extend my personal appreciation to the members of the council for their labor in associational music ministry and their support of the various programs and events. Their professionalism, competence and calling to the Gospel ministry are to be highly commended. It has been a pleasure and blessing to serve with them.

TACMO REPORT

"Media Libraries...Touching Lives to Enrich Worship" was the theme this year for The Associational Church Media Library Organization. Activities and programs during the year implemented this theme. A bibliography of resources to enhance private worship was distributed at the Annual Meeting in October.

Quarterly meetings were held at Guess Road, the Resource Center, Immanuel, and Westwood churches. Training and sharing were emphasized at each meeting. In April, Rev. Richard Hayes, pastor of Park View, conducted a study of the book, Being God's People: a Southern Baptist Church on Bold Mission. Three hundred books and several audiovisual programs were added to the Mumford-Crabtree Library in the Resource Center.

TACMO members have continued attending church study courses provided by the Yates and Raleigh associations, Caraway and Ridgecrest conferences. Several church librarians received media services diplomas after completing the required six courses.

TACMO is at work in the Yates Association providing information and fellowship opportunities for media library workers, sponsoring training events, promoting the establishment of new libraries, improving existing libraries, and maintaining the Associational Library.

REPORT OF THE CAMP COMMITTEE

Your camp committee has met several times this year.

Ken Sealy, a student at Southeastern Seminary and a member of Ebenezer Baptist Church, is serving as Camp Caretaker.

There are several minor but needed things to do now and we will try to get these started.

Several years from now we will be able to get water and sewer to this site and develop a camp we will all be proud of if we plan ahead and save money for the future expense we know is coming. Also a new highway from Raleigh to Treyburn is planned nearby and this will make our site more accessible.

We have several projects that can be done with volunteer labor from our church groups. Those interested may call the writer at 682-1879.

REPORT OF THE DEACONS COMMITTEE

Our associational deacon committee planned, promoted and conducted DEACON TRAINING SEMINARS on November 1, 1988, January 31, 1989 and April 4, 1989. The topics of these conferences included: 1) Annual planning for the Deacon Chairperson and Pastor; 2) Helping Deacons Minister Out of Their Giftedness; 3) Matching One's Gift to Discover Needs; 4) Deacons: Administrators or Ministers?; 5) Deacons Role in Shared Ministry; 6) Deacon Family Ministry Plan.

The training seminar was attended by over 100 persons and the reaction to conference materials was excellent! The committee also worked with four individual churches in our association on a CONSULTATION BASIS. We continued the DEACON SPOTS IN THE YATES NEWSLETTER, which provided information for deacons.

We have continued to add videos to our Associational library that relate to equipping deacons for a more effective ministry. THESE VIDEOS ARE ENTITLED: "Ministering to the Terminally Ill"; "The Deacons Spiritual Growth; Focuses on Visiting the Unsaved"; "How We Use the Deacon Family Ministry Plan"; "Deacons Responding to Grief"; "Ministering to the Cancer Victim and Family"; "Identifying the Deacon's spiritual Gifts. These are available in our associational office to be used in local churches.

The committee is now looking to next year: the dates for NEXT YEAR'S WORKSHOPS are February 27, 1990, April 30, 1990, September 18, 1990. Locations and topics will be announced later. The videos of these sessions will be added to our associational library.

REPORT OF THE EVANGELISM COMMITTEE

Here's Hope, Jesus Cares for You.

In the spring of 1990, Southern Baptist churches will join in a simultaneous revival effort to share the gospel of Jesus Christ. Our association of churches has agreed to participate in this effort and to work with one another in sharing Here's Hope, Jesus Cares for You. At present, almost twenty-five (25) of the association's churches have scheduled revivals for the simultaneous effort. All churches which schedule revivals within four months of April 1-8, 1990 (either before or after) will be recognized as participating in this joint effort, if they request.

The associational steering committee for the Simultaneous Revivals has scheduled two meetings to offer assistance to the participating churches. The first meeting is on November 2, 1989 for the pastors and staff, and will be led by a state-trained resource person. This opportunity will be to orient the local church toward the cooperative effort. A second session will be held January 9, 1990 for the chairpersons of each church steering committee.

We encourage each church to prayerfully consider becoming an active participant in this revival effort by scheduling a simultaneous revival meeting, or by praying daily for our association's evangelistic efforts. May we be faithful in our service to our Lord and Savior and then allow Him to give the results.

Respectfully submitted,

Richard T. Hayes, Chairman

REPORT OF MISSIONS DEVELOPMENT PROGRAM

The Missions Development Program has been involved in a number of activities and ministries this year.

CHAPLAINCY MINISTRY - The prison ministry at Guess Road Prison Unit sponsors a Bible study each Wednesday night of the week. Also, on each fourth Wednesday, the ministry sponsors a Fun, Food and Fellowship night. Churches are encouraged to sponsor the fourth Wednesday night event. Rev. Boyce Kimball serves as Chaplain and Mrs. Joy Miller assists him.

Rev. Phil Wiggins continues to serve as chaplain to the Durham Police Department.

CHURCH EXTENSION - We have provided recommendations to assist North Durham Baptist Chapel and Sunrise Baptist Church (formerly Southern Baptist Chapel of Chapel Hill) in receiving pastoral assistance as requested.

We have monitored the progress of the North Durham Baptist Chapel and the Sunrise Baptist Church (formerly Southern Baptist Chapel of Chapel Hill) during their watchcare status and have found them deserving of full membership in Yates Baptist Association.

COMMUNITY MINISTRIES - The day sewing class for inner-city mothers continues to meet at First Baptist Church. A night class began in June and meets at Braggtown Baptist Church. Both classes are very successful.

Christmas Toy Store 1988 met many needs and gave us opportunities for new ministries. Thirty-eight churches participated, 69 families (202 children) were helped, 5 professions of faith were made and several rededications resulted from this ministry. Each family received a Bible presented to them by a counselor.

Two Bloodmobiles were held in December; one at the Resource Center and one sponsored and held with the Durham Memorial Baptist Church.

Day Camp 1989 was a time of exciting ministry. Thirty-one churches joined to make this a fruitful ministry. Many volunteers assisted with various tasks. The three-week long camp had over 60 children enrolled.

LANGUAGE MISSIONS-INTERFAITH WITNESS - The Korean Mission at Carrboro Baptist Church is averaging about 30 for worship and Sunday School. Rev. Hun Moog Lim was called as pastor in January 1989. The mission is doing well ministering to Korean graduate and undergraduate students.

Durham Memorial Baptist Church is providing space for a Hispanic Bible Study held on Wednesday evenings.

STUDENT MINISTRIES - Dr. Ted Purcell is the new Baptist Student Center Chaplain at Duke University. He served as the Baptist Chaplain to students at North Carolina State University before assuming his present position.

BSU programs are going strong at UNC. The UNC BSU students went on a mission trip to Bermuda in the Spring of 1989. Various churches are reaching out to freshmen to invite them to be part of their fellowship. UNC BSU has led Bible studies in various dormitories.

Thank you for your prayers and support.

RECOMMENDATIONS FOR ACTION

(1) The Missions Development Program, Executive Committee, and the Association Board recommend that North Durham Baptist Chapel, having completed a period of one year under watchcare status, be granted into full membership of the Yates Baptist Association.

(2) The Missions Development Program, Executive Committee, and the Association Board recommend that Sunrise Baptist Church (formerly Southern Baptist Chapel of Chapel Hill), having completed a period of one year under watchcare status, be granted into full membership into the Yates Baptist Association.

REPORT OF THE ORDINATIONS COMMITTEE

The Ordinations Committee of the association convenes at the request of the local churches to examine for ordination candidates in whom the local church has sensed the calling of God to vocational ministry. Our task is to inform the church as to the suitability (in our opinion) of the candidate for ordination. The final decision always rests with the local church.

In the past year the committee has examined and recommended for ordination the following candidates:

Candidate	Ordaining Church
Debbie Isley	Braggtown
Dale Baker	Edgemont
William Sparrow	University
Dan Boone	Bells
Marc Francis	Bethesda
Jerry Mull	Mt. Gilead
Mark Gabbert	First
Jeffery Owens	Trinity

REPORT OF THE PERSONNEL COMMITTEE

In the absence of a Director of Missions, the Personnel Committee has sought to be of assistance to the present staff in regards to work-load and staff relationships. In the annual staff review and evaluation, the Committee received similar reports from Faye Bassett, Kathy Thompson, and Saundra Stallings of additional responsibilities assumed in the absence of a Director of Missions and of harmony and cooperation in staff relations.

At the recommendation of the Camp Committee, the Personnel Committee interviewed Ken Sealey for the position of Camp Caretaker. The Personnel Committee recommended to the Executive Committee that he be hired.

Requests from the staff resulted in three actions taken by the Personnel Committee.

1) Approved a request from Saundra Stallings that she be allowed to take two extra weeks of vacation without pay in 1990, with the understanding that

the vacation time would be scheduled so as not to interfere with the normal operation of the office and that comp-time could be used for the extra vacation.

2) Approved a motion that, as soon as possible after the employment of a Director of Missions, clarification should be made regarding the responsibilities of the Administrative Assistant for evening and weekend meetings in the Association and its Resource Center.

3) Approved a motion that the Finance Committee be requested to include in the 1990 budget funds for the purchase of a computer to handle the financial records, thereby permitting the staff to work more efficiently.

The fine work and spirit of the staff during this interim period is gratefully acknowledged.

Respectfully submitted,

Jesse Croom, Chairman

REPORT OF THE PUBLIC RELATIONS COMMITTEE

The Associational Emphasis Week was observed 22-28 May 1989. The week provided all with an opportunity to visit the Association's Resource Center and become familiar with the staff and physical resources.

A highlight of the week was a display showing the many and diverse ministry opportunities of the Yates Baptist Association. Churches were invited to submit posters and items illustrating their ministry role in the community.

Children were invited to come to the Center and participate in releasing balloons with contained paper slips with verses of scripture and information about the Yates Baptist Association on one side. On the other side of the slip was information about a phone ministry directed to telling Bible stories to small children.

Respectfully submitted,

Richard F. Isaacs, Chairman

REPORT OF THE STEWARDSHIP COMMITTEE

The major activity of the Committee was to plan and implement a stewardship seminar in conjunction with the Stewardship Department of our State Convention. On June 1, 1989, we met at Landlubber's Restaurant and were led in the seminar by Talmage Williams on the Convention. Approximately 26 pastors, staff, and lay persons attended. We are especially appreciative of the assistance rendered by Faye Bassett. Without her help it would not have been possible.

Plans are underway for 1990 when the Stewardship Department and Evangelism Department will work together for providing a seminar on the importance of stewardship on evangelism.

Jerry Harper, Chairman

REPORT OF THE SENIOR ADULTS

On November 10, 1988, a dream of the leadership of the Yates Association Senior Adults was realized. A concert by the Senior Adults had been under consideration for a long time. Under the direction of Herbert Gray, minister of music at Gorman, a musical for senior adults, NEVER TOO OLD FOR CHRISTMAS, was presented at the quarterly meeting at Homestead Heights. Many of the ministers of music in the association assisted Mr. Gray in preparing the production. A record group of 307, including the chorus, enjoyed the timely presentation.

In February at Park View, the Rev. Jay Steelmon, new minister of music at First, gave an interesting devotion and musical program. A fun program, "A Mock Wedding", was given by the senior adults of Gorman at the May meeting at Angier Avenue. At the August meeting at Gorman, an excellent program of gospel music was presented by a trio, "A New Point of View", a group of business men from Homestead Heights and a challenging devotion on "Encouragement" was given by Dr. Jeffrey Wisdom, pastor of Angier Avenue.

With a variety of programs, the attendance of the Associational Senior Adults has been excellent this year with adults from several churches not previously represented, attending. It is still hoped that many more of our churches will affiliate and enjoy the wonderful fellowship of the Associational Senior Adults. Meetings are held quarterly on the second Thursday of November, February, May and August and are announced in the ASSOCIATION NEWS.

Respectfully submitted,

Margaret Rhodes, President

REPORT OF THE SENIOR ADVISORY COUNCIL

Our Senior Advisory Council has met the last Monday morning of each month at the Resource Center. We strive to be more alert to the needs of the elderly and to determine what ministries and resources are available in the community to assist them; for example, to obtain in-home care and other support services. Recent programs have included: Dr. Don Christian speaking on community missions, Faye Bassett describing her work and concerns for church and community ministries and Jean Breckenridge, telling about activities at the Senior Centers. In August, Janice Tyler, Sr. Coordinator for Southern Orange County led us on a tour of Carrboro Senior Center.

We need representatives from each church in our association to attend our meetings. We enjoy the fellowship and sharing of concerns with members of other Yates Churches.

Respectfully submitted,

Ruth Cook, Secretary

REPORT OF SINGLES 30-50

The monthly activities for this year consisted of fellowship and eating together at various restaurants.

Attendance has dropped off during the past couple of years. The group has narrowed to three to five each month.

A survey was prepared with the assistance of Faye Bassett to send to the singles of the Yates Baptist Association to get a feel of what they would like to do (recreation, conferences, drama, socials, etc.). The response was tremendous. After reviewing the surveys, it was decided that a conference be conducted in March. Flyers were prepared by the Yates Baptist Association and distributed to all churches in the association. The conference was cancelled due to a lack of registrants.

Respectfully submitted,

Sheila Durham, President

SINGLES OVER 50

Yates Association Singles Over 50 continued to meet monthly (except July) in 1989. Most of our meetings were at the Heart of Durham Hotel meeting room. We have enjoyed their buffet luncheon and the use of their facilities.

Arlene Green has done a great job with our programs. We've had interesting persons speak as well as fun with games such as, "The Price Is Right" and "Family Feud". We learned about nutrition and dieting as well as how to make handcrafts.

In June we sent $50.00 to the Gideons for bibles in memory of those former members who died during the last year.

At our meeting in September, 1989 it was decided that we would meet quarterly, first Saturday of the last month of the quarter, this coming year. Out next meeting will be at Edgewood (formerly Edgemont church) on Saturday, December 2. Each person is asked to bring a paper or cleaning product to be taken to the Durham Rescue Mission.

Most of those attending are senior adults and there are many activities planned for this age group in churches and other so we made the decision to meet quarterly.

We have enjoyed the fellowship that has been ours through the years and look forward to a new year. If you are a single adult over 50 we extend to you an invitation to come to our next meeting. You are always welcome.

Respectfully submitted,

Darlene Harrill, President

REPORT OF THE YOUTH ADVISORY COUNCIL

The Youth Advisory Committee began with high hopes. However, lack of support led to one event to be cancelled while other plans seemed to fizzle out. I have been watching our church's youth programs and I commend them for their ministry within their church.

My prayer for 1990 is that each church will see the need for their young people and join together in ministry to them.

Respectfully submitted,

Mike Shumate, Chairman

REPORT OF THE DIRECTOR OF CHURCH AND COMMUNITY MINISTRIES

It is a joy to watch as the mission awareness and mission activities of the churches of Yates Baptist Association continues to grow. This year's ministries reached out and touched many lives. You continue to do this, and you do it in Jesus' name. We are churches laboring together with God. We are a family of churches on mission not only in the Triangle Area, but across the state, on a national level, and around the world. Yates Baptist Association has a global vision.

Through Christmas Toy Store 1988 we met needs, witnessed to people in word and deed, and found opportunities for ongoing ministries. Crisis ministries continues to grow as we reach out and touch, provide cups of cold water, and share the Good News of a living savior. Day Camp gave us the opportunity to reach into homes that may have otherwise gone untouched.

The assistance from volunteers is tremendous. Those who seek and continue to find ways to share their faith and find their place of ministry, are blessings to those who work with them and to the hurting and lost with whom they come in contact. Without these people, much of the work would go undone.

In THE EXPANDED MISSION OF "OLD FIRST" CHURCHES, Raymond J. Bakke and Samuel K. Roberts make a very important statement. "The Holy Spirit gives grace to all members of Christ's body. The programmatic task of the church is to inventory those gifts, affirm them, and call them into ministry."1 Talented people fill the churches of Yates Baptist Association. You are assessing those gifts, affirming each other, and ministering as you go. Let us continue to minister to those who come our way. Let us also go out and search for those who need to know of Jesus' love and saving grace.

Thank you for providing the means by which we helped the victim of sickle cell anemia. This lovely, Christian woman is appreciative of the assistance from fellow Christians. Thank you for providing the support for us to give financial aid to an abandoned mother of two boys. Pray for her. She is not a Christian but is seeking truth for her life and the lives of her sons.

Thank you for providing the means for us to witness in word and deed to the heroin addict who knows God is speaking to his heart. Pray that he will turn his life over to Jesus and that he will have the strength to rid himself of his drug problem. Pray for his supportive wife that she, too, will have the strength that she needs to meet life from day to day.

I cannot close without saying a special "thank you" to Audrey Gordon for all that she does in her ministry as Mission Action/Personal Witnessing Director of the associational WMU. Audrey's leadership in this summer's migrant ministry was invaluable to the witness of Yates Baptist Association.

As we begin a new church year, may the challenge of the opportunities before us stimulate us to creative ministries for our Lord. The Good News is the same. Our world is changing. We must continually find new and creative ways to minister as we carry the message of a living savior.

May God continue to bless you individually and collectively as you continue to find your place of service. "As each has received a gift, employ it for one another, as good stewards of God's varied grace..." I Peter 4:10

Respectfully submitted,

Faye Oakley Bassett

1990 MINISTRY ACTION BUDGET

FELLOWSHIP, MISSIONS & EVANGELISM

It is difficult to say that one section of a budget is missions and another section of the budget is something else. All that an association does is missions, in the broader sense. For 1990, $14,430.00 is needed to accomplish special fellowship, missions, and evangelism projects. Yates Baptist Association is currently participating in Metro Thrust. Metro Thrust is designed to help associations in select metropolitan areas do strategy planning and discover linkages to resourcing these strategies as needed and available. We continue an effective ministry with students at UNC, Duke, and NCCU. We continue to support Carrboro Korean Mission and have included the Hispanic work at Durham Memorial. The Community Ministries program also needs funds to minister to police officers, mothers, and families in need. Many other ministry opportunities are made available through this portion of our budget.

PERSONNEL

Our Personnel Committee believes that we have assembled one of the finest association staffs in the country. The Personnel Committee would like to have done more in the way of salary increases; however, with limited funds, we feel this is the best that we can do at this time. Our staff plans, coordinates, and conducts the administration and actual ministry of many association programs.

ORGANIZATIONS AND TRAINING

We have been fortunate over the last several years to be able to provide some of the best leadership training workshops available. These workshops train lay leadership to serve, minister, lead, and follow to get Christ's work done in our area. We are making special attempts at this work by reorganizing Brotherhood and the youth programs. Woman's Missionary Union is emphasizing service and witnessing. Sunday School is emphasizing outreach. Church Training is emphasizing leadership training and new member training. Music is emphasizing music education and music in worship. TACMO emphasizes education through media. We are indeed fortunate that these programs help our churches minister in greater, more effective ways.

OFFICE AND ADMINISTRATION

This portion of our budget provides the base upon which all of our ministries can be conducted. One of the recommendations from the Personnel Committee was that office equipment continue to be updated and upgraded, so that the staff can function and operate more effectively. Providing the necessary tools and materials is essential if ministry is to be effective.

HISTORY OF CALVARY BAPTIST CHURCH

Calvary Baptist Church was organized in 1948 in the Sherron Acres community under the auspices of the Baptist Council of Durham. A three-week tent revival and a two-week daily Vacation Bible School led up to the organization of the church on August 1 of that year, with 58 charter members. Rev. Norman Ferrell served as the first pastor, and full-time services were held from the beginning.

As long as weather permitted, an outdoor tent served as the meeting place, and members' homes were opened during the winter months. A portable organ provided accompaniment for all worship services. The men of the church labored diligently to construct a building, and before winter was over, the congregation was able to meet inside the then incomplete building.

The church experienced steady growth in the following years. Under the leadership of Rev. W.W. Glass, and subsequently Rev. William Bennett, membership climbed to 131. Much work was completed inside and outside the building by 1950, when Rev. W.B. Cone assumed pastoral leadership of the church. Also during this time additional improvements were made to the building, including furniture, carpeting, pews, etc., and a new pastorium was built. The blessings of the Lord, the unity of the fellowship, and the hard work of the people made all of this possible.

Rev. Ralph Ferguson followed Rev. Cone as pastor, and under his leadership many additions were made to the church fellowship. The Rev. Clyde Green then became interim and later full-time pastor. During his ministry additional property was obtained, and a note-burning ceremony was held, and a new organ purchased. Rev. Anthony Gurganus then assumed the pastorate of the church, and remained until 1969. During his tenure membership reached 475.

Rev. James West began his ministry at Calvary Baptist Church on March 23, 1970. From then until Rev. West's retirement in June of 1988, much church growth and enlargement of physical facilities was realized. A quality childcare/education/ fellowship building, consisting of 14,000 square feet, at a cost of $325,000.00 was built. The structure was dedicated in August of 1975. The Calvary Childcare Ministry began immediately after the completion of the building. Mrs. Melissa Harper served as the first childcare director.

Dr. Robert L. Phillips assumed pastoral leadership of the church on February 5, 1989. Under his direction Calvary Baptist Church hopes to experience even greater growth in spiritual fellowship and evangelism.

The church recently purchased a new 26 passenger bus to be used by the various groups of the church for special outings. In January of 1990, the church's debt on the childcare facility will be paid off. Present membership stands at 899. Calvary Baptist Church has a bright future ahead of it.

HISTORY OF GUESS ROAD BAPTIST CHURCH

The Guess Road Baptist Church was organized on August 26, 1945 following a revival by Rev. B.E. Morris and sponsored by the Durham Baptist Council. There were 11 charter members. Eighteen others joined before the charter was closed in October, 1945 making a total of 29 members.

The first services were held in the Hillandale School Auditorium, then they were moved to the basement of the new pastorium in 1947.

Rev. B.E. Morris of the Grey Stone Baptist Church was the first acting pastor. Rev. Morris served faithfully from August 26, 1945 until March 3, 1946. The church asked Miss Cora Lee Cannon to serve as missionary and personal worker. Miss Cannon labored humbly, quietly, and untiringly from August 26, 1945 until September 12, 1946.

Rev. Ralph L. Cannon, Baptist Council Missionary, served as pastor from March 10, 1946 until August 25, 1946. The outstanding achievement during his ministry was the construction of the new pastorium in July, 1946. (This house was moved from the property in July, 1975.)

Supply pastors ministered to the church until Baptist Council Missionary, Rev. William Lynch came as acting pastor. Rev. Lynch served from November 6, 1946 until July, 1947. Supply pastors ministered until August 24, 1947. The first full time pastor, Rev. Alfred Gibson served from August 24, 1947 until August, 1951. Rev. Ches Smith, the second Pastor, served from November 1951 until August 1958. Rev. Smith led the church in building the second phase of the educational building. Rev. Floyd Ellis served as pastor from November, 1958 until December 3, 1961. During Rev. Ellis' ministry the auditorium was dedicated. Rev. Ernest G. Holt was our fourth pastor. He served as our pastor from December 2, 1962 until September 18, 1983. During Rev. Holt's ministry many changes were made at the church. A new educational building was built in 1977. The fellowship hall and kitchen were remodeled in 1982-83.

On April 8, 1984, the church called Rev. Benny Littlejohn as pastor. He preached his first sermon on July 8, 1984.

Guess Road is a mission-minded church. Our church participated with several other churches in a joint mission trip to the Caribbean Island of St. Kitts, July 16-24, 1988. Six of our members and Pastor Littlejohn were a part of the group. This group distributed eye glasses, held a dental clinic, conducted Vacation Bible School and evangelistic services. The trip was a great blessing to all who participated. Dr. Benny Littlejohn concluded his ministry with Guess Road December 18, 1988 after accepting a call to serve as pastor in another state. Dr. Richard Davis served as our interim pastor from January 1, 1989 through June 11, 1989.

Rev. David Smith was called as pastor on May 21, 1989 and began his ministry with the church June 18, 1989.

Since 1984, Guess Road Baptist Church has become a leading church in the Yates Association in mission giving. Since 1984, Guess Road has increased its giving to the association by 400% and to the Cooperative Program by 300%. All mission offerings have increased by similar percentages. It is our prayer that Guess Road can be seen as a church that is on mission, believes in missions, and gives sacrifically to missions. At Guess Road, it's our people, not our buildings that make our church a good place to worship and serve God.

REPORT OF THE GENERAL BOARD

The General Board is the convention between annual sessions. Made up of one or two representatives from each association, it meets three times a year. Two meetings are held at Caraway Conference Center and on one of our college campuses. This year we met at Meredith College. Special meetings can be called. Decisions and business transactions are made at these sessions, many as recommendations subject to convention approval.

Representatives from Yates Association are Everette Smith, interim pastor of Mt. Lystra Baptist Church and Crate Jones, interim pastor of First Baptist Church.

Recommendations and a full report will be given at the State Convention in November.

Respectfully submitted,

Crate Jones
Everette Smith

CONSTITUTION

Revised 1983, 1985, 1987, 1990

ARTICLE I. NAME

This body shall be known as the Yates Baptist Association of North Carolina.

ARTICLE II. PURPOSE

The purpose of this Association shall be to provide a cooperative and orderly means through which our family of Baptist churches in Durham County and adjacent areas of Chatham and Orange counties, may: (1) provide servanthood-focused missions and ministries; (2) encourage evangelism, stewardship, training, and discipleship, (3) promote fellowship among ministers and churches as together we share the Gospel of Jesus Christ in word and deed; and (4) cooperate with the Baptist State Convention and Southern Baptist Convention.

ARTICLE III. ARTICLES OF FAITH

The confession of faith of this Association shall be the "Baptist Faith and Message" with its five-point statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life as adopted by the Southern Baptist Convention in 1963 at Kansas City.

(Five-point Statement from the "Baptist Faith and Message")

(1) That they constitute a consensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of the salvation revealed in the New Testament, viz, repentance towards God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past, so in the future Baptist should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

ARTICLE II. RULES OF ORDER

The following rules shall govern deliberations in the meetings of the Association and Associational Board.

(1) The official transaction of business in all regular meetings of the Association and Associational Board shall be by the affirmative majority vote of members present and voting, except in matters relating to the Constitution, or withdrawing fellowship from any cooperating church, and of seating messengers from those churches desiring to cooperate with the Association. In called meetings of the Association and the Associational Board a number representing a majority of the cooperating churches shall be necessary to constitute a quorum.

(2) A messenger wishing to speak shall rise and address the presiding officer. He shall confine himself strictly under the consideration and shall avoid all personalities. No messenger shall speak more than twice on the same subject without special permission. The request to consider a resolution from any messenger of the association will be considered out of order.

(3) All motions seconded shall be definitely stated by the presiding officer, or at his request read by the Clerk before the vote is taken.

(4) The order of business of the annual meeting shall be recommended by the Annual Meeting Committee as soon as possible during the first session. When adopted this report shall become the program and cannot be changed except by vote of the Association.

(5) All questions of order shall be decided on the basis of the most recent edition of Robert's Rules of Order.

MINUTES OF THE ANNUAL SESSION

YATES BAPTIST ASSOCIATION

OCTOBER 22-23, 1990

FIRST SESSION

The first session of the Forty-Second Annual Meeting of the Yates Baptist Association was held on Monday evening, October 22, 1990 at Ridgecrest Baptist Church.

The evening began at 6:45 p.m. with a musical presentation by The Singing Senior Adults, "Sugar Sticks for Senior Saints," a choral collection by Joe Parks, led by Kathie Wilkinson, music director.

Moderator, Rev. Ernest Ferrell, called the meeting to order at 7:15 P.M. and thanked Ridgecrest for hosting the first session of the meeting. The theme for this year's session is "Yates Baptist Association: Churches Giving Hope."

Rev. Don Chasteen, pastor of Ridgecrest extended greetings to everyone and stated that hosts and hostesses were available to assist. He led in prayer with a special prayer for the A.D. Frazier family in the death of Mrs. Frazier.

Dr. Clay Warf, chairman of the Annual Meeting Committee, moved that the printed program constitute the agenda for the annual sessions. No second needed, motion carried.

Before the proposed constitution changes were presented, Bruce Little, parliamentarian, was asked to explain the requirements for constitution changes. Two-thirds vote of the voting membership is needed to change the constitution. Proposed changes are listed on pages 60, 61, and 62. Voting on these proposed changes will be in the morning session at Calvary Baptist Church at 9:00 A.M. Linwood Tew, chairman of the Constitution Committee read the proposed changes to the Constitution and By-Laws:

Article II.	Purpose of the Association
Article IX, Section 7.	Changes related to the Association Clerk to be more in line with duties.
Article IX, Section 8.	Change related to Treasurer to be more in line with duties.
Article X, Sections 1 & 4	Change Church Training to Discipleship Training.
Article I, Section 13.	References to BTN to be deleted.
Article I, Section 14.	Change in the number of members on Stewardship Committee from three to seven.

Hymn "All Hail the Power of Jesus' Name" was sung by the congregation.

Mr. Frank Shipp, chairman of the Metro Thrust Committee, presented the report stating that this was the result of two years of work. We are excited about this Five Year Plan of Sharing and Caring. Two years ago, Yates Association decided to join the Home Mission Board and look at missions in the Association. "Yates Baptist Association, Missions With a Personal Touch, A Five Year Plan of Sharing and Caring," is the combined effort of many committees. With the unanimous support of the Association Board, we bring this report to you for approval. The five objectives were read; Servanthood, Evangelism, Communication/Stewardship, Training/Discipleship, and Fellowship of Ministers and Churches. The purpose statement of the Association was evaluated and proposed changes made as listed on page 60 of the plan. This is a guide to lead us in the way God will have us go.

The Moderator, Rev. Ernest Ferrell requested that all new Pastors and Staff personnel come forward, introduce themselves, and give their place of service.
Rev. Bill Bagnal, Director of Missions
Rev. David Coburn, Pastor of Farrington Road Baptist Church

Rev. Mike Lawhorn, Minister of Music of Rose of Sharon Baptist Church
Rev. Doyle Williams, Youth Minister of Rose of Sharon Baptist Church
Dr. Allan Moseley, Pastor of First Baptist Church
Rev. Ed Denton, Pastor of Lakewood Baptist Church

The hymn, "Stir Thy Church, O God Our Father" was sung by the congregation.

Rev. Bill Bagnal, DOM, introduced the speaker, Dr. Larry McSwain, Dean of the School of Theology, Southern Baptist Theological Seminary, who recently returned from a trip to Russia. He is also a Conflict/Resolution consultant and helps churches deal with conflict and get a new vision of the church and what it should be doing.

Special music was presented by the Adult Choir of Ridgecrest Baptist Church, led by Rev. Al Huffman, music director.

Following the special music, Dr. McSwain read from Numbers 13 and spoke of overcoming giants. He also shared experiences from his recent trip to eastern Europe and what Southern Baptists can do and are doing to meet the needs in that part of the world.

He also spoke of the need for servanthood as emphasized in our Associational Strategy Plan.

Rev. Ernest Ferrell, moderator, thanked the musicians and directors, the pastor and people of Ridgecrest Church for hosting this session. It was 35 years ago tonight when Ridgecrest Baptist Church was started. The next session will be held at Calvary Baptist Church at 9:00 in the morning.

This session was adjourned at 8:38 P.M. with prayer led by Dr. Frank Zedick, pastor of Grace Baptist Church.

SECOND SESSION

The second meeting of the Forty-Second Annual Session was held at Calvary Baptist Church, beginning with organ prelude.

Vice-Moderator, John Myers, called the meeting to order at 9:00 a.m. and thanked the pastor and people of Calvary for hosting the meeting.

The hymn, "O God, Our Help In Ages Past," was sung by the congregation.

Dr. Robbie Phillips, pastor of Calvary Baptist Church, brought greetings and shared that Calvary had just celebrated her 42nd year. He led in prayer.

Rev. Raymond Johns, chairman, gave the Sunday School report as printed on page 53. A Sunday School Training Workshop will be held on November 8, 1990, at Cedar Fork Baptist Church from 7:00-9:00 P.M. This has been a transitional year in Sunday School, first Rev. Ron Harrison, chairman, left to accept the pastorate at Grace Baptist Church in Gastonia, and other leaders have left. We are still moving ahead and want to have more personal touch this year. Pray for us as we seek to serve the Lord through Sunday School. Motion made that this report be accepted as printed, seconded by Dr. Jeff Wisdom, pastor of Angier Avenue. Motion carried.

Dr. Ran Whitley, director of Discipleship Training, shared that the report was written by Eddie Hammett who left to accept a position with the Baptist State Convention. I have been asked to chair this committee. Motion made that report be approved as printed, seconded by Dr. Robbie Phillips, Calvary. Motion carried.

Mrs. Kathie Wilkinson, chairman of Music Committee, presented the Music report. She stated that the Senior Adult Choir who presented the music last night involved 120 persons and 8 churches. That presentation was the last planned activity for the year. Motion made that report be approved as printed on page 59, seconded by John Laverty, Angier Avenue. Motion carried.

Ms. Dorothy Hicks, WMU director, presented the WMU report as printed on pages 55 thru 58 with the addition of two items. The Baptist Women's Day of Prayer will be November 5, 1990 at Cresset Baptist Church at 7:00 P.M. Theme for this year's prayer emphasis is "Together in Christ, We Pray". All women are encouraged to attend. "Empowered" reclaiming the meaning of missions through the power of the Holy Sprit, written by Esther Burroughs, is a very good study of the power of the Holy Spirit and how we need to be empowered. I encourage all Baptist women and Baptist men to consider using this book as a personal study. We cannot do anything effectively without the power of the Holy Spirit. The report was seconded by Helen Mumford, Edgewood. Motion carried.

Rev. Bill Bagnal, DOM, gave the Brotherhood report stating that we do not have a Brotherhood director at the present time but have someone praying about this position. He thanked Candace Black, Bethesda, for her work with RA's. The report is printed on page 55. The report was seconded by Rev. Michael Shumate, pastor of Cedar Fork. Motion carried.

Constitution report was given by Linwood Tew, for Ike Breedlove, chairman. The changes had been read at the first session of annual meeting on Monday night at Ridgecrest. Motion made that the changes be approved as printed on pages 60, 61, and 62, seconded by Rev. Raymond Johns, pastor of Immanuel Baptist Church.

Mr. Bruce Little, parliamentarian, pointed out that references to the State Baptist Convention and Southern Baptist Convention were left out of the revisions in Item I, Article II, Purpose. He proposed that the following amendment be added to the other three; the addition of item "(4) Cooperate with the State Baptist Convention and the Southern Baptist Convention." This motion seconded by Rev. Fred Williams, Olive Branch.

Discussion:
Bruce Little stated that everything we do refers to the Baptist State Convention and the Southern Baptist Convention.

Frank Shipp spoke in answer to this item stating that the change was the result of Metro Thrust and leaving off reference to the Baptist State Convention and the Southern Baptist Convention was not done to make any statement. Dr. Clay Warf shared that he agreed with Metro Thrust even though he was not a part of the team.

Mr. John Myers, vice-moderator, was asked to reread the complete proposed change with the added item (4) Cooperate with the Baptist State Convention and Southern Baptist Convention.

Rev. Bill Bagnal shared that in January, 1990, when he arrived as DOM, Metro Thrust was underway. Servanthood and cooperation is what Metro Thrust is about. Whatever we do, let us not do anything that will divide us in our cooperation. We must be inclusive and not exclusive. Each church determines its degree of cooperation at all levels. Vote was called by show of hands; approved 93, opposed 58. Amendment carried. All proposed changes are printed on pages 60, 61, and 62 with the added amendment approved.

Faye Bassett reported for the Missions Development Committee. She referred to the report on page 63. Motion made by Dr. James Murphy, Hope Valley, that the report be approved as printed, seconded by Jewel Blackwood, Mount Carmel. Motion carried.

Rev. Michael Berryman gave the Camp Committee report for George Love, chairman. (Report on page 60.) Work has been done at the camp. The Association Board on September 11, 1990, unanimously approved the sale of the camp. Motion was made that the report be approved as printed, seconded by George Ray, Olive Branch.

Discussion:
Many of the people of the Association were unable to attend the September 11, 1990 board meeting and did not know about the sale of the camp. It was also pointed out that the Executive Committee and Finance Committee took into consideration the cost of maintaining the camp and that the majority of the churches do not use the camp. The endowment cannot be used to maintain the camp. Our association budget is strained, city water and sewer may be many years away, hard to determine when this will be available. The Finance Committee budgeted funds for camp maintenance as printed on page 85 but this will not sustain the camp.

Appreciation expressed for these comments and concerns, but the decision had been made and approved by the board and we will accept this information. Motion to accept this information and the report made by Rev. Bob Weatherly, Mount Moriah. Motion carried.

Moderator, Rev. Ernest Ferrell, made the motion that the Association Board report on pages 52 and 53 be approved as printed. Two important items on this report is the calling of a Director of Missions, Rev. Bill Bagnal, and the development of the Metro Thrust Plan. Seconded by Mr. Tom Ellis, Fieldcrest. Motion carried.

Dr. Gerald Goodwin gave the Personnel Committee report for Dr. Jesse Croom, chairman. Committee had made annual review and evaluation of staff and suggested changes were made. The committee worked in the calling of the Director of Missions, and assisted during the transitional period. Motion made that report be approved as printed on page 64, seconded by Floyd Rhodes, First Baptist Church. Motion carried.

Mr. Frank Nelson, chairman of Audit Committee, referred to the report printed on page 71 and following. Books are in order and monies are accounted for. Emphasized that designated funds are something over which the Association Board has control while restricted funds are controlled by the donor. Read the last sentence from page 73 of report under Fund Account. All funds over which the Association Board has discretionary control has been included in the unrestricted funds. Motion made for adoption of the report as printed, seconded by Rev. Danny Glover, Cresset. Motion carried.

Dr. Frank Zedick, chairman of the Finance Committee reporting. Report begins on page 75, with 11 pages of figures. Page 76 shows balance sheet as of 12/30/89; financial summary itemizes cash restriction funds, pages 77 - 79 financial receipts from the churches for the year. Proposed budget recommendations begin on page 80 and following shows where funds are coming from or designated giving. This budget will be reworked when pledges from the churches are received. Page 85 (6 of 6) shows proposed funds of $26,955 for camp repairs and operating expenses. We need to vote to keep these in the budget because we need to keep the camp operational until it is sold. Motion was made to accept financial report as printed, seconded by Dr. Andrew Pickens, Bells.

Discussion:
Question asked what would become of camp swimming pool and restricted funds when camp is sold? Rev. Bagnal answered with the following: restricted funds can only be allocated by the donor, we will have to go back to them for distribution of these funds. The Executive Committee serves as the committee to make recommendations to the Board and the Board make the final decision on use of funds.

Statement was made that the sale of the camp was such an important matter and so many of the board members were unaware of the sale of the camp.

The Director of Missions commented that at the present time, the Association has received $40,000 less in gifts this year than the budget requires. The first place cut by the churches is the associational gifts, then the cooperative program. You need to support the budget if you vote to approve the budget. All these questions have been asked and answered and the sale of the camp seemed to be the best thing to do. The Board can call a special session to decide the use of funds from the sale of the camp. Each church has two elected Board members plus the pastor who should be reporting to the church in business meetings. If you are not getting information from the Association then your board members are not doing their job. These matters were discussed at two Board meetings and minutes were mailed to Board members. After more discussion, Bruce Little, parliamentarian, read from the constitution. "The Association Board shall act for the Association between annual sessions." Bill Munn, Watts Street made the motion that we affirm the action of the Board, seconded by Rev. Danny Glover, Cresset. Motion carried.

Rev. Bill Bagnal, DOM, reported for Frances Dorrity, chairman of the Nominations Committee. Report is printed on pages 10 - 12. The following corrections and addition should be made: Page 7, John Myers as Vice-Moderator and page 14 under the WMU, the following officers added; Assistant BYW, Debbie Churchill; Acteens Director, Cathy Sawaya; Assistant Acteens Director, Debbie Casey; and Group I Leader, Clara Murray. Motion made that report be approved with the additions as noted. Seconded by Rev. Ed Denton, Lakewood Baptist. Motion carried.

Dr. Clay Warf, chairman of the Annual Meeting Committee, referred to the report printed on page 1. Host churches for the 43rd Annual Session in 1991 will be Durham Memorial, Yates Baptist, and Mount Moriah. Annual preacher is Rev. Charles Rutt, alternate Dr. Jerry Harper. Special guest speaker is Dr. Frank Pollard. Motion to adopt report as printed seconded by Addison Trice of Temple. Motion carried.

Rev. Danny Glover, chairman of Evangelism Committee, reported that in the spring of 1990, "Here's Hope, Jesus Loves You" revivals were held with 35 churches participating. We rejoice in this cooperative evangelistic emphasis. The Metro Thrust Plan has six evangelism goals which are listed at the bottom of page 63. I ask that you not simply affirm this report but that you commit yourselves to carrying out these goals and I ask that you prayerfully approve this report. Seconded by James Faucette, Grace Baptist. Motion carried.

Mr. Frank Shipp, co-chairman of the Metro Thrust Committee thanked those who participated in the work of this committee for the past two year. The committee consisted of 17 members as listed in the ministry plan on page 8 along with Mrs. Faye Bassett and Rev. Bill Bagnal as ex officio members. As many as 25 more were involved in the subcommittees working on objectives and goals. The information was sent out, as well as reports made at the board meetings, so the five year plan could be reviewed and voted on today. Motion made that the Five Year Plan of Caring and Sharing be adopted, seconded by Addison Trice of Temple.

Discussion:

Concern about getting information about the churches to those moving into the community. Could a booklet be made listing opportunities provided by the churches for others; worship service, programs, services, etc.? Objective 3 page 6 of the plan addresses plans for communication material such as printed materials, slides, tapes, and a map listing the association churches which will be provided for the use of the churches. We will be constantly evaluating what is being done. Question was called for, motion carried.

Bob Phillips, BSU minister at UNC thanked the Association for its support. We need the support of the local churches as well as the Association. We have expanded our work with internationals and are beginning to use college students to work with children. The Battle Building that houses the Baptist Student Union was donated 25 years ago and a celebration is being planned. Invitations will be sent out. Please respond and let us know if you plan to attend. Thank you for your support and prayers.

Rev. Bill Bagnal asked that a motion be made to accept the reports printed on pages 59, 62, 66, and 67. Comments made about the Senior Advisory Council by Jewel Blackwood. Ms. Blackwood stated that the council met once a month at the Resource Center. Mary Beth Conover spoke concerning TACMO asking that if your church did not have a media center, to please consider starting one. Motion made to accept these reports made by Richard Conover of Temple. Seconded by Dr. Robbie Phillips, Calvary. Motion carried.

The hymn, "Serve The Lord With Gladness," was sung by the congregation.

Faye Bassett, CCM director, introduced the guest speakers, Dr. Ron Halbrooks and Mr. Shirlowe Powell. Dr. Halbrooks serves as coordinator of professional volunteers on the Medical/Dental Bus. He is married and has two children. Mr. Shirlowe Powell is a truck driver, the father of three children and was selected "State Layman of the Year 1990". Mr. Powell coordinates the work of the Disaster Relief Bus.

The Singing Yatesmen presented special music under the direction of Dr. Ran Whitley, minister of music of Durham Memorial.

Dr. Halbrooks shared slides of the Medical/Dental Bus as it has been used in the Association. The bus was purchased by the State Baptist Men for $140,000 and it took one year from the order to delivery. Mr. David Langford, brotherhood director of the Baptist State Convention saw a similar bus while in Florida and felt this could be used for ministry in North Carolina. The bus was purchased on a 15 year interest free loan and it is being repaid by the Baptist Men. There are many opportunities for this ministry in Durham, Orange, and Chatham counties. Work with the migrants was the first area of ministry in Yates Association which started in June, 1990. Many volunteers are needed for this ministry. Mr. John Sally and his wife, Betty, have volunteered to drive the van to the different areas of ministry. The bus has a fully equipped dental area costing $60,000 alone and an area for physical exams, with simple tests and x-rays. Many of the medical supplies are donated by the doctors from their office supplies. Yates Association has the best program of ministry, we pray each time before we begin. Volunteers register the patient, a nurse gets basic information such as blood pressure, temperature, etc. Volunteers have provided health kits and counselors provide a witness for each person seen. The bus will be at the Durham Rescue Mission in October, November and December. In October, Rev. Ernie Mills said the bus was well received by the men at the mission. Ten volunteers have translated information in Spanish and volunteers work with the children. Carlos Oliveros, Hispanic church planter, came during the migrant ministry and as a result of this ministry, ESL classes, and the ministry of Red Mountain Baptist Church, ten men have accepted Jesus. Goals for the ministry have led to several things that other state conventions can use. There are 7,000 Christian physicians across the country and we want to use the footage of the Medical/Dental Bus to help start ministry across our country. Many volunteers are needed to continue this ministry, many of whom are nonmedical personnel. We need all kinds of help. Thirty years down the road, many of us will not be here. The cost per Saturday for the van is approximately $100.00. Thirty dollars from each church is requested for supporting this ministry. We need continued faithfulness and responsibility for this ministry. We are to testify of God's faithfulness.

Mr. Shirlowe Powell, coordinator of the Disaster Relief Van shared from Matthew about the concept of doing unto others. We have disaster relief because Jesus said, "We are to do unto others as we would unto Him". The van is equipped with a $65,000 mobile kitchen. The trailer was bought and it took six years of work, Baptist men and women rebuilding the trailer, to get it to where we could use it. In September, 1982, we voted to put the van into use. There are 10-20 individuals who have volunteered to give up three days of their time to man this van. In 1984, we put it into operation when we had a disaster in North Carolina. We served a total of 50,000 meals. During a disaster in eastern North Carolina and South Carolina during March 1984, we served 12,989 meals in nine days. The Red Cross reimburses the food supply. There are 23 disaster relief vans across the United States. On Mother's Day, 1985 we went to West Kent, KY and we responded to flooding in Wilmington, West Virginia. Next we went to Burgaw and Southport, NC during Hurricane Diane. There were 65 miles per hour winds when we set up there with water everywhere. In May, 1989, we went to Hickory and Shelby during tornados. The biggest disaster was Hurricane Hugo with 7 billion dollars worth of damage. We served 3,000 meals per day and several days we served 4,200 meals. A total of 24,000 meals were served with the help of the staff and members of Georgetown Baptist Church, who worked along side us to feed people. There are many predictions of coming disasters and we are ready to go at all times. What is the bottom line of disaster relief? Sharing with others, like the 80 year old man who had lost everything. We have lost the ministry of touch and telling of the love of Jesus. We need to be involved and disaster relief gives an opportunity to share the love of Jesus.

The vice-moderator, John Myers, thanked Calvary for hosting the meeting and invited everyone to the closing session at 7:00 p.m. at Mount Carmel Baptist Church that evening.

The meeting was adjourned at 11:50 a.m. with Dr. Robbie Phillips, pastor of Calvary, leading in the blessing for the meal and benediction.

THIRD SESSIONS

The third and final session of the Forty-Second Session was held Tuesday evening, October 23, 1990.

Carrboro Hand Bell Choir presented a mini concert at 6:50 p.m. led by Kathie Wilkinson, music director.

The meeting was called to order by the moderator, Rev. Ernest Ferrell at 7:05 p.m. He expressed appreciation for the inspirational music and thanked Mount Carmel for hosting this session of the meeting.

The hymn, "Praise to the Lord, the Almighty," was sung by the congregation.

Dr. Ron Boswell, pastor of Mount Carmel, welcomed everyone to Mount Carmel which is 197 years old. We are proud of our heritage and the opportunities for worship in our community. We are delighted that you are here and more important we are glad for the presence of our Lord and Savior, Jesus Christ.

Special music was presented by the Carrboro Hand Bell Choir, led by music director, Kathie Wilkinson.

Faye Bassett, CCM director, recognized the many volunteers, sharing that we could not do the many ministries that we are involved in if not for the many who volunteer. If you wish to volunteer to assist with the Toy Store Ministry, please fill out forms and place them in the gold box located in the foyer. All volunteers are wearing a special ribbon. Though many volunteers are present tonight, there are more than 230 total. Volunteers fill many different positions such as Day Camp, Toy Store, Sewing Classes, Food Pantry, Medical/Dental Bus, office workers. All volunteers, laypersons and pastors, were asked to stand.

Carlos Oliveros, the Hispanic church planter, was introduced by Rev. Bill Bagnal, DOM. Carlos shared it was a pleasure to be here and he is glad Yates Association is doing something for migrants and Spanish speaking persons. There are 3,000 Spanish speaking people living in the Durham area. People from South America, Central America, and Mexico and we have the answer for a better life. Feed them is what Jesus commands us to do. Many of these are living in the Red Mountain area and I ask that you pray for the Spanish ministry. We need more volunteers in this area of ministry.

Rev. Bill Bagnal, DOM, thanked the people of Yates for the opportunity to serve as director of missions. He asked his wife, Beverly, to stand. We have been busy these past two days with Metro Thrust, Constitution changes, selling the camp and many other items of business. We have listened to speakers share about ministry with a personal touch such as Medical/Dental and Disaster Relief ministries. A budget of over $200,000 was presented and last evening we followed Dr. McSwain's message about the ministry of sharing the gospel in the Soviet Union. Dr. Frank Zedick and his wife, Mary, have committed their lives to seeking to go to the Soviet Union to teach at the new Seminary. These are our missionaries whom we need to support. Sometimes we put our Christianity on the block, not touching the surface of life as it is in the real world. I hope we will not put our plan for ministry on the block for five years. Missions begin at home and expand to the world. This year we have started many ministries and multifamily ministry is in the works, but our gifts have not kept pace with missions and ministry. Let us work together, hold hands as we cross the busy streets of life, and keep our eyes on the light, Jesus. There is plenty for us to do and we need to get our faith in gear and move forward. Ask not what the association can do for you, rather, ask what can you do through the association.

Rev. Bagnal, DOM, introduced the speaker, Rev. Bob Weatherly, pastor of Mount Moriah.

Rev. Charles Rutt, pastor of North Durham Church, read scripture from Hebrews 10:19-25, the assembling of Christians together that we might exhort each other in the Christian faith.

Anthem was presented by the Ladies Choir of Mount Moriah Church.

Rev. Weatherly's sermon centered on being equipped to do ministry. We are to assemble ourselves together and prepare ourselves for the task of sharing the love of Jesus. Jesus is the best example. We need boldness, to be empowered by the Holy Spirit. We have either lost or misunderstood what it means to be a member of the body of Christ. We need to draw near to Jesus, see ourselves as we are, and plan for worship with a sincere heart. Everyone is born with a vast need for worship with God. We are called to worship, witness and care for the needs of others.

Hymn, "I Love to Tell the Story," was sung by the congregation.

Dorothy Hicks, association clerk, reported the number of registrants this year as:

Messengers	275
Pastors	34
Visitors	182
Grand Total	491

Rev. Fred Williams brought a recommendation concerning the sale of the camp. He shared he was bringing this recommendation for three reasons, one was personal, another was for accountability, and the third was spiritual concerning our heritage. He referred to the scripture in Numbers concerning God's command to take care of our heritage. I am aware of the cost of the camp and that the Board has voted to sell the camp. This is the recommendation, "If the camp property does not sell within six months, I recommend that we bring this back to the Executive Committee to consider closing of the camp and holding on to the land." Motion seconded by Mr. Tom Ellis, Fieldcrest. After discussion that this was not sufficient time for the property to be sold the vote was called. Motion carried.

Rev. Bill Bagnal, DOM, presented the special awards. They are as follows:

Plaques were presented to:

Ms. Dorothy Hicks, Trinity	Lay Leader of the Year
Dr. Gerald Goodwin, Durham Memorial	Minister of the Year
First Baptist Church	Church of the Year

Special growth awards were presented to:

Ridgecrest	13.3%	Rev. Don Chasteen

The closing hymn was "Take My Life and Let It Be," followed by Rev. Bill Bagnal, DOM, leading the benediction. Dr. Boswell, pastor of Mount Carmel invited everyone to the Fellowship Hall for refreshments.

Thus, the Forty-Second Annual Session ended at 8:40 p.m.

Dorothy Hicks
Clerk

REPORT OF THE SUNDAY SCHOOL

This has been a transitional year for the Associational Sunday School Team. Director Ron Harrison left the Yates Association to answer to God's call to another area and several other team members were lost due to similar circumstances. In spite of these changes it has been a good year over all.

February 2-3, 1990, the ASSISTeam attended a very good training event at Camp Caraway. This was the annual State Convention ASSISTeam training event and was one of their best. Team members sat under the teaching of some of the best Sunday School leaders in the state.

Under the leadership of Jean Howerton the VBS Clinic for the Association was held at Grey Stone Baptist Church April 17. Good leadership provided good assistance to VBS workers across the Association.

Several leaders on the ASSISTeam attended the Key Leadership Conference at Ridgecrest in June. Here we were informed of the changes in the Sunday School curriculum for the next several years, as well as the Sunday School plan for the next ten years.

I. 1990-95 Theme: Share Heritage and Hope...
Annual Themes:
  1. 1990-91 Share Heritage and Hope...Extend Christ's Mission (John 20:21)
  2. 1991-92 Share Heritage and Hope...Embrace God's Word (II Timothy 3:15-17)
  3. 1992-93 Share Heritage and Hope...Equip Believers (Ephesians 4:12)
  4. 1993-94 Share Heritage and Hope...Serve in Christ's Spirit (Philippians 2:5-11)
  5. 1994-95 Share Heritage and Hope...Evangelize the Lost (Luke 19:10)

II. 1995-2000 Theme: Go Make Disciples...

Annual Themes:

1. 1995-96 Go Make Disciples...Live God's Word (Matthew 28:20)
2. 1996-97 Go Make Disciples...Share Christ's Love (Luke 24:47-48)

5. 1999-2000 Go Make Disciples...To the End of the Age (Matthew 28:19-20)

The ASSISTeam planned a Sunday School Rally for the Association September 20, 1990, at Ridgecrest Baptist Church. Featured speaker was Dr. John Sullivan, one of the premiere preachers of this day. This rally was for the purpose of beginning the new year and decade with new enthusiasm and commitment for reaching people for Christ through the Sunday School.

In the past year the ASSISTeam held personal consultations in several churches and specialized assistance for others. Our commitment, as a Team, to the churches of the Yates Association is to provide a way and means whereby these churches can pray, plan, and work to reach as many people as possible with the glorious Gospel of Jesus Christ. Our current team (which is expanding): Raymond Johns, Danny Glover, Fred Williams, Jean Howerton, Rich Erwin, Darlene Harrill, Shirley Massey, Al Sholar, Steve Parker, Faye Hilger, Irene Bagwell, Linda Chandler, and Chrie Bevill, stands ready and willing to assist, in any way we can, this Association and to become better at Sunday School and Sunday School evangelism. Pray for us as we seek to serve Him!

Raymond Johns, Director

REPORT OF THE DISCIPLESHIP TRAINING COUNCIL

The Discipleship Training Council has spent much energy this year in getting direction for the present and future. We have worked with the Metro Thrust committees of our association to incorporate effective discipleship training into all aspects of church life. We have sought to survey church leadership as to their discipleship training needs and then to plan and promote experiences to meet those needs.

This year we had 4 churches participate in our Bible Drill. We encourage all churches to identify and enlist adult leaders to help children learn how to properly use their Bibles. Contact the council for additional help. We also conducted an Associational Wide Equipping Center Showcase on Aug. 4 as an bid to make churches aware of discipleship training resources currently available at the Resource Center.

Key Dates For Next Year:
*Discipleship for Today's Church - January 15, 1991
*Doctrinal Study for Pastors - Proposed date February 11, 1991
*Equipping Center Showcase II - March 16, 1991
*Associational Wide Doctrinal Age Group Study - April 23, 1991

Know that the Discipleship Training Council is just a call away to help you and your church improve new member orientation, discipleship training, leadership training, Bible Drill preparation, Doctrinal Studies, Family Life, community awareness, etc.

Eddie Hammett, Merle Fish
Bob Weatherly, Deryl Holliday

REPORT OF THE BROTHERHOOD

Brotherhood work began the Church Year with a regional training event at Cresset Baptist Church on October 7th. Eleven different ministry functions, from Lay Revival to Medical Missions to Prayer Support were featured; with specialized training being the order of the day. The Director has also strived to assist in leadership training by being invited to speak at churches initiating new Brotherhood work, including Edgewood Baptist, Mt. Hermon Baptist, and Faith Baptist. A new and exciting work has broad support along many mission lines-our work with medical missions. State Baptist Men have purchased a Medical/Dental Bus which is being used by the Yates Association on a monthly basis. It was used during the summer months at Red Mountain Baptist, working with migrants. Baptist doctors, nurses, dentists, dental assistants, Spanish interpreters, registrars, food preparers, witnesses, and child-care specialists were all enlisted on a voluntary basis. The unit will be traveling to inner-city locations, outlying rural areas, in Orange, Chatham, and Durham counties, as well as other isolated counties where medical/dental care is not so prevalent as in our area. The Director has also been keeping up with latest trends in Brotherhood work by attending seminars and workshops at Caraway and Ridgecrest. Many fine, new materials are available to assist committed men and women in Baptist Men and Royal Ambassador work. Also, not enough praise can be given to our RA Director, Candace Black, for her leadership and dedication. Fall and Spring Campouts that emphasize campcraft, missions, guest missionary speakers, fellowship, etc. were all important emphases. All were held at our own Associational Campgrounds. Car Races, Track Meets, and various training events were all fine contributions to our associational work. A final word: Missions are not accomplished in a vacuum, nor alone. It takes cooperative effort, strengthening our weak areas, forgiving and loving as we would like ourselves to be forgiven and loved, in order for missions to succeed. That's the Christ way - the only way. May each church in the Yates Association have a fruitful and loving Mission year 1990-1991, including Brotherhood.

Respectfully submitted,

Donald L. Bowden, Jr., Director

WOMAN'S MISSIONARY UNION REPORT

The Woman's Missionary Union of Yates Association has had an exciting year. Activities began long before the calendar year began with the new WMU council seeking God's face through a Prayer Retreat. Seven association WMU directors attended WMU week at Ridgecrest and thirteen directors and assistants attended workshop at Caraway Conference Center during the month of July, 1989. In September, over 200 church WMU leaders attended WMU Leadership Conference at Bethesda Baptist Church taught by associational WMU directors and assistants. Seven conferences were offered as well as a bookstore, nursery and salad luncheon served by Rev. Ernest Ferrell and members of Bethesda Church.

In October, the Foreign Mission Study Institute was held at Hope Valley Baptist Church. Rev. Don Bowden, brotherhood director, joined Sandra Harrison and myself to teach the adult study. Age-level directors taught the remaining age-level studies. Thirty prospective teachers were better trained to lead the Foreign Mission study in their church. During the month of January the Home Mission Study Institute was held at Temple Baptist Church with 35 church leaders coming to this training. January also was special because this is the time of year when the church WMU directors are invited to attend the quarterly WMU council meeting. Rev. Bill Bagnal, DOM and Nancy Curtis, WMU executive director of North Carolina were guest speakers. Ms. Curtis presented a message of thankfulness to Woman's Missionary Union for their leadership and the mission action work done in this area. She stated that the WMU council of Yates Association had led the way in many areas of work. This meeting closed with a reception prepared by WMU Secretary, Peggy Rhodes.

WMU Focus Week was observed in many of the churches of Yates Association with leaders of WMU leading the Sunday morning worship service. Special services and events were held at Immanuel, Mt. Carmel, Plainview, Ridgecrest, Lowe's Grove, Bells, and Gorman. Plainview held a missions fair with all age-levels participating with special emphasis on the mission action efforts of the church. Many more exciting events were provided during the year by age-levels.

Yates Association WMU has a seventeen member council that leads the work representing fourteen churches which represents a good cross-section of Yates Association. During the past year two members of the council were trained to be State Specialized Workers, Sandra Harrison and Cathy Sawaya and although Sandra has moved to Gastonia, she will continue to be a part of this work. There are, at the present time, a membership of 3,266 in Yates Woman's Missionary Union. Praise God for the work and ministry these leaders and members will contribute through the years. Many of the Association WMU directors speak in churches on a continuing basis.

During 1988 Yates Association WMU won an award after 25 new age-level organizations were started. In 1989 11 new organizations have been formed. To God be the Glory for all things accomplished.

Baptist Women have had a very busy year which began in September with the Leadership Conference which was attended by 43 Baptist Women leaders from 19 churches. In November the BW Day of Prayer was held at St. John's Baptist Church and Grey Stone Baptist Church with a total attendance of 62 with an offering of $77.40. The theme, "Thirst for Righteousness" challenged the women to be in search of God's righteousness through prayer, ministry and giving. A Baptist Woman's Volunteer in Missions Luncheon was held at Trinity Baptist on February 4, 1990 with Anne Smith, a lay leader from Greensboro, challenging the 28 who attended to become involved in missions in their own communities. At annual planning for 1989 the Baptist Women set a goal of 1% increase in membership for 1989. Praise God I can report that membership increased by 1.1% or 30 new members and 1.2% in new organizations. Total membership at the end of 1989 was 1334 with 74 organizations.

Baptist Young Women had a busy year under the leadership of Sheila Durham and Brenda Carden. Sheila attended WMU week at Ridgecrest and she and Brenda attended the workshop at Caraway in preparation for leading Association BYW work. The BYW conference at Bethesda Baptist in September with 9 BYW leaders from 6 churches participating in the BYW manual study. Highlight of the year was the "Combating the Obstacles of Social and Moral Issues" held at Grey Stone Baptist Church with 28 leaders and members from eight churches attending. Six community agencies were invited to participate and through this conference BYW leaders learned about mission action opportunities in Yates Association.

Acteens are unique and are reported in about one half of the churches of Yates Association. As the year began, Debbie Casey became assistant Acteens director along with an associational Acteens council with representatives from four churches. Several of the girls with Cathy Sawaya and Debbie Casey attended Camp Mundo Vista for Acteen Council training in October and immediately began plans for an Acteens StudiAct Workshop and Recognition Service. They have also assisted at other events such as Baptist Women event and annual meeting. The Acteens Council also traveled to Bowman-Gray Hospital in response to their "Code Blue", a plan to combat the growing shortage of medical professionals aimed at the middle and high school student. And don't forget the unforgettable week at San Antonio last July for National Acteens Convention. Red Alert, Red Alert, for all Acteens groups - the inside word is there will be another NAC to be announced next year.

Leadership has not been neglected as Cathy and Debbie led the Acteens Leaders Conference in September. Also they led the Foreign and Home Mission Institute for youth leaders. Cathy also led the Acteens Leadership Conference for Acteens Day at Campbell which was sponsored by the BYW of Campbell and the Co-Ed Youth Mission Conference held at Ridgecrest for the first time ever.

Girls-In-Action are a noisy bunch, but we are very excited about girls and their involvement in mission education. The GA Director, Nora Whitley attended WMU week at Ridgecrest and both Nora and her assistant Dennise Simmons attended Acteens Conference at Caraway.

On September 9th at the WMU Leadership Conference, Dennise led the conference for new GA leaders and Nora led conference for experienced leaders. Twenty four leaders from 16 churches were instructed in the work of GA's. "John and Julie Goes to Japan" the foreign mission study for younger GA's was taught by Nora Whitley and the study for grades 4-6 was taught by Dennise Simmons. Eight leaders attended. Forty of the 54 churches have 51 organizations. New organizations have been started at Braggtown, Trinity and Ridgecrest Baptist Churches. On January 29, again Nora Whitley and Dennise Simmons led the Home Mission Study Institute for leaders using "Don't Forget to Turn the Lights On" with 10 leaders attending. Thank you Nora and Dennise for your dedication and enthusiasm for GA work. Nora Whitley rotates off the GA council at the end of 1989-90 church year and we wish to express our appreciation to Nora for the insight she gave to GA work as she was not only GA leader but mother, and expectant mother during her term of service. It takes dedication to serve faithfully while doing all the normal family activities. May God bless you, Nora, and your family as you continue to serve God in your church.

Mission Friends, preschoolers are very special. These young minds are adept at learning and certainly they can be taught at an early age to pray for missionaries and to give money to support missions. New Mission Friends organizations were formed at New Jerusalem Baptist Cathedral and Holloway Street Baptist Church. Mary Taylor, MF director, has planned and executed several events for MF leaders during the year. The 1990 leaders covered dish luncheon was held at Plainview Baptist Church in February followed by a workshop with sharing of ideas. Mary taught Mission Friend leaders at the Leadership Conference in September as well as Foreign and Home Mission Study Institutes for leaders who teach the preschool studies in their churches.

Many Mission Friends leaders of the churches do not understand the value of training and Mary has held a very difficult position trying to encourage them to become involved in Associational Mission Friends planned events. The highlight of the year was the Mission Friends Fair held at Grey Stone with 70 children and adults attending. A missionary from Raleigh was there to share with those in attendance. Also many fun activities related to missions along with a clown entertained and inspired children and adults to be involved in missions. Pray for Mary Taylor and praise God she is going to have an assistant for 1990-92. Cherie Bevill from Carrboro has accepted the challenge of the call to serve as assistant Mission Friends director. We welcome her to our WMU Council and thank Mary for her continued dedication to Mission Friends work.

Mission Action/Personal Witnessing has become what it was always meant to be - alive and growing as it involves more people and increases awareness of the needs and opportunities for service in Yates Association.

We praise God for Audrey Gordon, our MA/PW director, for her insight and dedication to this very demanding work. Through her efforts and the inspiration and challenge of Sandra Harrison, WMU director, working with the vision and support of Faye Bassett, CCM Director and Home Missionary, mission action needs have been found and ways of meeting these needs have been developed. It takes all of these and you of the churches working together to meet the growing need of the people around us. Workshops to learn ways to combat the issues facing us were held. Three relevant issues were discussed; the poor, homeless and hungry, the unwanted pregnancy crisis, and the drug problem. Representatives from agencies with existing ministries were invited to share. Forty-five persons attended this workshop representing 18 churches. This was not only attended by WMU members, but involved, pastors, other men and visitors.

A Witnessing Workshop, held in March, 1990 at Immanuel Church, offered training on how to witness to lost persons with 29 attending from 18 churches. The second planned witnessing workshop is on Interfaith Witnessing in April, 1990 at Homestead Heights Baptist Church. Rev. William Hern, retired catalytic missionary in the Language Department of the Baptist State Convention, Rev. Allison Haynes, pastor at Trinity, and Rev. Fred Williams led this conference on the Occult, Jehovah Witnesses, and Mormans.

Migrant Work 1990 is again in focus. Pray for this work as Red Mountain Baptist Church, its members, and Audrey Gordon MA/PW director of Yates Association WMU provide training and workshop/Bible study in an on-going schedule for Hispanic families who are planning permanent residency in the Rougemont area. English as a second language (ESL) classes are going strong and are being attended by both men, women and children. Pray for this ministry and for Red Mountain Baptist Church as they undertake to continue ministering to migrants.

Prison ministry through WMU participation of providing cookies, the response was great. The Food Committee of the Prison urges us to continue to bless and love the residents with this expression of love. Volunteers have continued to increase as the people of the churches become aware of the needs around us. Thank you, Audrey for your continued leadership through mission action and personal witnessing.

Thank you WMU council members that will be leaving the Associational WMU council at the end of September, 1990. May God continue to use your talents and abilities to reach out, teach and touch wherever you are lead to serve. To the new WMU council members I say welcome and praise God for your response to the call of service through WMU of the Yates Association.

My prayer as I have been allowed to "fill the gap" between Sandy Harrison who was a dedicated, spirit filled Christian leader who felt the call of God to serve as Associational WMU director and Sandra Peters, WMU director 1990-92 with her insight of missions through her exposure and travel around the United States from the midwest to North Carolina. May God give her the strength needed, the insight to see ahead, and the courage to continue in His service. Again, thank you Yates WMU council for your love and acceptance. I pray God will use each of us to tell the story of His love and minister in His name until Jesus returns.

Respectfully submitted,

Dorothy Hicks, Interim Director

REPORT OF THE MUSIC COUNCIL

The Music Council planned and provided the following music opportunities for churches in the association in the past year:

The North Carolina Singing Churchmen and Churchwomen presented a concert at Grace Baptist Church in Durham, March 26. Several Ministers of Music in Yates Association are members of this group.

A Children's Choir Day Camp was held July 9-13 at Grace Baptist Church coordinated by Burke Raper. Clinician for the older children was Linda Boyd, from First Baptist Church in Atlanta, Georgia. Clinician for the younger children was Patti Lingafelt, previously Minister of Music at Lowe's Grove Baptist Church. Activities for the week included joint worship, music theory, hymn study, choral music, and crafts. Seventy seven children attended representing 21 churches in our association.

An Associational Music Fellowship Banquet was held August 27 for Ministers of Music and other music leaders in the churches of our association. Sixty one musicians representing 11 churches attended the banquet.

Senior Adults in several of our churches are working on music from "Sugar Sticks for Senior Saints" which will be presented for the opening session of the annual meeting, October 22, at Ridgecrest Baptist Church.

My thanks to the members of the Music Council for their interest in providing these opportunities. We look forward to continuing to plan activities that will train, encourage, and give opportunities for fellowship for all churches in our association.

TACMO REPORT

"Media Libraries...Touching Lives to Strengthen Ministry" was the theme this year for the Associational Church Media Library Organization. Activities and programs during the year implemented this theme. A bibliography of resources to meet the needs of the unsaved, families, youth, single and senior adults was distributed at the Annual Meeting in October.

Quarterly meetings were held at First Church, Park View, Lakewood, and the Resource Center. Training and sharing were emphasized at each meeting. Mr. Floyd Rhodes demonstrated the use of audiovisual equipment at the November meeting. In February, Mrs. Richard Davis conducted a workshop on the Church Study Course book, How to Classify and Catalog Media. Members participated in a BTN Teleconference on the basics of promotion in April. The August meeting was an Equipping Center Showcase held in conjunction with Discipleship Training.

TACMO members have continued to improve their skills by attending church study courses, Caraway and Ridgecrest library conferences. One member went to the Church Media Library National Seminar held in Nashville, TN each year.

TACMO is at work in the Yates Association providing information and fellowship opportunities for media library workers, sponsoring training events, promoting the establishment of new libraries, improving existing libraries, and maintaining the Associational Library.

REPORT OF THE CAMP COMMITTEE

Your camp is in great shape. There has been a change in it's appearance and usability.

Your committee invites you to use the facility as perhaps our Lord would direct you to train the young people in our association and provide a sylvan setting for our worship and meetings.

The heating system is at the end of it's probable life and should be replaced with a new heating and cooling unit as specified in our budget request.

The drives, walks, buildings, pond, outdoor grills, picnic shelter, soft-ball field and camping areas are all in excellent shape and waiting to be used.

There is no charge for it's use and we hope to keep it that way so that everyone can use it.

We think that within the foreseeable future we will have access to city water and sewer at which time we can proceed with the dreams and plans already in the hopper.

Respectfully submitted,

George C. Love, Jr., Chairman

NOTE: At the Association Board meeting on September 11, 1990, a decision was made to sell Yates Baptist Camp.

REPORT OF THE DEACON COMMITTEE

The purpose of our committee is to provide opportunities for training and fellowship for the deacons in our association. To accomplish this goal, we coordinated two workshops this past year. The Spring Deacon Workshop featured training in conflict management, crisis counseling, and the Deacon Family Ministry Plan. This workshop was attended by 67 people from 22 churches. The Fall Deacon Workshop offered training in marketplace ministry, caring skills, and denominational relations.

Our plan is to continue offering two workshops each year, with each workshop featuring three main options for training. The format is discussion oriented, using small groups to provide more opportunities for involvement and fellowship. Each group is led by a facilitator who is knowledgeable in their area of training.

We are grateful to Hope Valley Baptist Church for hosting both deacon workshops this past year.

We encourage all deacons, active and "inactive", to take advantage of the deacon workshops in the coming year, so that they might be better equipped servants of Christ.

Respectfully submitted,

Bryan J. Chestnutt, Chairman

REPORT OF THE EVANGELISM COMMITTEE

In the spring of 1990 (primarily April 1-8), 35 of our churches participated in Southern Baptist Simultaneous "Here's Hope, Jesus Cares For You" Revivals. Participating churches reported 41 professions of faith, 30 transfers of memberships, 349 re-dedications, 1 volunteer for full time vocational Christian service and 31 other decisions. We rejoice in this cooperative evangelistic emphasis.

During the period of 1991-1995, our Association Metro Thrust Plan focuses on the following evangelism goals: (1) Each church conducting a School of Evangelism once in the next 5 years; (2) Including evangelism as a part of every leader training program of the association; (3) Providing an annual association evangelistic inspirational/motivational event for pastors and staff; (4) Establishing an ongoing support group for persons involved in personal evangelism; (5) Conducting Backyard Bible Schools each summer; and (6) Establishing one Big A Club each year over the next 5 years. We encourage each church to improve its climate of evangelism through participation in the attainment of these goals.

Respectfully submitted,

Richard T. Hayes, Chairman

MISSIONS DEVELOPMENT REPORT

The work of the Missions Development Program this year has primarily revolved around the work of the Church Extension, the Language Missions, and the Church and Community Ministries subcommittees.

Upon recommendation of the committees and approval of the Executive Committee and Associational Board, the following actions resulted:

1. Rev. Carlos Oliveros called to serve as Hispanic Church Planter. In coordination with the Baptist State Convention, Flat River, Tar River, and Yates associations, Rev. Oliveros is locating Hispanic people, developing core groups in areas to start missions/Bible study groups, and assisting in church development, as needed. Rev. Oliveros also assists with migrant farm workers.

2. The adoption of a recommendation to conduct a new work PROBE and LASER to identify Anglo, Black, and language mission priority locations for starting new churches/missions/ministries.

3. The adoption of a recommendation that Yates Baptist Association utilize the Baptist State Convention's medical/dental bus monthly for medical ministry to migrant farm workers and other disadvantaged persons in Chatham, Durham, and Orange counties under the supervision and coordination of the CCM Director. Funds in the amount of approximately $100 per visit (once a month) are solicited through Brotherhood organizations and churches. ($30 per church per year is sufficient to meet the requirement.)

4. The approval of fund requests from the Baptist State Convention for 1991 under the Cooperative Agreement Process:

Korean Mission	$2,400
Church & Community Ministries	$8,000
Sunrise Baptist Church	$1,800
North Durham Baptist Church	$1,800
Durham Memorial Hispanic Mission	$3,600
Ethnic New Work	$3,800
LASER	$1,500

The Council expresses appreciation for your prayers and support as the churches of Yates Baptist Association join together in ministry.

Respectfully submitted,

Mission Development Council

REPORT OF THE ORDINATIONS COMMITTEE

The Association's Ordinations Committee meets at the request of any local member church to examine for ordination candidate(s) whom the church may desire to ordain for vocational Christian ministry. Our task is to inform the requesting church as to the suitability (in our opinion) of the candidate for ordination. The final decision always rests with the local church. The requesting church and/or candidate may invite any ordained minister to participate. All ordained ministers in the Association are invited to participate. The examination is primarily an experience of affirmation and support. Any church is free to convene its own ordination council. The Ordinations Committee of the Association is available to those who desire to use its services.

In the past year, the committee has examined and recommended for ordination the following candidates:

Candidate	Ordaining Church
Doyle Williams	Rose of Sharon
Tim Williford	Hope Valley

Respectfully submitted,

Ron Cava, Chairman

REPORT OF THE PERSONNEL COMMITTEE

With the coming of a new Director of Missions, the Personnel Committee has sought to assist in the transitional period and to be aware of staff relations as they develop under a new administration. In the annual staff review and evaluation, the Committee received similar reports from Saundra Stallings, Kathy Thompson, Faye Bassett, and William Bagnal of harmony and cooperation in staff relations and responsibilities.

Suggestions and requests from the staff resulted in four actions taken by the Personnel Committee.

1) Approved the following maternity leave provision in the staff policies: "Maternity leave, after the birth of a child, may be granted without pay up to thirty (30) working days upon the approval of the Director of Missions. Accrued sick leave and vacation time may be used for maternity leave."

2) Approved a request from Saundra Stallings for a change in her work hours due to the anticipated birth of twin grandchildren. From October to December of 1990, Mrs. Stallings will be allowed to be absent from the office during the morning hours.

3) Approved a recommendation that under the leadership of the Director of Missions the staff give input to the Committee regarding the updating of job descriptions.

4) Received a report from Kathy Thompson and William Bagnal that discrepancies between the job description of the Administrative Assistant and the responsibilities for week-end and evening assignments during the interim period had been clarified and mutually agreed upon.

The Personnel Committee also agreed to recommend to the Executive Committee a cost-of-living increase of 4% in salary for all staff members.

The fine work and spirit of the staff during the latter months of the interim period and the beginning of the eadership of the Rev. William Bagnal is gratefully acknowledged.

Dr. Jesse Croom, Chairman

REPORT OF THE PUBLIC RELATIONS COMMITTEE

The Associational Emphasis Week was observed May 20-27, 1990, with an open house and reception for he Bagnals, new Director of Missions and his wife, at the Association's Resource Center.

During the Simultaneous Here's Hope Revivals, several audio and visual commercials were provided hrough local radio and television stations in the Triangle area.

During the next several years, our committee will work closely with the Association staff to prepare and distribute printed materials, tapes, and slides to tell the story of our associational missions and ministries. Our goal is to increase awareness of and participation in associational activities.

Respectfully submitted,

Public Relations Committee

REPORT OF THE STEWARDSHIP COMMITTEE

The Witnessing/Giving Life Seminar scheduled for July 24, 1990, was cancelled due to only four reservations made for the event.

The Association Metro Thrust Plan has recommended that the Stewardship Committee membership be increased from three to seven members and that emphasis be placed on stewardship of all resources (material and personal).

Also, all churches will be encouraged to contribute at least 4% of church budget gifts for cooperative associational missions/ministries.

Respectfully submitted,

Stewardship Committee

REPORT OF THE SENIOR ADULTS

The Senior Adults of the Yates Baptist Association have had a good year of fellowship, food, and fun. Representatives of a few additional churches have joined the group.

The programs have been excellent and informative. In November at Hope Valley, Mrs. Helen Mumford told of her trip to Lottie Moon country in China with slides and souvenirs she brought back. The program in February at First Baptist was a monologue MARTHA REMEMBERS presented by Mrs. Crate Jones who had written the monologue. It was most impressive and brought home to us that we have many of Martha's characteristics. In May at Temple Baptist Church, our own Director of Missions, Rev. William K.

Bagnal, Jr., spoke on some of the problems facing our denomination. At Angier Avenue in August, Mr. Kevin Byers, Minister of Education at Angier Avenue, posed the question, "How well do you know your generation?" Some outstanding programs are planned for the coming year.

Our goal has been to have representatives from all the churches in the Association to come and enjoy the wonderful fellowship of the Senior Adults. Why not come and join us?

Respectfully submitted,

Margaret Rhodes, President

SENIOR ADVISORY COUNCIL REPORT

Our Senior Advisory Council continues to meet at the Resource Center on the last Monday of each month from 10:00 a.m. till 12:00 noon. Recent programs have dealt with community missions, discovering needs, nursing home ministries and Alzheimer's Family Support Groups.

We encourage each church in our association to send representatives to share in the programs and fellowship.

SINGLES OVER 50

In 1990, "Singles Over 50" began meeting once a quarter and always in a church. It became increasingly harder to find churches who could have the meeting. This year we have met at Holloway Street Baptist, Angier Avenue Baptist and Trinity Baptist. Our meetings are on the first Saturday of the last month of the quarter, 1:00 p.m. with a covered dish luncheon. Arlene Green of Angier Avenue is our activity leader and has had great programs. We have all enjoyed the covered dishes that have been brought. Most of the people who attend live alone and look forward to sharing a meal with another person. We invite anyone single and over 50 to attend our next meeting which will be on Dec. 1, 1:00 p.m., Holloway Street Baptist Church. Bring your favorite covered dish!!!

Respectfully submitted,

Darlene Harrill, President

REPORT OF THE YOUTH ADVISORY COUNCIL

The Youth Advisory Council had an active year. We have been meeting regularly. During our meetings we've discussed the needs of the youth in our association and what we can do to meet those needs.

We organized an Associational Wide Outing at Emerald Pointe which was held on August 21st. We had six churches represented with 91 in attendance. We are planning another event for New Year's Eve. Details for that event have not reached the final point yet. We are also planning a major event for the fall of 1991 involving a concert for our entire area. We are excited about the possibilities of reaching our Youth for Christ that this type of event offers.

We, who serve on the Associational Youth Council, covet your prayers.

Respectfully submitted,

BAPTIST CAMPUS MINISTRIES

The Association is helping sponsor ministries at UNC-Chapel Hill, Duke University and North Carolina Central University.

At both Carolina and Duke there are internship programs for seminary students that are partially funded by the association and at Central there are some funds to assist with programs, particularly for students to attend state-wide BSU meetings.

There are programs of outreach, worship, Bible study, and missions on a regular basis. In addition to regular BSU activities, there is a new program to reach internationals at Chapel Hill through the help of Joy Gambill, a volunteer. Missions, community service, and ministry in local churches through teams or a choir are vital parts of the work. Call if we can be of help: 942-4266.

DIRECTOR OF MISSIONS REPORT

Shortly after my arrival as your Director of Missions in January 1990, the staff informed me that very soon we must have a Strategy Planning Retreat with our Metro Thrust Committee to develop objectives and goals for the next five years (1991-1995). My responsibility would be to present my ideas and priorities to help set the direction for our Association.

Convinced that Christ is Lord, that servanthood is the real basis for effective missions and ministries, that any delivery system of services should be with caring and sharing with a personal touch, and that cooperation is critical to Associational Missions, I challenged the committee to view every recommendation through the lens of servanthood.

Jeremiah 29:11-12 became significant in our search for direction: "I (the Lord) alone know the plans I have for you, plans to bring you prosperity and not disaster, plans to bring about the future you hope for. You will come and pray to me, and I will answer you." We have prayed and worked to ensure that our plans are God's plans.

With servanthood as our focus, this motto emerged: Yates Association: Touching, Equipping, Serving.

In order for us to reach our objectives, to accomplish our goals, to serve the Lord completely, we must respond to the challenge through cooperation, commitment, and caring.

What we do we must do with intentionality. Within our family of churches, we must harness the abundant God-given skills, talents, and abilities to accomplish together what we would never achieve individually. We must foster quality stewardship of all resources - material and personal.

We need to strengthen existing churches/missions/ministries, begin a few new missions and many new ministries, reach ethnics for Christ, improve the climate of evangelism, enhance communication, promote accountability, advance relevant training and discipleship, and develop a stronger fellowship among ministers and churches.

People are moving into our Triangle area by the thousands. You will not find a more challenging area in which to live and work and serve. We cannot meet every need or right every wrong, but we can do better than we have done. We can and must continue to bring people to God and to take God to the people. Be reminded that "people will never care how much you know until they know how much you care."

We are on mission in our own backyard. As a family of churches we believe in cooperation as the means for making our shared dreams a reality. We believe that missions begin at home. Missions do not end there, but rather reach to the ends of the earth; however, we shall never reach persons overseas with the Gospel if we do not care enough to share the Good News next door. We go to neighbors and we go to the world.

There is a cloud - a dark cloud - that dares to threaten to bring rain on our parade, to blow with hurricane force across the shores of our sea of opportunity, to extinguish the lights and sever communication in our service center. You know of what I speak.

The Southern Baptist controversy has weakened our witness, tarnished our testimony, manacled our mission, miscarried our ministry, muffled our message, crippled our cooperation and fractured our fellowship. Let this not destroy our Association.

Baptist Associations predate the Southern Baptist Convention. The Baptist State Convention of North Carolina (1830) predates the Southern Baptist Convention.

When I was a boy my mother used to say to me and my brother, "Let's hold hands when we cross the street." I say to you as we cross this big denominational thoroughfare of reckless drivers, speeders, and accident-prone persons, let's hold hands and cross safely to the other side of this busy street. Let's keep our eyes clearly on the Light (Christ) which tells us Go, Caution, or Stop. Let's not jaywalk or endanger ourselves or others.

There is plenty to do in missions and ministries in Yates Baptist Association. Your time, talent, money, energy, and Christian witness are needed locally.

Servanthood, caring, sharing, daring, personal touch - words with a meaning. May we commit ourselves to this venture of being on mission together. You are the Association; therefore, "ask not what your (association) can do for you, ask what you can do through your (association)."

Together we minister.

Respectfully submitted,

Bill Bagnal

REPORT OF THE DIRECTOR OF CHURCH AND COMMUNITY MINISTRIES

Thank you for the privilege of serving as Director of Church and Community Ministries of the Yates Baptist Association. It is a joy to serve with the committed Christians of this association as we together discover new ministry opportunities in the Triangle area.

Ministry awareness continues to explode as the number of churches in innovative ministries escalates. Clothes closets, medical supply closets, food pantries, Mother's Day Out programs, after school care, programs for all ages, medical missions, Bible studies, support groups, and many other ministries exist in churches across the association.

The number of volunteers in association-wide ministries is astounding. Without these people, many of the ministries that we together accomplish would go undone. They remain faithful in discovering ways to improve those ministries already in progress. They remain committed as they search for and establish new avenues to share the Gospel in word and deed.

Day Camp 1990 found many men, women, boys, and girls helping in various ways. We rejoice in the thirteen professions of faith made during the sessions. We look forward to next summer as we modify the camp and move it to locations throughout Durham, Orange, and Chatham counties. Multitudes of committed youth and adults are essential for this ministry. Call if you feel this is where you can serve.

Those trained to teach English as a Second Language await assignments. If you know of someone needing this help, let us hear from you. You may wish to sign-up for Literacy classes scheduled for January, 1991. Many in our area cannot read or write. This training provides an opportunity to make available an essential ministry.

The Medical/Dental Van Ministry continues to expand. In June, July, and August, volunteers shared with and cared for migrant farm workers in the Red Mountain Baptist Church community. In October, November, and December they are at the Durham Rescue Mission. The van will locate in the Chapel Hill - Carrboro area during the first three months of 1991. You may still volunteer. At this writing approximately 54 people are a part of this ministry. This number represents 26+ churches. The most pressing need is for dental assistants. If you wish to volunteer as a doctor, dentist, nurse, dental assistant, counselor, registrar, a site worker to assist with the daily set up and clean up operations, children's worker, or Spanish interpreter, please call me at 489-3396.

The Baptist State Convention video taped the sewing class, medical/dental van, and Carrboro Baptist Korean Mission for portions of the State Mission Offering promotion. The Medical/Dental Van Ministry also appears on the new Baptist State Convention missions video, "Mandate". These tapes are available for checkout through the associational office. They are excellent resources for programs.

We are here to serve you. Please call on us. We can help with community needs assessments. Knowing the needs helps us plan and reach out effectively. You may wish to begin a new ministry. We want to help in any way possible.

Again and again you provide witness to a living Savior in word and deed. May this new church year find us faithful to our Lord's command, "Go...make disciples."

Respectfully submitted,

Faye Oakley Bassett

HISTORY OF PLAINVIEW BAPTIST CHURCH

Plainview Baptist Church began on December 28, 1949, when a group of persons met in the home of Mr. and Mrs. James Bridges on Fish Dam Road. The charger membership are as follows: Mr. and Mrs. D.R. Allen, Mr. Charles Baker, Mr. and Mrs. James Bridges, Mrs. Stella Goss, Mr. and Mrs. W.H. Harward, Mr. and Mrs. E.H. Howard, Mrs. Doris O'Brien, Mrs. L.W. Pendergraft, Miss Louise Pendergraft, Miss Mary Pendergraft, Miss Maxine Pendergraft, Mr. J.M. Rogers, Mr. and Mrs. M.L. Smith, Mr. Ralph Snipes, Mrs. Annie Taylor, Miss Jessie Taylor, Mr. L.S. Taylor, Mrs. Maggie Watson, Mrs. Rosa Woods.

The members met in a cabin owned by Mr. Milton Smith and located behind his home on Redwood Road. During this time, Rev. Hugh Watkins was called to be our first Pastor. On Easter Sunday, April 9, 1950, Plainview held services in a newly-constructed cabin located at the corner of Fish Dam and Rogers Road.

In 1953 a new building was constructed. The first parsonage, with two acres of land was purchased in November of 1956. Several pastors served our church during that first few years. They were: Rev. A.M. Beatty, Rev. Carroll Taylor, Rev. James Taylor, Rev. Glen Cain, Rev. Dale Crockett, and Rev. James Roberts.

In October 1963, plans were begun for a new and larger parsonage and the first constitution and by-laws were adopted. In November of that year, Rev. Wray Ivey was called as Pastor.

Plans for a new educational building and for remodeling of the sanctuary to include a baptistry began in April of 1965. Sunday School was conducted in this building for the first time April 10, 1966, and dedication services were held for the new building on that day.

In May 1966, we voted to start our library and to elect a librarian and assistant. On Sunday, May 29, Rev. Ivey resigned. Rev. Lindsay Morton accepted the call to pastor our church in October of 1966.

The next few years, highlights included publication of our first church directory, completion of remodeling the basement, organization of youth activities, and the installation of the church's spire.

Rev. Morton resigned in December of 1970; it was not until November of 1971 that Rev. Howard Corley accepted the call to Plainview.

Many improvements were made in 1972-73 on both the building and grounds. Mr. Ezra Ferrell donated a plaque on which the names of deceased members are engraved, as well as a piano in memory of his wife, Mrs. Rosa Ferrell. A new church directory was prepared and new choir robes and bus were purchased.

Plans for a new sanctuary were begun in 1973 and in May of 1974 the ground breaking ceremony was held. On November 17, 1974, we held a homecoming service in honor of Plainview's 25th Anniversary.

The new sanctuary was completed and a dedication service held in June of 1975. In August, Norman Stallings came to Plainview as Director of Music and Youth.

During a special service on Sunday, April 25, 1976, Rick Lloyd was ordained into the Gospel Ministry. Rev. Corley resigned on June 20, 1976.

August 22, 1976, Rev. Richard G. Shaw accepted the call to be our Pastor. During his pastorate, the youth began annual Mission Trips. The first trip took them West to New Mexico to the Navajo Indian Reservation. The following year they went to Arizona. Our young people worked very hard ont these trips holding Bible School Classes during the day, worship services at night, and did construction work in the afternoons.

In September of 1977, Norman Stallings requested he be relieved of youth director responsibilities and remain as music director. David Sparks joined us in October as our minister of youth and recreation. Norman Stallings resigned in January of 1978. In March, Sharon Oakley accepted the call as Music Director on a temporary basis. Both Rev. Shaw and Sharon Oakley resigned in December of 1979.

David Sparks was ordained as a minister in January 1980. In March of 1981, we called Rev. Bob Duncan as pastor. Mrs. Nelda Haines assumed the position as music director in June.

On June 21, 1981, Rev. David Sparks left Plainview to answer God's call to Sunrise Baptist Church in Asheville, North Carolina as minister of youth. Mr. Ed Denton became minister of youth/education on July 27, 1981.

Nelda Haines resigned effective August 30, 1981. On April 11, 1982, Eddie Digh joined us as minister of music in May of 1985.

In August of 1985 Barry Dodson accepted the call to be our choir director along with leading us in an Outreach Program. On October 6, 1985, Barry was ordained into the ministry. Also during this year, we had the honor of ordaining Rev. Harrison's son, Chris, into the ministry.

January of 1986 was highlighted with our Baptist Women organizing a clothes closet and food pantry to provide a means of ministering to the needs of Redwood Community.

In May of 1986, Ed Denton resigned as Associate Pastor of youth/education. Barry Dodson graciously led our youth until we called Vance Midgett in November of 86 to serve in this position. Under his leadership, the youth's mission trip took them to Carolina Beach where they ministered to vacationers in the amusement park, and spread the Good News with the puppets and clowns. Vance resigned in October of 1987 upon accepting a call to serve as youth minister at Calvary Baptist Church in Wilmington, NC.

Barry Dodson resigned effective January 31, 1988.

Plainview voted in February of 1988 to allow a branch of Narcotic Anonymous Group to meet in the Fellowship Hall on Wednesday nights. Also that same month, we were blessed with the addition of Jim Knight as director of youth/education. In March, Jean Howerton joined our staff as music director.

During the summer of 1988, the youth made two visits to Camp Springs Baptist Church in Camp Springs, Maryland, conducting Vacation Bible School. New ministries were born in the community at two rest-homes (Heritage and Horton Road) and the Ronald McDonald House, which was a visitation program in conjunction with the Baptist Young Women. In November of 1989 and July of 1990, the youth attended retreats aimed at helping them discover more about who they are and how they can cope with everyday pressures. The Acteens program was rejuvenated along with the formation of High School Baptist Young Men in the spring of 1990.

February 5, 1989 Tommy Faust joined our church staff as director of outreach and evangelism. Also that month, three Home Bound Sunday School classes with a total membership of 22 were added to our enrollment. In March of 1989 our Baptist Young Women were reorganized.

Foy and Margaret King have played a special part in volunteer mission work in both home and foreign lands. They participated in mission trips with our youth, other churches (Jamaica), and represented Plainview with mission trips to Togo, Poland, and Brazil.

John Jones volunteered his times and talents to serve our Lord on the Home Mission Board. Barry and Janet Dodson's family spent their summer vacation in 1988 administering to the needs of Migrant workers in Johnson County.

Nineteen eighty-nine was a special year of our music ministry as we presented the Easter cantata "Crimson Bridge" not only for Plainview but also for Ebenezer Baptist Church of Durham. We held a special "old fashioned" Homecoming Service and presented the musical "Come Home". Plainview hosted the 1989 Annual Yates Associational Meeting and our choir sang several selections for that meeting. The choir also sang in December of '89 for the Angier Avenue Baptist Church's 100 Centennial Celebration.

In April of 1990, Rev. Harrison announced his resignation, effective April 27. He accepted the call to serve as pastor for Grace Baptist Church in Gastonia, NC.

Rev. James West is presently serving as our interim pastor.

HISTORY OF WESTWOOD BAPTIST CHURCH

In 1950, the Baptist Council of Churches of Durham saw need for a Baptist Church in the community around old Watts Hospital. In the years since, this community has seen many changes: the old Watts Hospital is now the North Carolina School of Math and Science, for example. But the dream of a church was realized and has been a special part of the community ever since. Today Westwood is looking to the future with a joyful confidence.

The dream began to take shape when a lot at the corner of Maryland Avenue and Woodrow Street was purchased by the Baptist Council as a new church site. On August 13, 1950, the Maryland Avenue Baptist Church was organized with 83 charter members. Rev. George Shore, a divinity student at Duke University, was called as temporary pastor and on March 25, 1951, Rev. Robert Costner was called as the first full time pastor. The church began its life worshipping in the Clyde Kelly Funeral Chapel, with Sunday school classes in nearby homes. Realizing the space limitations of the Maryland Avenue site, in February 1952 the church purchased a large lot and house at the corner of Club Boulevard and Carolina Ave. and it's name was changed to Westwood Baptist Church. For some time the old, renovated house was used for worship and study. It was on the site of the present sanctuary. Ground was broken on April 8, 1956 for a new worship/education facility. Worship was held in this new building for the first time on May 19, 1957. Just over ten years later, August 27, 1967, there was a ground-breaking ceremony for a new sanctuary which we enjoy today. It was dedicated to the Lord July 21, 1968. In the spring of 1990 a major sanctuary renovation project was completed, and efforts to build a new fellowship hall and renovate the existing educational building are going on now during the fall of 1990.

Westwood originally was founded with the partial purpose of ministering to the then-existing Watts School of Nursing. Today that vision is still kept alive by ministry to N.C. School of Science and Math students, who live and study in many of the same buildings once used by Watts. In addition, ministry to the Duke and UNC student bodies is a special part of the church's calling.

Those of us who give and receive ministry in Westwood today owe profound gratitude to the faithful people who helped to create this church for God's glory. Some of them are still among us today. Others have since died or moved. Their faithfulness, however, lives on in the life of this body. The first board of deacons included W.C. Jones, C.H. Powe, Sr., Francis Walker, Sr., and Milton Robertson. Mr. and Mrs. C.H. Poe were among those who opened their home every Sunday morning for the children's Sunday School classes. The first long time pastor was Bob Costner, who with his wife Ruth led the church in its early years and laid down firm foundations of faithfulness which remain unto this day. To him and to all that group of people who dreamed and paid the price to realize the dream of a new church, we owe a debt.

Other pastors have included Dr. Denton Coker, Hugh Ross Williams, Vann Murrell, Dr. John Freeman, Wyatt Coley, Rudolph Pulley, Aubrey Quackenbush, Lawrence Knott, Guy Cain, and Emory M. (Mac) Bare. John S. Hammett became the church's first associate pastor in 1982, leaving in 1987 to pursue a call to foreign missions. Scott Cureton became the church's second associate pastor in that year. Westwood has been blessed with many other dedicated staff members.

We thank God for those who dreamed His dream in our past, as we seek to be faithful in dreaming His dream for our future.

REPORT OF THE GENERAL BOARD

The General Board is the convention between annual sessions. Made up of one or two representatives from each association, it meets three times a year. Two meetings are held at Caraway Conference Center and on one of our college campuses. This year we met at Campbell College. Special meetings can be called. Decisions and business transactions are made at these sessions, many as recommendations subject to convention approval.

Representatives from Yates Association are Everette Smith, pastor of Lystra Baptist Church and Crate Jones, Cresset Baptist Church.

Recommendations and a full report will be given at the State Convention in November.

Respectfully submitted,

Everette Smith
Crate Jones
